

EUGENE O. WIGGS, M.D.

CURRICULUM VITAE

**Eugene O. Wiggs, M.D.
3157 South Dallas Court
Denver, CO 80219**

Education and Medical Training:

Johns Hopkins University, A.B.
Duke University, M.D.
Denver General Hospital/
St. Joseph Hospital, Internship
Johns Hopkins Hospital
Wilmer Eye Institute Residency, Ophthalmology
Fellowship, Ophthalmic Plastic Surgery with
Dr. Byron Smith, Manhattan Eye, Ear and Throat Hospital,
New York City

Professional Practice History:

U. S. Navy	U. S. Naval Hospital
LT. USNR-MC	St. Albans, New York
LCDR at discharge	
Private Practice	Oculoplastic Surgery
	Ophthalmology

Professional Affiliations, Appointments and Honors History

American Academy of Ophthalmology
American Medical Association
Colorado Medical Society
Colorado Ophthalmological Society
Denver Medical Society
American Society of Ophthalmic Plastic and Reconstructive Surgery
International Oculoplastic Society
Consultant, Denver General Hospital
Consultant in Ophthalmic Plastic and Reconstructive Surgery, Fitzsimons
Army Medical Center
Western Trauma Association
Rocky Mountain Neurosurgical Society

EUGENE O. WIGGS, M.D.

American College of Surgeons
American Society of Contemporary Ophthalmology
American Academy of Facial Plastic and Reconstructive Surgery
Instructor, American Academy of Ophthalmology
Thesis Chairman, American Society of Ophthalmic Plastic and Reconstructive
Surgery
Treasurer, American Society of Ophthalmic Plastic and Reconstructive
Surgery
Board of Directors, International Oculoplastic Society
Honor Award, American Academy of Ophthalmology
President, Colorado Ophthalmological Society
Clinical Professor of Ophthalmology, Emeritus, University of Colorado Health
Sciences Center,
now- professor Emeritus
Chief of Ophthalmic Plastic Surgery, University of Colorado Health Sciences Center

Certification:

Diplomate, American Board of Ophthalmology
Fellow, American Board of Ophthalmology
Fellow, American Society of Ophthalmic Plastic and Reconstructive Surgery

Medical Licensure:

Colorado

Hospital Staff Appointments:

Medical Center of Aurora

Presentations, Teaching Activities:

Numerous Department of Ophthalmology lectures on Oculoplastic Surgery, clinic
supervision, surgical assists at University of Colorado Health Sciences Center, Denver
General Hospital and Fitzsimons Army Medical Center

1969

April, Johns Hopkins Hospital, Baltimore: Wilmer Residents' meeting: Retrograde Irrigation
of an Iliff Catheter in Post-dacryocystorhinostomy Obstruction

1971

June 20-23, Rocky Mountain Neurosurgical Society, Colorado Springs: Diagnosis of
Papilledema; An Ophthalmologist's Approach to Orbital Tumors

EUGENE O. WIGGS, M.D.

1972

January 19, New York Medical College, Cancun, Mexico: Repair and Reconstruction of the Eyelids

June 1, Manhattan Eye, Ear and Throat Hospital, Basal Cell Carcinoma of the Medial Canthus

1973

January, New York Medical College, Dorado Beach, Puerto Rico: Variations in Eyelid Reconstruction

April 27, Johns Hopkins Hospital, Baltimore: Fibrous Histiocytoma of the Orbit

May, International Symposium on Orbital Disorders, Amsterdam: Basal Cell Carcinoma of the Medial Canthus Its Orbital Implications

September 14, American Society of Ophthalmic Plastic and Reconstructive Surgery, Dallas: Combined Mechanism of Ectropion, Etiology and Treatment (Thesis Presentation)

October 17, American College of Surgeons, Chicago: Orbital Fractures from the Otolaryngologist's and Ophthalmologist's Viewpoint (Paper Presentation and Panel Discussion Participant)

Instructor on various oculoplastic subjects, American Academy of Ophthalmology and Otolaryngology, 1973-1994

