

CURRICULUM VITAE

August, 2007

**Susan B. Conley, M.D.**  
**Professor of Pediatrics (Nephrology)**  
**Drexel University College of Medicine**  
**Attending Physician, Section of Nephrology**  
**Physician Advisor, in charge of Utilization Review**  
**and Discharge Planning**  
**St. Christopher's Hospital for Children**

Mailing Address &  
Academic Office:

St. Christopher's Hospital for Children  
Erie Avenue at Front Street  
Philadelphia, Pennsylvania 19134-1095

Phone: 215/425-5190 (secretary)  
215/427-4334 (direct number)  
Fax: 215/427-5351  
E-mail: [Susan.Conley@DrexelMed.edu](mailto:Susan.Conley@DrexelMed.edu)  
[susanbconley@earthlink.net](mailto:susanbconley@earthlink.net)

Home Address:

21 Jersey Belle Drive  
Cinnaminson, NJ 08077  
Cell 856/296-0279

Citizenship:

U.S.A.

Marital Status:

Single

Education:

8/1966-6/69	University of Michigan College of Literature, Science and the Arts, no degree.
6/2/1973	M.D., University of Michigan Medical School
Expect 2008	Masters in Medical Management, The Heinz School of Public Policy, Carnegie Mellon University. degree (coursework completed except for 2 online courses).

Training:

7/1973-6/74	Internship, St. Louis Children's Hospital, Washington University School of Medicine, St. Louis, Missouri
7/1974-6/75	Resident in Pediatrics, St. Louis Children's Hospital, Washington University School of Medicine, St. Louis, Missouri
7/1975-6/77	Resident-Fellow in Pediatrics (Nephrology), Washington University School of Medicine and St. Louis Children's Hospital, St. Louis, Missouri

Curriculum Vitae  
Susan B. Conley, M.D.

Academic  
Appointments:

7/1977-8/78	Instructor in Pediatrics, Washington University School of Medicine, St. Louis, Missouri
8/1978-6/84	Assistant Professor of Pediatrics, The University of Texas Medical School at Houston, Houston, Texas
1/1979-6/86	Assistant Pediatrician, Assistant Professor of Pediatrics, The University of Texas System Cancer Center, M.D. Anderson Hospital and Tumor Institute, Houston, Texas
7/1983-6/91	Director, Division of Pediatric Nephrology, The University of Texas Medical School at Houston, Houston, Texas
7/1984-6/85	Associate Professor of Clinical Pediatrics, The University of Texas Medical School at Houston, Houston, Texas
7/1985-6/91	Associate Professor of Pediatrics, with tenure, The University of Texas Medical School at Houston, Houston, Texas
7/1985-6/88	Director, Pediatric Residency Training Program, The University of Texas Medical School at Houston, Houston, Texas
7/1986-6/91	Associate Professor of Pediatrics, The University of Texas System Cancer Center, M.D. Anderson Hospital and Tumor Institute, Houston, Texas
1/1991-6/1991	Vice-Chairman for Academic Affairs, Department of Pediatrics, The University of Texas Medical School at Houston, Houston, Texas
8/1991-12/94	Chief, Pediatric Nephrology, and Director, Pediatric Renal Center, California Pacific Medical Center, San Francisco, California
7/1992-12/94	Director, Pediatric Residency Training Program, California Pacific Medical Center, San Francisco, California
1/1992-12/94	Associate Chairman for Education, Department of Pediatrics, California Pacific Medical Center, San Francisco, California
7/1993-12/94	Associate Clinical Professor of Pediatrics, University of California Medical School at San Francisco, California
12/1994-6/97	Professor of Pediatrics, Stanford University School of Medicine, Stanford, California
12/1994-6/97	Medical Director, Dialysis and Renal Transplantation, Stanford University Medical Center and Lucile Salter Packard Children's Hospital at Stanford, Palo Alto, California
8/1997--	Professor of Pediatrics, (initially MCP•Hahnemann University School of

Curriculum Vitae  
Susan B. Conley, M.D.

Medicine, 8/1997-6/2002), now Drexel University College of Medicine, Philadelphia, PA

8/1997-3/2005 Chief, Nephrology (Pediatrics), Drexel University College of Medicine, St. Christopher's Hospital for Children, Philadelphia, PA

Hospital  
Appointments:

7/1977-8/78 Assistant Pediatrician, St. Louis (Missouri) Children's Hospital

7/1977-6/78 Assistant Pediatrician, Barnes Hospital, St. Louis, Missouri

8/1978-6/91 Attending Physician, Hermann Hospital, Houston, Texas

11/1979-6/86 Assistant Pediatrician, M.D. Anderson Hospital and Tumor Institute, Houston, Texas

1/1979-6/91 Associate Director, Dialysis Program, Hermann Hospital, Houston, Texas

1/1982-6/91 Attending Physician, Shriner's Hospital for Crippled Children, Houston, Texas

7/1983-6/91 Associate Director, Texas Kidney Institute, Hermann Hospital, Houston, Texas

7/1986-6/91 Associate Pediatrician, M.D. Anderson Hospital and Tumor Institute, Houston, Texas

8/1991-12/94 Attending Physician, California Pacific Medical Center, San Francisco, California

1/1992-6/97 Consulting Pediatrician, Oakland Children's Hospital, Oakland, California

12/1994-6/97 Attending Physician, Lucile Salter Packard Children's Hospital at Stanford, Palo Alto, California

12/1994-6/97 Attending Physician, Stanford University Hospital, Stanford, California

12/1994-6/97 Medical Director, Dialysis and Renal Transplantation, Lucile Salter Packard Children's Hospital at Stanford, Palo Alto, California

1/1996-6/97 Chief, Renal Clinical Service, Lucile Salter Packard Children's Hospital at Stanford, Palo Alto, California

8/1997-- Attending physician, St. Christopher's Hospital for Children, Philadelphia, PA

8/1997-3/2005 Chief, Nephrology, St. Christopher's Hospital for Children, Philadelphia, PA

Curriculum Vitae  
Susan B. Conley, M.D.

