Allen M. Pfeiffer is a Managing Director in the NY and NJ office of Duff & Phelps, and is the Global Service Leader of Dispute Consulting-Complex Valuation and Bankruptcy Litigation. Allen has more than eighteen years of valuation, solvency, damages, cash flow assessment and capital structure analysis experience and has led hundreds of engagements related to the valuation of an entire business, a security, an interest in a business or an asset.

Mr. Pfeiffer has advised both foreign and domestic buyers, sellers, joint venture partners, hedge funds, private equity funds, plaintiffs and defendants in mergers and acquisitions/corporate finance situations with regard to business valuation, damages, repurchase claims, strategic planning, raising financing, spin-offs, transaction support, bankruptcy, litigation, tax, financial reporting, solvency, valuing derivatives, fairness opinions, IP holding companies, restructurings and capital structure analysis.

The New York Supreme Court, the United States Bankruptcy Court, the American Arbitration Association and arbitrators operating under the rules of the International Chamber of Commerce have accepted Mr. Pfeiffer as a valuation and cash flow expert. In addition to his testifying experience, he has worked often as a lead consultant to attorneys in the context of retrospective solvency and many other valuation and corporate finance matters. Mr. Pfeiffer also led the team of financial advisors to the Bankruptcy Examiner for Lehman Brothers (Anton Valukas).

Mr. Pfeiffer was a Managing Director with Standard & Poor's Corporate Value Consulting at the time of its merger with Duff & Phelps in September 2005 and was a member of the CVC practice of PricewaterhouseCoopers LLP at the time of its sale to Standard & Poor's. Prior to joining Coopers & Lybrand in 1995, Mr. Pfeiffer worked for an affiliate of Alex Brown and worked as an actuarial analyst at Kwasha Lipton, a benefit consulting firm. Mr. Pfeiffer successfully completed four professional exams within his tenure as an actuary: multivariable calculus, probability theory, mathematical statistics and numerical equations.
