Real Estate Home Inspections
Uniform Building Code Inspections
Construction Defect Investigations
Inspector Standards of Care

Active Building / Home Inspection Consultant with Exceptional Inspection Experience

SUMMARY Since 1997, I have performed over 40,000 combined inspections including new and existing construction of all trades including structural, mechanical, electrical, and plumbing code involving code compliance and evaluations of construction defects. Areas of expertise include private real estate home inspections, HUD Housing program inspections, code enforcement violations, general building inspection including land use and zoning standards, substandard housing, building and environmental code compliance for two municipal government agencies, the City of Westminster, and the City of Fountain Valley, California.

Owner of American Dream Home Inspection started in 2004. Business website: <http://www.americandreamhomeinspection.net> I have performed over 2,000 home inspections for clients involved in real estate transactions.

Business services performed include residential and commercial real estate inspection, defect evaluations for tenants, homeowners, buyers, sellers, Home Owner's Associations, insurance companies, attorneys, brokers and agents. Consulting services include home inspection standards of care, construction defects, substandard housing evaluations, inspections for financial institutions for construction phase verification, expert witness testimony in real estate inspection standards of care and consulting services.

CURRICULUM VITAE FOR JUSTIN D. WATTS

Certified Building Inspector • Expert Witness • Consultant

EMPLOYMENT AGENCIES City of Westminster, Senior Inspector, 2004 to Present
City of Fountain Valley, Code Enforcement Officer, 2000 to 2004