8/1997-- Medical Director of Renal Transplantation, St. Christopher's Hospital for Children, Philadelphia, PA

2005-- Physician Advisor, St. Christopher's Hospital for Children, in charge of Utilization Review and Discharge Planning

2006-- Attending Physician, Cooper University Hospital, Camden, NJ

Licensure: 8/1997 #MD 063184L Pennsylvania  
8/2005 25MA07963200, New Jersey

Certification: 1974 National Board of Medical Examiners, #130351  
7/1978 American Board of Pediatrics, #021818  
11/1979 American Board of Pediatrics, Sub-Board of Pediatric Nephrology, #195

10/1999 Certified Hypertension Specialist, American Society of Hypertension

Special Courses:

Ethical Issues in Managed Care, Intensive Ethics Course, March 8-12, 1997 at the Kennedy Institute of Ethics, Georgetown University

Medical Informatics, Intensive Course offered by the National Library of Medicine, June 1-6, 1998

Multiple courses of the American College of Physician Executives, consisting of the first half of the MMM degree at Carnegie Mellon and leading to Advanced Standing in the ACPE

Current Professional Organizations:

American College of Physician Executives  
American Medical Informatics Association  
American Academy of Pediatrics (Fellow)  
American Academy of Pediatrics (AAP) Section on Nephrology  
(Executive Committee, 1991-94, Nominating Committee, 1996-97)  
American Academy of Pediatrics, Council on Computers and Information Technology  
(Executive Committee, 1999-2002, Nominating Committee Chairman, 2001-2007)  
AAP Section on Home Care (Nominating Committee Chairman, 2005--)  
American Pediatrics Society (elected 2002)  
American Society of Pediatric Nephrology  
American Society of Nephrology (member of the Renal Informatics Committee)  
American Society of Transplantation  
International Pediatric Nephrology Association

International Society of Nephrology  
American Society of Hypertension  
National Kidney Foundation Councils –  
Council on Pediatric Nephrology, Council on Transplantation  
(Executive Committee, Council on Transplantation 1991, Executive  
Committee, Council on Pediatric Nephrology, 1994-1998)  
National Kidney Foundation  
President, Region IV (1990-91), President, Region V (1994-96)  
Multiple other roles at affiliate, regional and national levels, including member of  
the National Board of Trustees (1990-97), National Affiliate Relations Committee  
(1990-96), and several subcommittee and task forces  
North American Pediatric Renal Transplant Cooperative Study Group, Founding  
Member (Scientific Advisory Board, 1986-1994)  
Society for Pediatric Research (elected in 1988)  
American Heart Association, Fellow in Kidney Disease  
Southwest Pediatric Nephrology Study Group (Founding member, 1980-1997)  
The Transplantation Society (1996--)  
Women in Nephrology (Council 1997-2000)

Honors & Awards:

Undergraduate:

University of Michigan Regents Alumni  
Scholarship  
Michigan Higher Education Scholarship  
National Merit Finalist, 1966  
University of Michigan Class Honors, 1969

Medical School:

Alice Crocker Lloyd Fellowship of the  
University of Michigan Alumni Council,  
Junior year medical school, 1971-72  
Lucy E. Elliott Fellowship of the University  
of Michigan Alumni Council, Senior year  
medical school, 1972-73

Postgraduate:

1975-76 National Kidney Foundation  
Fellowship

1976-77 Fellowship from The Kidney  
Foundation of Eastern Missouri and  
Metro-East

1984-88, with 5 yr certificate, 1988  
Dean's Teaching Recognition Letter,  
University of Texas Medical School at  
Houston

1988 Inducted into Society for Pediatric Research

1991 Distinguished Service Award, National  
Kidney Foundation, Inc.

Curriculum Vitae  
Susan B. Conley, M.D.

- 1992-- Listed in The Best Doctors in America published by Woodward and White, Aiken, S.C., *all editions since inception*
- 1992 Listed as one of the Bay Area's best doctors, San Francisco Focus, Sept., 1992
- 1993 Distinguished Service Award, National Kidney Foundation of Northern California
- 1993 Distinguished Service Award, National Kidney Foundation, Inc.
- 1994 Exceptional Service Award, National Kidney Foundation of Northern California
- 1996 Listed in The Best Doctors in America in American Health Magazine
- 1996 Member of the Pillars Society of Santa Clara County
- 1996 Distinguished Service Award, National Kidney Foundation, Inc.
- 1997 Listed as one of the Bay Area's best doctors (San Francisco Focus Magazine)
- 1999 Designated as a Hypertension Specialist by The American Society of Hypertension
- 2001 Listed as one of Philadelphia's best pediatric specialists by Philadelphia magazine
- 2002 Elected to the American Pediatric Society
- 2002 Listed in the Consumers' Research Council of America "Guide to America's Top Pediatricians"
- 2003 Empire Who's Who for Executives and Professionals

Editorial Boards:

- 1995--1999 Journal of Renal Nutrition
- 2001-2004 AAP Grand Rounds

Reviewer for:

- Journal of Pediatrics  
Pediatric Nephrology  
Kidney International  
Pediatrics  
American Journal of Kidney Diseases  
American Journal of Transplantation

National Committees (chronological order) of initial appointment:

Audit Committee, American Society of Pediatric Nephrology, 1979-1981  
Membership Committee, American Society of Pediatric Nephrology, 1984-1988,  
Chairman 1987-1988  
Nominating Committee, American Society of Pediatric Nephrology, 1988  
Scientific Advisory Committee, North American Pediatric Renal Transplantation  
Cooperative Study, 1986-1993  
Executive Council, Southern Society for Pediatric Research, 1988-1990  
National Medical Advisory Board, National Kidney Foundation, 1988-1991,  
1993-1996  
Council of Affiliate Leadership, National Kidney Foundation, 1988-1991,  
1993-1994  
President, Region IV (Texas, Louisiana, Arkansas, Oklahoma, New Mexico),  
National Kidney Foundation, 1990-1991  
Affiliate Relations Committee, National Kidney Foundation, 1990-1996  
Executive Committee, National Kidney Foundation Council on Transplantation,  
1991-1992  
Executive Committee, Section on Nephrology, American Academy of Pediatrics,  
1991-1995  
Task Force on Minimum Criteria for Affiliates, National Kidney Foundation,  
1992-1995  
Task Force on Early Intervention and Prevention of Renal Disease, National  
Kidney Foundation, 1993-1994  
Associate Chair, Executive Committee, National Kidney Foundation Council on  
Pediatric Nephrology, 1994--1998  
President, Region V (California, Oregon, Washington, Hawaii, Nevada, Arizona,  
Utah, Colorado), National Kidney Foundation, 1994-1996  
Executive Committee, National Medical Advisory Board, National Kidney  
Foundation, 1994-1996  
Committee on Kidney and Pancreas Transplantation, United Network for Organ  
Sharing, 1994-1996  
Della Robbia Club, American Academy of Pediatrics, Friends of Children, 1995--  
Chairman, Abstract Review Committee for Clinical Transplantation, American  
Society of Nephrology, November, 1995  
Program Chair, Pediatric Nephrology-Urology Symposium, National Kidney  
Foundation Scientific Meeting, October, 1996  
Nominating Committee, Section on Nephrology, American Academy of  
Pediatrics, 1996-97  
Council on Women in Nephrology, 1998-2000  
Executive Committee, Council on Computers and Information Technology,  
American Academy Of Pediatrics, 1999-2001  
Nominating Committee Council on Computers and Information Technology,  
American Academy of Pediatrics, 2001—  
Membership Committee (Chairman), Council on Computers and Information  
Technology, American Academy of Pediatrics, 2001—  
Nominating Committee (Chairman), Section on Home Care, American Academy  
of Pediatrics, 2005--  
Renal Informatics Committee, American Society of Nephrology, 2003-2005  
Public Policy Committee, American Society of Pediatric Nephrology, 2003--

Regional Committees:

1979-91	Representative of Hermann Hospital Dialysis and Transplantation Services to Network #11 Coordinating Council (Texas region) for End Stage Renal Disease (changed in 1987 to Network 14)
1983-84	Network #11 Coordinating Council, Planning and Development Committee
1987-88	Transplantation Committee, Texas Kidney Health Care Program, Texas Department of Health
1993-96	California Medical Association Scientific Advisory Panel on Pediatrics; Section Chair and Editor (1994-95)
1996	Honorary Dinner Committee, Medical Advisory Board Dinner honoring Joel Kopple, M.D., National Kidney Foundation of Southern California, Los Angeles, 4-27-96
1996-7	Board of Directors, Transpacific End Stage Renal Disease Network, San Francisco CA
1999--	Kidney Pancreas Committee, Gift of Life Organ Procurement Organization of the Delaware Valley, Philadelphia
2000-2001, 2005--	Pediatric Committee, Network #4 Coordinating Council for End Stage Renal Disease

Service on National Research Panels/Committees:

NIH Special Review Committee: Collaborative Studies of Kidney Disease in Children (Multicenter study grant application - Albert Einstein College of Medicine coordinating the study), Oct. 30-Nov. 1, 1985

Data & Safety Monitoring Committee: NIH (NICHD) Clinical Trial of New Drug Therapy in Treatment of Infantile Nephropathic Cystinosis (N01-HD-2-3158), 1993-1995

Drexel University College of Medicine Committees:

Library and Information Technology Committee, 2005--

St. Christopher's Hospital Committees:

1997-2001	Graduate Medical Education Committee
1998	Hospital Management Committee
1998	Chairperson, Ad Hoc Task Force on Outpatient Care
1998- -	Quality Management Committee
1998--	Peer Review Committee
1999- -	Medical Records Committee
2001-2002	Advisory Board, St. Christopher's Pediatric Associates
2002-2003	Chairperson, Task Force on Technology
2005--	Chairperson, Utilization Management Committee
2007--	IT Committee

Lucile Salter Packard Children's Hospital Committees:

1995-97	Ambulatory Care Committee
1996-97	Ethics Committee
1997	Charity Care Committee

California Pacific Medical Center Committees:

1991-94	Pediatric Executive Committee
1992-94	Chairman, Pediatric Education Committee
1992	Pediatric Quality Assurance Committee
1992-93	General Pediatrics Advisory Committee
1992-94	Graduate Medical Education Committee
1992-94	Continuing Medical Education Committee
1993	Strategic Planning Sub Task Force on Education
1993	Strategic Planning Sub Task Force on Transplantation
1993-94	Pediatric Primary Care Committee

University of Texas Health Science Center Committees:

1982-83	Child Development Center Advisory Committee
1986-89	Interfaculty Council
1988-89	Alternate Member, Committee for the Protection of Human Subjects
1989-91	Member, Committee for the Protection of Human Subjects

University of Texas Medical School Committees:

1982-86	Faculty Senate
1988-91	Faculty Senate, Vice Chairman 1989-90, <u>Chairman 1990-91</u>
1990-91	Administrative Council
1982-85	Educational Policy Committee
1982-83	Trilateral Subcommittee to Study the Senior Year
1984	Clinical Scholar Subcommittee of the Faculty Appointments, Promotion and Tenure Committee
1985 & 1989	Clinical Subcommittee to prepare for LCME Visit
1985-91	Student Evaluations and Promotions Committee
1987-88	Committee on Committees
1988-89	Psychiatry Department Chairman Search Committee
1989-90	Faculty Development Leave Committee

University of Texas Pediatric Departmental Committees/Activities:

1979-91	Housestaff Selection/Recruitment Committee
1988-91	Sponsor, Pediatric Club for Medical Students
1983-89	Residency Review Committee
1985-88	Director, Pediatric Residency Training Program
1987-88	Ad hoc Advisory Committee to the Chairman
1988-89	Lyndon Baines Johnson Hospital Pediatric Director Search Committee

Hermann Hospital Committees:

1981	Pediatric Nutrition Committee
1982-85	Transfusion Committee
1983-91	Nutrition Committee
1983-86	Nursing Advisory Committee
1983-84	Joint Practice Subcommittee of Nursing Advisory Committee
1986-88	Pediatric Subcommittee, Utilization Review Committee

Curriculum Vitae  
Susan B. Conley, M.D.

