

Drew Neckar, MBA, CPP, CHPA

PRINCIPAL CONSULTANT

SUMMARY |

Drew Neckar is a highly accomplished and board-certified security consultant and corporate security executive, offering over two decades of versatile leadership in corporate security. With a proven track record of success, Drew excels in designing and enhancing corporate security programs across diverse industries. His extensive experience enables him to swiftly assess clients' security needs and recommend tailored, cost-effective solutions.

Drew has served as the senior-most Security executive (CSO) for three organizations, managing budgets exceeding \$7M and overseeing departments with 250+ employees. Notable achievements include developing processes to quantify safety and security risks, creating standardized physical security frameworks, guiding Clery Act compliance efforts, and optimizing security programs for international expansion. Drew's strategic impact encompasses centralized Security Operations Centers, redesigned Security Officer training programs, and substantial cost reductions through vendor management centralization. He has also standardized workplace violence and threat management processes, showcasing expertise in building programs leveraging open-source intelligence (OSINT) for enhanced security.
