

Sajid Khan, MD

913-271-4142

sajidrkh@gmail.com

Visit www.myERdoctor.com

Full time board certified ER physician, teaching faculty member, Urgent Care owner, & author

Licenses and Certifications

American Board of Emergency Medicine (ABEM) certified
Licensed to practice in Texas, Missouri, and Georgia
BLS, ACLS, PALS, and ATLS certified

Education and Training

2005-2008 Emergency Medicine Residency at the University of Missouri-Kansas City
7/2004 Ultrasonography course at University of California-Irvine
1999-2005 University of Missouri-Kansas City Six-Year Combined BA/MD program

Books Authored

- 2017 **Authored a book reflecting on clinical and non-clinical lessons learned in my first ten years of post-residency training: *How to Not Kill your Patients: An ER Doctor's Guide to Life after Residency*.** This book guides new physicians on issues they were likely not exposed to while in residency and features lessons that have been learned over a long career in this field – and features several well-known guest authors.
- 2015 **Authored a comprehensive review book for emergency medicine: *The Ultimate Emergency Medicine Guide*.** This is the number one rated Emergency Medicine boards review book on *Amazon* and has been used by thousands of residents and attending physicians to prepare for the ABEM certifying and re-certifying examination. It is the only book to offer a money-back guarantee to anyone who achieves less than a passing score.
- 2013 **Co-authored a book on medical ethics: Arshad, Maryam, Khan Sajid. *USMLE Medical Ethics 101*.** This book has been incorporated into the medical school curriculum at the University of Missouri-Kansas City and is being used by all students during both the required ethics course and the psychiatry core rotation.
