

CURRICULUM VITAE

DAVID B. CARR

Date: October 21, 2008

PERSONAL INFORMATION:

Date of Birth: April 29, 1959
Place of Birth: Grand Rapids, Michigan

CITIZENSHIP: USA

ADDRESS:

Office: Older Adult Health Center
4488 Forest Park, Suite 201
St. Louis, MO 63108
Phone: (314) 286-2700
Fax: (314) 286-2701

Home: 15243 Lochcrest Court
Chesterfield, MO 63017
Phone: (636) 530-7824

PRESENT POSITIONS:

1994-present Clinical Director
Division of Geriatrics and Nutritional Science
Washington University School of Medicine

1994-present Geriatric Fellowship Director
Medical Student Clerkship Director
Washington University School of Medicine

1994-present Clinician, Memory and Aging Project
Washington University School of Medicine

1998-present Associate Professor of Internal Medicine and Neurology
Washington University School of Medicine

2004-present Medical Director
Parc Provence

2005-present Medical Director
The Rehabilitation Institute of St. Louis

EDUCATION:

Undergraduate:

1977-1981 B.A., Chemistry, University of Missouri-Columbia, Columbia, MO

Graduate:

1981-1985 M.D., University of Missouri-Columbia, Columbia, MO

Postgraduate:

1985-1988 Internal Medicine Residency, Michigan State Assoc Hospitals, E. Lansing, MI

1988-1990 Geriatric Fellowship, Duke University, Durham, NC

ACADEMIC POSITIONS / EMPLOYMENT:

1994-1998 Assistant Professor of Medicine
Washington University School of Medicine

1994-2000 Jewish Center for Aged (JCA), St. Louis, MO
Medical Director
Primary Care Physician

1999-2001 Program of All-Inclusive Care for the Elderly, St. Louis, MO
Medical Director
Primary Care Physician

1999 Barnes-Jewish Extended Care (BJEC), St. Louis, MO
Medical Director
1999-2004 Primary Care Physician

UNIVERSITY AND HOSPITAL APPOINTMENTS AND COMMITTEES:

1990-1994 St. John's Mercy Medical Center, St. Louis, MO
Primary Care Physician, Division of Geriatrics

1994 Medical Director, St. John's Skilled Nursing Home, St. Louis MO

1994-present Geriatric Curriculum Development Committee

2000-present Internship Selection Committee

2004-present The Rehabilitation Institute of St. Louis, St. Louis, MO
Pharmacy and Therapeutics Committee
Medical Executive Leadership Committee
Quality Assurance Committee

2004-present Parc Provence
Medical Director
Total Quality Improvement

2006-present The Rehabilitation Institute of St. Louis
Medical Director

MEDICAL LICENSURE AND BOARD CERTIFICATION:

1985-1988 State of Michigan
1988-1990 State of North Carolina
1988 American Board of Internal Medicine
1990, 2000 Geriatric Medicine Certificate of Added Qualifications
1990-present State of Missouri

HONORS AND AWARDS:

1997 Kopolow Award for Excellence in Geriatric Psychiatry and Neurology
2003 Selected as Master Trainer in Geriatrics from the American College of Physicians
2003 Geriatric Academic Career Awards (GACA) – Assisted with Grant writing with Kellie Flood, MD-junior faculty member (Funded)
2004 Geriatric Academic Career Awards (GACA) – Assisted with Grant writing with Kyle Moylan, MD-junior faculty member (Funded)
2005-Present Selected as Master Trainer and Consultant on the Older Driver Project for the AMA
2007 Health South Regional Medical Director Leadership Award

EDITORIAL RESPONSIBILITIES:

Reviewer: *Journal of Gerontology; Medical Sciences*
Reviewer: *Journal of the American Geriatric Society*
Reviewer: *Alzheimer's Disease and Associated Disorders*
Reviewer: *Canadian Medical Association Journal*
Reviewer: *Canadian Journal on Aging*
Reviewer: *International Journal of Stroke*

PROFESSIONAL SOCIETIES AND ORGANIZATIONS:

1985-present American College of Physicians
1986-present Alpha Omega Alpha
1988-present American Geriatrics Society
2004-present American Medical Association

MAJOR INVITED PROFESSORSHIPS AND LECTURESHIPS:

Selected Recurrent Lectures

2003 Falls
Update in Primary Care Medicine
Washington University School of Medicine
CME Course

2004	Driving and Dementia in Older Adults Alzheimer's Disease: Translating Research into Practice Indiana University School of Medicine
2003-2005	Dementia and Driving Seminar for Missouri Clinicians NHTSA funded project ADRC Education core
1999-present	Internal Medicine Board Review Course Geriatrics St. Louis, MO
1999-2006	Successful Aging The Mini-Medical School Washington University School of Medicine St. Louis, MO
1999-present	Polypharmacy Ambulatory Care Rotation Internal Medicine Residency Core Curriculum St. Louis, MO
2001-present	Geriatric Syndromes VA Medicine Grand Rounds Cochran VA St. Louis, MO
2004-present	Geriatric Assessment 3 rd Year Medical Students Internal Medicine Clerkship

CONSULTING RELATIONSHIPS AND BOARD MEMBERSHIPS:

2000	AAAM/NHTSA Medical Fitness to Drive Consensus Committee
2003	Multiple Medication Use in Older Drivers SCRI contract: DTNH22-98-D-55079 Simulator study examining the effects of polypharmacy on driving skills
1990-present	Medical Legal Consult for Litigation Cases on Driving or in Long Term Care Setting
2002-present	American Medical Association Older Drivers Project Physicians Guide to Assessing and Counseling Older Drivers
2004-present	American Association on Aging DriveWell Speakers Bureau Website CME Course Medication Use and Older Drivers
2007-present	ADEPT
2007-present	SeniorSMART

RESEARCH SUPPORT:

Active

Governmental:

P50 AG05681-22 (Morris-PI) 05/01/2005 – 04/30/2010

NIA/NIH Clin. Core - \$364,883 Clin. Core - 10%

Rural Satellite - \$82,6250 Rural Satellite – 3%

Genetics Core - \$113,609 Genetics Core – 9%

“Alzheimer’s Disease Research Center (ADRC)”

The goal of this project is the interdisciplinary neurobiological research and clinical analysis of Alzheimer’s disease and other dementias.

P01 AG03991-22 (Morris-PI) 08/15/2004 – 12/31/2008

NIA/NIH Clin. Core - \$295,406 Clin. Core - 10%

“Healthy Aging and Senile Dementia (HASD)”

The goal of this project is the investigation of the natural history of senile dementia of the Alzheimer type (SDAT) including neurologic, psychiatric, psychometric and imaging data. This Core recruits, enrolls and evaluates all subjects entered into the studies of the program project.

Non-governmental:

AAA Foundation

“Medical Fitness to Drive & A Voluntary State Reporting Law”

5/1/06-10/31/06 (entire project runs through 4/30/08; 5/1/06-10/31/06;
11/1/06-10/31/07; 11/1/07-4/30/08)

First year award: \$39,319 directs, \$19,660 F&A

Grant #: 51095

WU Fund#: 46543

To characterize the efficacy of a voluntary reporting law for older drivers considered potentially unsafe due to cognitive impairment or other conditions associated with aging.

00929-0507-01; Carr (PI) 07/01/2007 – 06/30/2008

Barnes Jewish Hospital Foundation

“Fitness to Drive in Patients with Dementia”

To translate recent research findings into the development of “new technology” or a brief office test battery that is predictive of on-the-road test performance in older adults with cognitive impairment.

08-PT-02-142; Carr (PI) 10/01/2007 – 09/30/2008

Missouri Department of Transportation (MoDOT)

“Fitness-to-Drive in Older Adults with Dementia”

To translate recent research findings into a development of a “new technology” or a brief office test battery that is predictive of on-the-road test performance in older adults with cognitive impairment.

2007-006; Carr (PI) 10/01/2007 – 09/30/2008
Longer Life Foundation
“Fitness-to-Drive in Neurologically Impaired Older Adults”
To determine the feasibility and the clinical utility of assessing impaired driving behaviors and traffic safety knowledge along with novel functional abilities that are important when operating a motor vehicle.

Non-Active

BJH Foundation Grant; Cardiology ACE Unit; 2002; (Carr, Co-PI)
~\$40,000/yr.

BJH Foundation Grant; Oncology/Medicine ACE Unit; 2001, 2002, 2003;
(Carr-P.I) ~\$40,000/yr.

07-PT-02-151 (Meuser-PI/Carr-Co-PI) 10/01/2006 – 09/30/2007
MODOT (Missouri Department of Transportation) \$10,047
“Enhancing Age Specific Assessment by Missouri State Highway Patrol”
To translate current medical and research findings into practical, age-appropriate strategies in support of the driver licensing process.

07-PT-02-151 (Ulfarsson-PI/Carr-Co-PI) 10-01/2006 – 09/30/2007
MODOT (Missouri Department of Transportation) \$12,082
“Educational Booklet for Older Drivers”
To create an educational booklet for older drivers based on what has been learned from transportation safety research and crash studies concerning fragility, increased vulnerability to crashes, etc.

CLINICAL TITLE AND RESPONSIBILITIES:

1994-present Washington University School of Medicine, St. Louis, MO
Clinical Director
Division of Geriatrics and Nutritional Science
Administrative responsibilities for clinical programs

Clinical programs initiated and expanded over last 10 years:
Outpatient Older Adult Assessment Program; primary care/consultative care
Inpatient Oncology and Medicine ACE unit
Silver Service: Inpatient geriatric rehabilitation unit
Primary care/medical directorship in two long term care settings
Inpatient primary and consultative care in geriatrics

1994-present Alzheimer’s Disease Research Center, St. Louis, MO
Memory and Aging Project Clinician

- 2004-present Parc Provence, St. Louis, MO
Medical Director
Primary Care Physician
- 2004-present The Rehabilitation Institute of St. Louis, St. Louis, MO
Medical Director

TEACHING TITLE AND RESPONSIBILITIES:

- 1994-present Geriatric Educational Director, St. Louis, MO
Geriatric Fellowship Director
Clerkship Director, Medical Student Geriatrics Rotation
Coordinator/Lecturer Geriatric Symposia/Conferences
Course Director, Geriatric Clinical Core Conference
Course Director, Journal Club