1987-91 Texas Kidney Institute Pediatric Advisory Committee  
1988-89 Home Health Care Committee  
1988-91 Children's Miracle Network Telethon Committee - U.T.  
Faculty liaison  
1989 Special Guest Committee Chairman, i.e. Hospitality  
Chairman for guests and volunteers, Children's Miracle  
Network Telethon  
1989-91 Medical Staff Affairs Committee, Hermann Hospital

Service to the Community:

1983-91 Medical Advisory Board, National Kidney Foundation of  
Southeast Texas  
1983-91 Camp Cullen (Dialysis Camp) Committee (Chairman, 1985-  
present) and Camp Physician, National Kidney Foundation  
of Southeast Texas  
1986-88 Secretary, Medical Advisory Board, National Kidney  
Foundation of Southeast Texas  
1988-90 Chairman, Medical Advisory Board, National Kidney  
Foundation of Southeast Texas  
1988-91 Executive Committee, Board of Directors, National Kidney  
Foundation of Southeast Texas  
1989 Chairman, Nominating Committee, National Kidney  
Foundation of Southeast Texas  
1990-91 President, Board of Directors, National Kidney Foundation of  
Southeast Texas  
1991-97 Board of Directors, National Kidney Foundation of Northern  
California  
1992-97 Executive Committee of the Board of Directors, National  
Kidney Foundation of Northern California  
1992-93 Vice-Chair and Member of Executive Committee, Medical  
Advisory Board, National Kidney Foundation of Northern  
California  
1992-93 Chairman, Medical Advisory Board Dinner Honoring Carolyn  
Forman Piel, M.D., January 30, 1993, National Kidney  
Foundation of Northern California  
1993-95 Chairman of Executive Committee, Medical Advisory Board,  
National Kidney Foundation of Northern California  
1993-97 Executive Committee, Medical Advisory Board, National  
Kidney Foundation of Northern California  
1994-95 Honorary Committee, Medical Advisory Board Dinner  
Honoring Donald Dafoe, MD, March 4, 1995, National  
Kidney Foundation of Northern California  
1995-96 Organizing Committee, Medical Advisory Board Dinner  
Honoring Patricia Schoenfeld, MD, National Kidney  
Foundation of Northern California  
1995-96 Honorary Committee, Medical Advisory Board Dinner  
Honoring Joel Kopple, MD, National Kidney Foundation of  
Southern California  
1996 Chef, Physician's Pheast Fund Raising Dinner, National  
Kidney Foundation of Northern California, February 23, 1996  
1996-97 Expert Reviewer (assessing Standard of Care of individual  
physicians), State of California, Dept of Consumer Affairs

1998-- Founder and Moderator for Nephkids, part of the National Kidney Foundation Cybernephrology Initiative, which is an effort in cooperation with the International Society of Nephrology. Nephkids is an educational and support international listserv and web page for parents and caretakers of children and adolescents with kidney disease. <http://cnserv0.nkf.med.ualberta.ca/nephkids>

#### Chapters:

1. Hogg RJ, Lum GM, Arnold WD, for the Southwest Pediatric Nephrology Study Group, Conley S (Active Member) Comparison of CAPD and CCPD in

children, in Fine, R.N., Scharer, K., and Mehls, O. (eds.): CAPD in Children. Springer-Verlag, Berlin, 1985, p. 46-51.

2. Conley SB: Supplemental (NG) Feedings of Infants Undergoing Continuous Peritoneal Dialysis, in Chronic Ambulatory Peritoneal Dialysis (CAPD) and Chronic Cycling Peritoneal Dialysis (CAPD) in Children, edited by Richard Fine, Martinus Nijhoff Publishing, Boston, 1987.
3. Bracey A, Conley SB: Use of the laboratory in pediatric transplantation, in Organ Transplantation in Children, edited by C.R. Abramowsky and R.B. Colvin, part of Perspectives in Pediatric Pathology series, S. Karger publishers, Basel, p. 6-43, 1989.
4. Verani R, Conley SB: Renal transplantation in children, in Pediatric Transplantation, in Organ Transplantation in Children, edited by C. R. Abramowsky and R. B. Colvin, part of Perspectives in Pediatric Pathology series, S Karger publishers, Basel, 1989.
5. Conley SB: Hyponatremia, in Fluid and Electrolyte Therapy, April 1990 Pediatric Clinics of North America 37:365-372, 1990.
6. Conley SB: The Psychosocial Education of Pediatric Residents: Programmatic Considerations, in Teaching More than Medicine, edited by J. van Eys, D.R. Copeland and E.R. Davidson, U. of Texas M.D. Anderson Cancer Center, Publisher, 1992.
7. Conley SB, Hammer GB: Fluid, electrolyte and neuroendocrine physiology in the critically ill pediatric patient, Chapter 5 in Pediatric Neurosurgical Intensive Care edited by Andrews BT and Hammer GB, Neurosurgical topics series, published by American Assoc of Neurological Surgeons, Lebanon, NH, May, 1997.

#### Book Review:

1. Conley SB, reviewed Principles of Organ Transplantation, edited by MW Flye, Pediatr Nephrol, 8:229, 1994.

#### Editorships:

1. Editor, Pediatric Epitomes Section, Western Journal of Medicine, April, 1995.
2. Editorial Board, Journal of Renal Nutrition.
3. Guest editor, Kidney Health 94, Published by Healthline in Collaboration with the National Kidney Foundation of Northern California, April, 1994.
4. Consulting editor, AAP Grand Rounds

#### Abstracts:

\* Presented at a national or international meeting

- \* 1. Conley SB, Brocklebank JT, Taylor IT and Robson AM: Idiopathic hyponatremia: A proposed mechanism. Presented to Midwest Society for Pediatric Research, Madison, Wisconsin, October, 1975.

- \* 2. Conley SB, Root ER, Brocklebank JT and Cole BR: Growth in children following renal transplantation. Presented to the North Central Dialysis and Transplantation Association, Dearborn, Michigan, June, 1976.
3. Conley SB, Murray BN, Root ER and Robson AM: Mechanisms of acidosis-induced proteinuria. Pediatric Research 11:548,1977.
4. Root ER, Conley SB and Robson AM: Effect of glomerular polyanion removal on proteinuria. Pediatric Research 11:555, 1977.
5. Sivakoff M, Conley SB and Hernandez A: Cardiac function in hemodialysis patients. Pediatric Research 11:558, 1977.
- \* 6. Conley SB, Rose GM, and Bier DM: Whole body protein turnover in chronically hemodialyzed children. Pediatric Research 12:539, 1978. Presented to Society for Pediatric Research, April 30, 1978.
7. Winslow C, Morriss R, Conley S, Brewer E: Rickets in very low birth weight infants: Growth exceeding mineral intake. Clin. Res. 28:897A, 1980.
8. Brewer ED, Winslow CS, Dell L, Conley SB, Morriss FH: Mineral intake in rickets of very low birth weight infants: Retrospective and prospective determination of critical intakes during growth. Pediatric Research 15(2):526, 1981.
- \* 9. Brewer ED, Winslow CS, Dell L, Conley SB, Morriss FH: Critical intakes of calcium and phosphorus to prevent rickets in very low birth weight (VLBW) infants with adequate vitamin D intake. Presented at American Society of Clinical Nutrition Meeting, Sept. 23, 1981.
- \* 10. Conley SB, Brewer ED, Gandy S, Payne W: Chronic peritoneal dialysis in infancy: Successful treatment of end-stage renal disease with achievement of normal growth rates. Presented to National Kidney Foundation Clinical Dialysis and Transplant Forum, November 22, 1981. Amer. J. Kidney Dis. Supplement, November, 1981, p. 9.
- \* 11. Hogg RJ, Southwest Pediatric Nephrology Study Group, S. Conley, Active Member: Clinicopathologic Study of IgA Nephropathy in Children. Clinical Research, 29:903(a), 1981.
12. Lum GM, Southwest Pediatric Nephrology Study Group, S. Conley, Active Member: Peritoneal Dialysis in Children: A 6 year comparative analysis. Europ J. Pediatr 140: 150(a), 1983, presented to the 6th International Pediatric Nephrology Association meeting, Hannover, Germany, Aug, 1983.
- \* 13. Hogg RJ, Southwest Pediatric Nephrology Study Group, S. Conley, Active Member: A Multicenter Study of IgA Nephropathy in Children. Kidney Int. 21:151(a), 1982. Presented to the American Society of Nephrology, Nov., 1981.
- \* 14. Silva FG, Southwest Pediatric Nephrology Study Group, S. Conley, Active Member: The Pathology of Pediatric IgA Nephropathy (Berger's Disease): A

- Retrospective Review Based on 47 Renal Biopsy Cases. Kidney Int. 21:213(a), 1982.
- \* 15. Conley SB, Brewer ED, Gandy S, Payne W: Chronic continuous peritoneal dialysis in very small children with end-stage renal disease: Achievement of normal growth rates. Clinical Research 29:903A. 1981. Presented to Southern Society for Ped. Research, January 14, 1982.
  - \* 16. Kerman R, VanBuren C, Payne W, Flechner S, Agostino G, Conley S, Brewer E, Kahan B: Influence of blood transfusions on immune responsiveness. Presented to Transfusion and Transplantation Symposium, January, 1982. Los Angeles, California.
  - \* 17. Kerman R, VanBuren C, Payne W, Flechner S, Agostino G, Conley S, Brewer E, Kahan B: Influence of blood transfusions on immune responsiveness. Proceedings of the American Society of Transplant Surgeons, June, 1982.
  - 18. Hogg RJ, Lynch RE, Conley S and Murphy J: A Network review of children and adolescents undergoing chronic dialysis. Ped. Research 16:323A, 1982.
  - \* 19. Conley SB, Brewer ED, Gandy S, Wilson D, Warren S, Payne W: Normal growth in very small children on peritoneal dialysis: 18 months experience. Amer. J. Kidney Diseases Supplement, Nov., 1982: p. 8. Presented to the Clinical Dialysis and Transplant Forum, National Kidney Foundation, Nov., 1982.
  - \* 20. Brewer ED, Winslow CS, Dell L, Conley SB, Morriss FH: Role of intakes of vitamin D, calcium and phosphorus in rickets of growing very low birth weight (VLBW) infants. Poster session presented to Fifth Workshop on Vitamin D, Williamsburg, VA., Feb. 1982.
  - \* 21. Walker, PD, Southwest Pediatric Nephrology Study Group. S. Conley, Active Member: A Multicenter Study of Childhood Nephrotic Syndrome Associated with Diffuse Mesangial Proliferation. Clinical Research 30:465(a), 1982. Presented to American Federation of Clinical Research Meeting, Washington, D.C., May, 1982.
  - \* 22. Lum GM, Southwest Pediatric Nephrology Study Group, S. Conley, Active Member: Peritoneal Dialysis in Children: A 6-Year Comparative Analysis. Clinical Dialysis and Transplant Forum Proceedings, p. 8, 1982. Presented to National Kidney Foundation Clinical Dialysis and Transplant Forum, Nov., 1982.
  - \* 23. Conley SB, Brewer ED, VanBuren CB, Flechner SM, Payne WR, Kahan BD: Renal transplantation utilizing cyclosporine in pediatric patients 3-17 years old. Proceedings of First International Congress on Cyclosporine, Houston, Texas, May, 1983.
  - \* 24. Conley SB, Brewer ED, Reeves S Warren: Chronic nasogastric tube feeding in children on chronic peritoneal dialysis: Well-tolerated with resultant good growth. Eur. J. Pediatr. 140: (A), 1983. Presented to International Symposium of Pediatric Nephrology, August, 1983, Germany.