1974

October 8, American Academy of Ophthalmology and Otolaryngology, Dallas: Morpheaform Basal Cell Carcinoma of the Canthi

1975

May 16, University of Rochester School of Medicine and Dentistry, Rochester: Congenital and Acquired Ptosis, Basal Cell Carcinoma of the Ocular Adnexa

September 21, American Society of Ophthalmic Plastic and Reconstructive Surgery, Dallas: Variations in Lower Eyelid Reconstruction

September 23, American Academy of Ophthalmology, Dallas: Blepharoplasty Complications

1976

March 2, New York Medical College: Variations in Eyelid Reconstruction, Management of Ectropion

EUGENE O. WIGGS, M.D.

December 9, Michigan Ophthalmological Society, Detroit: Lacrimal Problems and their Treatment, Eyelid Reconstruction

1977

January 4, (once yearly through 1981), University of Colorado Health Sciences Center, Lecture to Medical Students in Gross Anatomy: The Orbit

1977-1982 (twice yearly), 1983-1984 (once yearly), New York Oculoplastic Surgical Dissection Course, New York City & Environs: Blepharoplasty, Ectropion, Entropion, Dacryocystorhinostomy, Medial Canthal Tumors, Orbital Tumors

October 1, American Society of Ophthalmic Plastic and Reconstructive Surgery, Dallas: Fasanella-Servat Operation

1978

March 9, Cincinnati Society of Ophthalmology, Cincinnati: Sequence of Eyelid Reconstruction Post Tumor Resection

October 27, American Society of Ophthalmic Plastic and Reconstructive Surgery, Kansas City: Eyelid Reconstruction with Extensive Basal Cell Carcinoma of Ipsilateral Eyelids

1979

January 14-19, American Society of Contemporary Ophthalmology, Las Vegas: Management of Blepharoplasty Complications

January 25-27, Utah Ophthalmological Society, Park City: Dacryocystorhinostomy, Standard Upper Blepharoplasty, Blowout Fractures of the Orbit

February 4-12, International Ophthalmic- Oto-Plastic Surgical Congress, Rio de Janeiro: Upper Eyelid Entropion, Dacryocystorhinostomy

1980

January 18-19, Texas Tech University Medical School, El Paso: Internal Tarso-Conjunctival, Mueller's Muscle resection, Entropion Repair, Treatment of Tumors of the Upper Eyelid, Tumors of the Medial Canthus

January 26-30, Colorado Ophthalmological Society, Vail: Management of Eyelid Neoplasms, Fasanella-Servat Operation and Complicated Ptosis, Late Repair of Traumatic Ocular Adnexal Deformities, Congenital Ocular Adnexal Deformities

February 17-23, International Oculoplastic Society, Dorado Beach, Puerto Rico: Management of Eyelid Neoplasms, Blepharoplasty, Dacryocystorhinostomy

EUGENE O. WIGGS, M.D.

March 9-15, American Society of Contemporary Ophthalmology, Orlando: Management of Eyelid Neoplasms

April-May, University of Colorado Health Sciences Center, Denver: Basic Science Course (Cadaver Dissection and Lectures) : Orbit; Eyelids; Lacrimal System

June 5-6, Boston University School of Medicine Lacrimal Course, Boston: Nasolacrimal Duct Probing in Children, Dacryocystorhinostomy with Sutured Flaps, Management of Medial Ectropion

October 17-18, Wills Eye Hospital, Philadelphia: Blepharoplasty, Ocular Adnexal Trauma, Ptosis

1981

February 14-21, International Oculoplastic Society, Margarita Island, Venezuela: Controlled Levator Resection or Advancement in Acquired Ptosis, Silicone Tube Intubation with an Absent or Traumatized Canaliculus

March 10, Cleveland Ophthalmological Society, Cleveland: Management of Eyelid Tumors and Eyelid Reconstruction, Controlled Levator Resection

March 15-17, American Society of Contemporary Ophthalmology, Orlando: Update on Oculoplastic Surgery, Ptosis, Management of Eyelid Tumors

