EXPERIENCE

Dr. West is an experienced professional who blends the unique skills of psychology, corrections, organization development, management and administration into practical real world applications on complex issues.

Consultant

June 2002 to Present

Provide consulting services for public and private sector organizations. Services include consultation in the following:

- Psychological Services and Mental Health Care Systems in Correctional Facilities.
- Conditions of Confinement in Correctional Facilities
- Expert Witness Services in Psychological Services and Mental Health Care in Prisons and Jails.

- Expert Witness Services in Conditions of Confinement as they affect staff, inmates and other related parties

State of Colorado, Department of Corrections

January, 1995-June 2002

June, 1999 to June, 2002

**Deputy Director-Special Operations & Community Services
Colorado Department of Corrections
2862 South Circle Drive
Colorado Springs, Colorado**

Responsible for eight prisons, statewide Parole, Community Corrections, Medical, Mental Health, Education and Community Reintegration Services. The prisons were designed for the special needs inmates including the following:

- Reception and diagnostic facility for offenders entering the Department of Corrections from County Jails,
- Facility for Seriously Mentally Ill Offenders,
- Three women's prisons,
- The prison for youth adjudicated as adults,
- The prison for geriatric and medically infirm offenders.

The security level of these prisons ranged from minimum to maximum security as did the custody levels of the offenders. Responsible for over 6,000 offenders and 2,000 employees including eight wardens.

Responsible as a senior executive for overall strategic planning and leadership within the department and relations with related agencies such as sheriffs, the legislature and the community at large. Responsible for representing the Colorado Department of Corrections nationally with American Correctional Association including standards development.

August, 1987 to June, 1999

**Regional Director
Colorado Department of Corrections
2862 South Circle Drive
Colorado Springs, Colorado**

Responsible for seven prisons in Canon City and subsequently responsible for all special needs prisons.

January, 1995 to August 1997

**Warden/Project Director
Denver Women's Correctional Facility
3600 Havana Street
Denver, Colorado**

Designed and programmed a 900 bed women's prison. Responsible for the oversight of architectural and engineering contractors and construction.

March, 1992 to January, 1995

Correctional Program Specialist

**U. S. Department of Justice
Longmont, Colorado**

Assigned to the Academy Division of the National Institute of Corrections. Provided consultative and development training to state, federal, local and community corrections executives.

August, 1986 to March, 1992

**Warden
Menard Psychiatric Prison
Chester, Illinois**

Male, maximum security 400 bed prison for mentally disordered felons and sexually dangerous persons.

1983 to 1986

**Assistant Director and Director of Mental Health
Services
Penitentiary of New Mexico
Santa Fe, New Mexico**

Responsible for the development and administration of a Mental Health residential treatment unit and the administration of all mental health services for the prison. This was in accordance with the Federal Consent Decree following the 1980 riot.

1975 to 1983

Practicing Psychologist