- \* 25. Williams JC, Butler I, Conley S, Rosenberg H, Scott C: A new glycoproteinosis due to lysosomal storage of glutamyl ribose-5-phosphate. Am. J. Hum. Genet. 35:57A, 1983. Presented to American Society of Human Genetics, 1983.
- \* 26. Hogg RJ, Southwest Pediatric Nephrology Study Group, S. Conley, Active Member: IgA Nephropathy in Children--a collaborative study. European J. Pediatr. 140:148(A), 1983. Presented to 6th International Symposium of Pediatric Nephrology, Hannover, Germany, Aug., 1983.
- \* 27. Lum GM, Southwest Pediatric Nephrology Study Group, S. Conley, Active Member: Peritoneal dialysis in children: A 6-year comparative analysis. European J. Pediatr. 140:150(A), 1983. Presented to 6th International Symposium of Pediatric Nephrology, Hannover, Germany, Sept., 1983.
- \* 28. Berry PL, Hawkins EP, Southwest Pediatric Nephrology Study Group, S. Conley, Active Member: Multicenter collaborative study of focal segmental glomerulosclerosis (FSGS) in children with nephrotic syndrome. European J. Pediatr. 140:204(A), 1983. Presented to 6th International Symposium of Pediatric Nephrology, Hannover, Germany, Sept., 1983.
- \* 29. Krous HF, Southwest Pediatric Nephrology Study Group, S. Conley, Active Member: A comparison of idiopathic and SLE-associated membranous glomerulonephropathy in 61 children with nephrotic syndrome. European J. Pediatr. 140:185, 1983. Presented to 6th International Symposium of Pediatric Nephrology, Hannover, Germany, Sept., 1983.
- \* 30. Flechner SM, Conley S, Rose G, VanBuren CT, Kerman R, Kahan BD: The impact of cyclosporine-prednisone therapy on pediatric renal transplantation. Poster presentation at the Ninth International Congress of Nephrology, Los Angeles, June, 1984.
- 31. Hogg R, Silva F, Southwest Pediatric Nephrology Study Group, S. Conley, Active Member: Development of IgA Nephropathy in 4 children with long-standing steroid-responsive nephrotic syndrome. Kidney Int. 25:167, 1984.

Studies Receiving Funding:

1. Hypercalciuria in children with isolated hematuria--NIH R01-DK32910 (funded Sept. 1, 1983-Nov. 30, 1986), S. Conley, Center P.I. at U. of Texas, Houston.
2. Natural history of mild and moderate vesicoureteric reflux in infants and children--NIH R01-DK32910 (funded Sept. 1, 1983-Nov. 30, 1986), S. Conley, Center P.I. at U. of Texas, Houston.
3. Mechanism of the anemia of renal failure in children-- NIH R01-DK32910 (funded Sept. 1, 1983-Nov. 30, 1986), S. Conley, Center P.I. at U. of Texas, Houston.
4. Dietary protein, growth, GFR in infants with renal failure-- NIH R01-DK36473-02 (funded Dec. 1, 1985-Nov. 30, 1987, supplement Dec. 1, 1987 - Dec. 31, 1988), S. Conley, Center P.I. at U. of Texas, Houston.
5. Randomized, comparative study of the use of recombinant growth hormone in children with chronic renal failure. Sponsored by Genentech, 1989-1991 at U. of Texas, Houston, 1991 - 1995 at CPMC, San Francisco, S. Conley, Center P.I.
6. Randomized placebo-controlled multicenter trial evaluating a) alternate day prednisone b) fish oil supplements in young patients with IgA nephropathy-- NIH R01-DK49368-01, 1996--ongoing, S. Conley, Center P.I. at Stanford.

Invited Presentations; Visiting Professorships:

1. Conley, S.B.: Nutritional problems of children on dialysis. Presented to Texas Dietary Association, Houston, June 23, 1982.
2. Conley, S.B.: CAPD for the Pediatric ESRD patient. Presented to American Association of Nephrology Nurses, San Antonio, July 17, 1982.
3. Conley, S.B.: Pediatric dialysis. Presented at Texas Kidney Health Care Program Symposium, Austin, Sept. 1982.
4. Conley, S.B.: Hypertension in children. Presented at American Heart Association Symposium, Houston, April, 1983.
5. Conley, S.B.: Pediatric dialysis. Presented at National Kidney Foundation Symposium, Houston, May, 1983.
6. Conley, S.B.: Cyclosporine A serum levels in children. Presented at the Third international workshop on renal insufficiency in children. Arlie, Virginia, May 3-6, 1985.
7. Conley, S.B.: Protein-energy intakes and growth in infants on CAPD. Presented at the Third international workshop on renal insufficiency in children. Arlie, Virginia, May 3-6, 1985.
8. Conley, S.B.: Visiting professor at the University of Cincinnati. Presented "Use of cyclosporine in children." July 18, 1985.

9. Conley, S.B.: Visiting lecturer at Washington University, St. Louis. Presented "Use of cyclosporine in children." July 25, 1985.
10. Conley, S.B.: Pediatrician's role in management of chronic renal failure. Invited presentation to the Texas Pediatric Society, Sept. 30, 1983.
11. Conley, S.B.: Polycystic kidney disease presenting in infancy. Invited presentation to national meeting of the American Academy of Pediatrics meeting, San Antonio, Oct. 21, 1985.
12. Conley, S.B.: Treatment of the infant with severe renal failure. Presented at the March of Dimes annual symposium, Houston, Feb. 6, 1986.
13. Conley, S.B.: Current strategies for the treatment of end stage renal disease. Joint Baylor/University of Texas Adult/Pediatric Rheumatology Conference. March 4, 1986.
14. Conley, S.B.: CPD/CAPD/CCPD in the neonate and infant. Invited presentation to the American Society of Pediatric Nephrology, Washington, D.C., May 5, 1986.
15. Conley, S.B.: Cyclosporine immunosuppression. Invited presentation at the NIH Workshop on Renal Transplantation in Children. June 30, 1986, Bethesda, Maryland.
16. Conley, S.B.: Pediatric renal transplantation. Presented at the Symposium for Texans Active in Renal Therapy, March 27, 1987, Austin.
17. Conley, S.B.: Pediatric Transplantation. Invited presentation to the South Central Association of Blood Banks. March 12, 1989, Houston, Tx.
18. Conley, S.B.: Visiting professor at University of North Carolina. Presented "End stage renal disease in the very small child," at Pediatric grand rounds, August 24, 1989. Also, Resident conference - CPC of acute glomerulonephritis.
19. Conley, S.B.: Visiting professor at Duke University. Presented "End stage renal disease in the very small child" at Pediatric grand rounds. Also presented "Withdrawing dialysis therapy" at Joint Adult-Pediatric Nephrology Conference, August 25, 1989.
20. Conley, S.B.: Moderator at International Pediatric Nephrology Association session on End Stage Renal Disease Therapy, Toronto, August 31, 1989.
21. Conley, S.B.: Moderator at Optimizing Renal Transplantation Conference at North American Pediatric Renal Transplant Cooperative Study, Session on Infection in Transplantation, Washington, D.C., Sept. 28, 1989.
22. Conley, S.B.: Invited Speaker at the 10th Annual Conference on peritoneal Dialysis, "Current Approaches to Nutritional Therapy at Centers Using Different Delivery Methods", Dallas, February 9, 1990
23. Conley, S.B.: Invited Speaker at the 10th Annual Conference on Peritoneal

- Dialysis, "Which Very Young Infants with ESRD Should Optimally Be Treated with Conservative Management", Dallas, February 9, 1990.
24. Conley, S.B.: Moderator at American Society of Pediatric Nephrology Meeting, "Clinical Controversy: What is the best approach to the steroid-resistant nephrotic patient with focal segmental glomerulosclerosis?", Anaheim, May 5, 1990.
  25. Conley, S.B.: Visiting Professor at the University of Arkansas. Presented Pediatric Grand Rounds: "End stage renal disease in the young child", October 16, 1990, and reviewed their pediatric renal transplant program, October 16-17, 1991.
  26. Conley, S.B.: Invited speaker, "When enough is enough", panelist on Withdrawal of Therapy, Third Annual Kidney Foundation of Southeast Texas Update Symposium, March 1, 1991, Houston.
  27. Conley, S.B.: Invited presentations at Pediatric Nephrology Seminar XVIII: Renal Disease in Specific Groups, Sponsored by the University of Miami, "In Utero diagnosis of urinary tract abnormalities" and "The small baby with renal failure", February 12, 1991, Miami.
  28. Conley, S.B.: Moderator--Session on outcome of pediatric renal transplantation, North American Pediatric Renal Transplant Cooperative Study meeting: "Clinical Perspectives in Pediatric Renal Transplantation", Boston, April 17, 1991.
  29. Conley, S.B.: Invited speaker, "Anti-hypertensive medications for children--an expanding arsenal", Texas Medical Association & Texas Pediatric Society joint meeting, Dallas, May 11, 1991.
  30. Conley, S.B.: Invited speaker, "Urinary tract infections in children", Pediatric grand rounds, Marin General Hospital, Larkspur, CA, October 11, 1991.
  31. Conley, S.B.: Invited speaker, "Pediatric renal osteodystrophy", Consensus Conference on the Management of Renal Osteodystrophy sponsored by Abbott Laboratories, Phoenix, December 7, 1991.
  32. Conley, S.B.: Invited speaker "What pediatric nephrologists can teach adult nephrologists", at the Fourth Annual National Kidney Foundation of Southeast Texas Update Symposium, Houston, Texas, February 28, 1992.
  33. Conley, S.B.: Invited speaker, "Approach to the child with hypertension and/or hyperlipidemia", Seton General Hospital Pediatric Grand Rounds, San Francisco, California, March 19, 1992.
  34. Conley, S.B.: Invited speaker, "Management of the pediatric patient with ESRD", and "The Pediatric Patient in the Adult Setting", Nephrology, Dialysis, Transplantation '92, Fourth Annual Conference, Monterey, California, April, 1992.
  35. Conley, S.B.: Invited speaker, "Care of the Child with a Renal Transplant", Council of Nephrology Social Workers, National Kidney Foundation of Northern California, San Francisco, California, April 20, 1992.

36. Conley, S.B.: Invited speaker, "Urinary Tract Infections in Children", Pediatric Grand Rounds, Summit Medical Center, Oakland, California, June 9, 1992.
37. Conley, S.B.: Invited speaker, "The adolescent with hypertension", American Academy of Pediatrics Section on Nephrology Fall Meeting, San Francisco, California, October 11, 1992.
38. Conley, S.B.: Moderator--Session on Infection in pediatric renal transplant patients, North American Pediatric Transplant Cooperative Study Meeting, Vancouver, Canada, October 18, 1992.
39. Conley, S.B.: Invited speaker, "Enuresis", Marin General Hospital Pediatric Grand Rounds, Larkspur, California, October 30, 1992.
40. Conley, S.B.: Invited speaker, "End stage renal disease in the child, California Transplant Donor Network, San Francisco, California, November 27, 1992.
41. Conley, S.B.: Invited speaker, "Evaluation and Treatment of Acute Renal Failure", Valley Medical Center, Fresno, February 2, 1993.
42. Conley, S.B.: Invited speaker, "Symptom Management in Polycystic Kidney Disease", Polycystic Kidney Research Foundation of Northern California, May 23, 1993, Eden Hospital Castro Valley, California.
43. Conley, S.B.: "Treatment of the Child with Renal Failure", CPMC Pediatric Primary Care Conference, Eureka, CA, March 5, 1994.
44. Conley, S.B.: Invited speaker, "Transplantation in the Pediatric Age Group", Plenary session, National Kidney Foundation Spring Clinical Meeting, Chicago, April 8, 1994.
45. Conley, S.B.: Invited speaker, "Renal Transplantation - New Advances", David Grant AirForce Medical Center, California April 10, 1995.
46. Conley, S.B.: Invited speaker, "Approach to the child with end stage renal disease", Santa Clara Valley Medical Center Grand Rounds, San Jose, CA, June 14, 1995.
47. Conley, S.B.: Invited speaker, "Genetics and renal disease", Kapiolani Women's Center, Honolulu, HI, July 12, 1995.
48. Conley, S.B.: Invited speaker, National Kidney Foundation Symposium on Communicating with Legislators, National Kidney Foundation Annual Meeting, San Diego, CA, November 4, 1995.
49. Conley, S.B., Danovitch G.M.: Moderators, Clinical Transplantation, Free Communications, American Society of Nephrology, Baltimore, November 7, 1995.
50. Conley, S.B.: Invited speaker, "Approach to the child with renal insufficiency", Pediatric Grand Rounds, El-Camino Hospital, Mountainview, CA, April 22, 1996.