June 3-6, University of Utah-Boston University Lacrimal Course, Park City, Utah: Nasolacrimal Duct Probing of Children, Dacryocystorhinostomy with Sutured Flaps, Management of Medial Ectropion

November 1-6, American Academy of Ophthalmology, Atlanta: Surgical Treatment of the Denervated or Sagging Lower Lid

November 6, American Society of Ophthalmic Plastic and Reconstructive Surgery, Atlanta: Capillary Hemangioma of the Eyelids and Orbit

1982

January 9-15, Pan-Pacific Surgical Association, Honolulu: Eye and Adnexal Tumors

February 20-27, International Oculoplastic Society, St. Maarten, Netherland Antilles: Capillary Hemangioma of the Eyelids and Orbit

March - Washington D.C. Oculoplastic Symposium, various oculoplastic topics.

- Park City Oculoplastic Symposium, Park City, Utah: Management of Residual Basal Cell Carcinoma

EUGENE O. WIGGS, M.D.

April-May, University of Colorado Health Sciences Center, Denver: Basic Science Course (Cadaver Dissection and Lectures): Orbit, Eyelids, Lacrimal System

June 3-4, Boston University School of Medicine Lacrimal Course, Boston: Nasolacrimal Duct Probing in Children, Dacryocystorhinostomy with Sutured Flaps, Management of Secretory Excess, Management of Medial Ectropion

June 5, New England Lens Implant Society, Boston: Principles in the Management of Periocular Cancer

October 8-9, University of Texas Medical School at Houston: Controlled Levator Resection, Lacrimal Evaluation/ Dacryocystorhinostomy

October 29-30, American Society of Ophthalmic Plastic and Reconstructive Surgery, San Francisco: Upper Eyelid Transposition Flaps for Full Thickness Vertical Shortening of the Lower Eyelid, Discussion Commentator for Section on Ocular Adnexal Tumors

1983

February 12-19, International Oculoplastic Society, Barbados: Anophthalmic Problems and Their Management

February 26- March 5, Park City Oculoplastic Symposium, Park City, Utah: Standard Upper Blepharoplasty

March 7-11, Contemporary Ophthalmology, Bal Harbour, Florida: Various topics in Oculoplastic Surgery

April, George Washington University Medical Center, Washington, D.C.: Caveats re. Ocular Adnexal Cancer, Flaps in Oculoplastic Surgery

April 29, Interspecialty Facial Surgery Congress, New York City: Eyelid Reconstruction

May 12, University of Oklahoma, Dean McGee Eye Institute, Oklahoma City: Diagnosis and Treatment of Lacrimal Disorders

December 5-9, International Association of Ocular Surgeons, Honolulu: Oculoplastic Surgery Panel Discussion

1984

January 28-February 4, Park City Oculoplastic Symposium, Park City, Utah: Vascular Lesions of the Orbit

February 18-25, International Oculoplastic Society, Rose Hall, Jamaica: Flaps in Oculoplastic Surgery

March 4, American Society of Contemporary Ophthalmology, Orlando: Overview of Thyroid Ophthalmopathy

EUGENE O. WIGGS, M.D.

April-May, University of Colorado Health Sciences Center, Basic Science Course (Cadaver Dissection Course and Lectures): Orbit, Eyelids, Lacrimal System

June 3, New York Ophthalmic Surgery Congress, New York City: Flaps in Oculoplastic Surgery

June 20-22, Boston University Eye Research Institute, Boston: Nasolacrimal Duct Probing in Children, Dacryocystorhinostomy with Flaps, Lacrimal Secretory Excess, Facial Cosmetic Surgery

July 12-14, New Mexico Ophthalmological Society, Santa Fe: Blepharoplasty, Ectropion, Entropion, Levator Resection, Lacrimal Work-up, and Dacryocystorhinostomy

August 12-19, Vail Oculoplastic Symposium, Vail, Colorado: Complicated Ptosis and Blepharophimosis Syndrome, Flaps in Oculoplastic Surgery, Orbital Decompression in Thyroid Ophthalmopathy

September 1-3, Multispecialty Oculoplastic Surgery Symposium, Lexington, Kentucky: Oculoplastic Surgery, various oculoplastic topics.

November 16, American Society of Ophthalmic Plastic and Reconstructive Surgery, Atlanta: Management of the Patient with Facial Nerve Palsy and Description of a Fascia Lata Sling

1985

February 21-23, Montana Academy of Ophthalmology, Big Sky: Thyroid Ophthalmopathy Evaluation and Surgery, Ectropion Repair

February 24- March 2, Park City Oculoplastic Symposium, Park City, Utah: Involutional and Cicatricial Ectropion, Flaps in Facial Reconstruction

March 16-22, American Society of Contemporary Ophthalmology, Orlando: Anatomy of the Eyelids and Forehead, Upper Blepharoplasty, Eyelid and Lacrimal Drainage System Anatomy, Management of Involutional and Cicatricial Ectropion, Probing and Silicone Tube Intubation in Congenital Nasolacrimal Duct Obstruction

April 24, Georgetown University Medical Center, Center for Sight, Washington D.C.: Thyroid Ophthalmopathy, Flaps in Oculoplastic Surgery

April 24-27, Interspecialty Facial Surgery Congress, New York City: Orbital and Skull Fractures

1986

February 15-22, International Oculoplastic Society, Dominican Republic: Recent Advances in Flaps in Oculoplastic Surgery

EUGENE O. WIGGS, M.D.

February 22- March 1, Park City Oculoplastic Symposium, Park City, Utah: Upper Blepharoplasty

March 13-14, Contemporary Ophthalmology, Orlando: Instructor in course on Advanced Blepharoplasty, Current Concepts in Oculoplastic Surgery, Current Concepts in the Management of Deformities Resulting from Facial Nerve Paralysis

April 5, Rocky Mountain Chapter of American Society of Ophthalmic Registered Nurses, Denver: Cancer of the Ocular Adnexa

September 12-14, Multispecialty Oculoplastic Surgery Conference, Lexington, Kentucky: Flaps in Oculoplastic Surgery

October 24, Colorado ENT Society, Denver: Management of Facial Nerve Palsy, Thyroid Eye Disease
1987

March 3, Park City Oculoplastic Meeting, Park City, Utah: Orbital Blowout Fractures

March 20, American Society of Contemporary, Ophthalmology, Las Vegas: Chairman of Oculoplastic Surgery Seminar regarding Acquired Ptosis

May 22, University of Kansas Medical Center, Department of Otolaryngology, Kansas City: Surgery of Periocular Cancers, Management of Ocular Complications of Facial Nerve Palsy, Pitfalls of Blepharoplasty

June 11, National Eye Trauma Symposium, Estelle Doheny Eye Institute, Los Angeles: Orbital Blowout Fractures

July 19-22, Venezuelan Association for the Advancement of Ophthalmology International Symposium of Oculoplastic Surgery, Caracas: Orbital Floor Fractures, Conjunctivo-dacryocystorhinostomy, Lacrimal Trauma, Reconstructive Surgery of the Upper Eyelid

July 24-25, American Academy of Ophthalmology Special Focus Course, New Orleans: Dacryocystorhinostomy with Sutured Flaps, Instructor in cadaver lab

1988

March and April, Basic Science Course Orbit, Eyelid and Lacrimal System for Ophthalmology Residents of the University of Colorado Health Sciences Center

April 9, Boston Eye Research Institute, Boston: Nasolacrimal Evaluation

September 3-5, Multispecialty Oculoplastic Surgery Symposium, Lexington, Kentucky: Management Sequence in Thyroid Ophthalmopathy

EUGENE O. WIGGS, M.D.