51. Conley, S.B.: Invited speaker, "Impact of renal failure on bones and nutrition in children", National Kidney Foundation of Northern California, Annual Scientific Symposium, September 23, 1996.
52. Conley, S.B.: Moderator, Session in Pathology: The Spectrum of Minimal Change, Mesangial Proliferation and Focal and Segmental Glomerulosclerosis. National Kidney Foundation Fifth Annual Spring Clinical Nephrology Meetings, Anaheim, April 28, 1996.
53. Conley, S.B.: Lunch with the experts - management of the pediatric transplant recipient one noon and management of the renal failure patient another noon, National Kidney Foundation Fifth Annual Spring Clinical Nephrology Meetings, Anaheim, April 26 & 27, 1996.
54. Conley SB: Ray A Kroc Visiting Professor. Bay State Medical Center, Tufts University School of Medicine, "Spectrum of Glomerulonephritis", June 4, 1996.
55. Conley SB: Ray A. Kroc, Visiting Professor. Bay State Medical Center, Tufts University School of Medicine, "Chronic Renal Failure", June 5, 1996.
56. Conley, S.B.: Moderator, Clinical Sciences Symposium - joint symposium of American Society of Nephrology and National Kidney Foundation at their annual meetings, topic "Renal failure in infancy", New Orleans, LA, November 3, 1996.
57. Conley SB: "Office management of hematuria and proteinuria". Montgomery County (PA) Hospital, December 15, 1997.
58. Conley SB: "Organ Allocation", Seminar sponsored by the Delaware Valley Transplant Program titled "Organ and Tissue Donation: Family Centered Care in the Pediatric Setting", at Children's Hospital of Philadelphia, April 21, 1998.
59. Conley SB: "Nephrotic Syndrome – Diagnosis and Management", Forty Seventh Annual Post-graduate Seminar, St. Christopher's Hospital for Children, June 10, 1998.
60. Conley SB: "Management of Hypertension in Children and Adolescents", Forty-eighth Annual Post-graduate Seminar, St. Christopher's Hospital for Children, June 7, 1999.
61. Conley SB: "Management of Hypertension in Children and Adolescents", Reading Medical Center, Reading, PA, August 6, 1999.
62. Conley SB: Visiting professor to the Transplant Program, Yonsei University, Seoul, Korea, February 15-17, 2000.
63. Conley SB: "Hematuria", Forty-ninth Annual Post-Graduate Seminar, St. Christopher's Hospital for Children, June, 2000.
64. Conley SB: "Hematuria", Virtua West Jersey Health System, Pediatric Grand Rounds, May 18, 2001.

65. Conley SB: "New advances in the diagnosis and management of hypertension", 50<sup>th</sup> Annual Pediatrics Update, October 10, 2001.
66. Conley SB: "Nephrotic Syndrome" Cooper Medical Center, Camden, NJ, June 18, 2003.
67. Conley SB: "Hypertension in the Child and Adolescent" Holy Redeemer Medical Center, Philadelphia, PA, January 15, 2004

University of Texas Medical School  
Pediatric Grand Rounds Presentations:

February, 1978 - Nephrotic syndrome  
March 27, 1979 - Severe hypertension  
February 12, 1980 - Chronic renal insufficiency  
May 20, 1980 - Pheochromocytoma  
September 9, 1980 - Hyponatremic syndromes  
December 23, 1980 - Hematuria and proteinuria  
May 5, 1981 - Renal function measurement  
March 2, 1982 - Approach to the child with end stage renal disease  
April 20, 1982 - Nephrosis vs. nephritis  
November 28, 1984 - End stage renal disease  
June 18, 1985 - Oxalosis

November, 1987 - Disorder of the Thirst Mechanism  
May 27, 1988 - Dialysis and Transplant of the Small Child: When to Proceed,  
When to Stop

Other University of Texas Medical School Major Presentations:

Medical Grand Rounds - End stage renal disease in small children, April 1981  
  
Peritoneal dialysis and home care for infants and young children with kidney disease. U.T. TV broadcast, February 18, 1985  
  
Clinical Nutrition Symposium, Keynote Address, Nutritional management of pediatric renal patients, November 3, 1984  
  
Quandaries in Pediatrics, cont. ed. course, Nov. 5, 1985.  
  
Clinicopathologic Conference, Hyponatremia in a 2 5/12 year old child, January 22, 1990.

California Pacific Medical Center Presentations:

Contemporary Issues in Renal Transplantation, Pacific Transplant Institute Continuing Education course, "Transplantation in infants and small children", San Francisco, September 6, 1991.  
  
Pediatric Grand Rounds, "Growth in the infant and child with renal failure", October 22, 1991.

Pediatric Grand Rounds, "Acute renal failure", April 10, 1992.