October, American Academy of Ophthalmology, Las Vegas: National Eye Trauma Symposium: Ophthalmic Plastic Trauma Symposium

1989

March 28, St. Joseph Hospital Grand Rounds, Denver: Eye Disease in the Elderly

September 9, American Academy of Ophthalmology Hands-On Update Course, LSU. New Orleans: Dacryocystorhinostomy

October, American Academy of Ophthalmology, New Orleans: Management of Common Oculoplastic Disorders (Eyelid Reconstruction); National Eye Trauma Symposium Management of Periocular Soft Tissue Trauma

1990

March 30, American Society of Contemporary Ophthalmology, Phoenix: Advances in Oculoplastic Surgery

March and April, University of Colorado Health Sciences Center, Denver: Basic Science Course for Ophthalmology Residents Eyelid, Lacrimal and Orbit

April 29, Department of Ophthalmology, Duke University Eye Center, Durham: Flaps in Oculoplastic Surgery

May, Department of Otolaryngology, University of Colorado Health Sciences Center, Denver: Blowout Fractures of the Orbit, Refining the Upper Blepharoplasty

September 9, American Academy Ophthalmology, Special Focus Course, New Orleans: Dacryocystorhinostomy, Instructor in cadaver lab

September 28-29, Multispecialty Oculoplastic Surgery Symposium, Lexington, Kentucky: Lacrimal Testing, Moderator of Symposium on Orbital Reconstruction

October- November, American Academy of Ophthalmology, Atlanta: National Eye Trauma Symposium Principles in the Management of Periocular Trauma

1991

September 25-26, Multispecialty Oculoplastic Surgery Symposium, Lexington, Kentucky: Ectropion Repair, Moderator of Symposium on Upper Blepharoplasty

October 2-4, American Academy of Ophthalmology, Ophthalmic Plastic Surgery and Cadaver Dissection, New Haven: Lab Instructor

EUGENE O. WIGGS, M.D.

November, American Academy of Ophthalmology, Dallas: Management of Common Oculoplastic Disorders Eyelid Reconstruction and Ectropion (I participated in this course 1981-1991).

1992

American Academy of Ophthalmology, Hands-On Update Course, Yale University, New Haven, Anatomy Lab Instructor.

1993

September 14, Thyroid Eye Disease, Grand Rounds, Department of Medicine, Rose Medical Center

1994

February 2, Overview of Oculoplastic Surgery, Mercy Medical Center

March 29, University of Colorado Health Sciences Center, Denver: Basic Science Course for Ophthalmology ResidentsB Lacrimal Anatomy, Lacrimal Evaluation and Surgery

April 5, University of Colorado Health Sciences Center, Denver: Basic Science Course for Ophthalmology Residents Thyroid Ophthalmopathy

May 23, Rose Medical Center, Denver: Ophthalmology Lecture Lacrimal Evaluation, Balloon Catheter DCR, Thyroid Eye Disease

July, New Mexico Ophthalmological Society, Santa Fe: Various oculoplastic topics

September 9-12, American Academy of Ophthalmology Special Focus Course, New Orleans: Instructor in cadaver lab

September 16-17, 7th Biennial Oculoplastic Surgery Symposium, Lexington, Kentucky: Flaps in Oculoplastic Surgery

1995

April 5, St. Catherine Hospital, Garden City, Kansas: Medical Staff CME: Overview of Oculoplastic Surgery

April 27, Wilmer Residents Association Clinical Conference, Johns Hopkins, Baltimore, Maryland: Balloon Catheter DCR

October 28, American Society of Ophthalmic Plastic and Reconstructive Surgery; Nasolacrimal Intubation with Canalicular Atresia or Traumatized Canaliculus.

1996

EUGENE O. WIGGS, M.D.

October 1, Porter Hospital, Denver, Colorado: Thyroid Eye Disease

October 25, Chicago: Balloon Catheter DCR, Physician Education Seminar: Mechanics of the Lacricath Balloon Catheter and Inflation device and Adult Balloon Catheter Dacryocystorhinostomy

2000

Wilmer Residents 75th Anniversary Clinical Meeting, Johns Hopkins, Baltimore, Maryland: Compressive Optic Neuropathy in Clinically Inactive Thyroid Eye Disease after Eyelid Surgery.

Scientific Videos and Posters:
