"Diving in Contaminated Waters: The Dangers," in *Fire Engineering Magazine*. August 1991. pages 95-99

"Diving in Contaminated Waters: Equipment." in *Fire Engineering Magazine*. September 1991. pages 119-124

"Business Demos and Liability," in *Sources Magazine*. National Association of Underwater Instructors. September/October 1992. pages 59-62

"Survey: Where are all the women divers?" in *Underwater USA*, 1990.

"Diary of a Commercial Diver," In *Skin Diver Magazine*. July 1982. pages 19-22

Journal Publications

"Practical Systems for Contaminated Water Diving," in *Undersea Biomedical Research*, Vol. 18, No. 3 1991. pages 253-257

Conference Papers

"Improving Safety for Divers Working in Port Security: Polluted Water Issues in Harbor Environments," conference proceedings in *Medial Aspects of Diving Safety – UHMS Conference Proceedings 2004*. Atami, Japan.

Magazine Articles, Journal Publications, Conference Papers, and Equipment Manuals by Steven M. Barsky

"Investigating Recreational and Commercial Diving Accidents," paper presented at Joint Scientific and Hyperbaric Medicine Conference at Tokyo Medical and Dental University, Japan. November 2-3, 2004. Unpublished proceedings

"Diving in the High-Risk Environment," paper presented at the *International Police Diving Symposium*. Ontario, Canada. September 2003. Unpublished proceedings

"Update on Contaminated Water Diving -2003," presented at *Underwater Intervention 2003*, New Orleans, LA. February 2003. CD-ROM

"Marketing Your Commercial Diving Services," in *Man and Machine Underwater Conference Proceedings 1996*. New Orleans, LA. pages 27-30

"Finding a Career in Diving," in *Conference Proceedings International Conference on Underwater Education 1994*. Joint paper with Kristine Barsky. San Diego, California. pages 5-8

"Secrets of Effective Dry Suit Instruction," in *Conference Proceedings International Conference on Underwater Education 1987*. Santa Ana, California. pages 9-13

"Cold Water Diving with Vulcanized Rubber Dry Suits," in *Proceedings of Special Session on Coldwater Diving, 1987*. Seattle, Washington. pages 65-69

"Technical Specifications of a System for Contaminated Water Diving," in *Conference Proceedings Diving for Science 1986*. Tallahassee, Florida. pages 27-32

"Intelligibility Tests of the SuperLite-17 Diving Helmet," in *Diving for Science 1985*. Proceedings of the Joint International Scientific Diving Symposium. La Jolla, California. 1985. pages 177-185

"Gas Heating for Life Support to 350 Meters of Sea Water," presented at *International Diving Symposium 1984*. New Orleans, LA. February 6-8, 1984. pages 23-32

Commercial Diving Standards

"ADCI Guidelines for Diving in Contaminated Water," in *ADCI Consensus Standards 2005*. Houston, TX. Prepared jointly with R. Bauer, A. Humphrey, D. Junker, A. Steigleman, B. Stinton, and M. Ward

Equipment Manuals

"EXO-BR Full-Face Mask," prepared with Dive Lab and KMDSI for Kirby Morgan Dive Systems International. Santa Maria, CA. 2008. 101 pages

"Kirby Morgan Dive Systems Model #77 Diving Helmet Operations and Maintenance Manual," prepared with Dive Lab and KMDSI for Kirby Morgan Dive Systems International. Santa Maria, CA. 2007. 169 pages

**Magazine Articles, Journal Publications, Conference Papers, and Equipment Manuals
by Steven M. Barsky**

“Kirby Morgan Dive Systems Model #47 Diving Helmet Operations and Maintenance Manual,” prepared with Dive Lab and KMDSI for Kirby Morgan Dive Systems International. Santa Maria, CA. 2007. 145 pages

“Kirby Morgan Dive Systems Model #57 Diving Helmet Operations and Maintenance Manual,” prepared with Dive Lab and KMDSI for Kirby Morgan Dive Systems International. Santa Maria, CA. 2006. 140 pages

“SuperLite-27A/B Helmet Operations and Maintenance Manual,” prepared with Dive Lab and KMDSI for Kirby Morgan Dive Systems International. Santa Maria, CA. 2006 revision 144 pages

“Kirby Morgan Dive Systems Model #37 Diving Helmet Operations and Maintenance Manual,” prepared with Dive Lab and KMDSI for Kirby Morgan Dive Systems International. Santa Maria, CA. 2006. 144 pages

“Buoyancy Compensator Manual,” prepared for Diving Unlimited International, San Diego, CA. 1997. 66 pages

“SuperLite-27A/B Helmet Operations and Maintenance Manual,” prepared for Diving Systems International. Santa Barbara, CA. 1992. 116 pages

“Dry Suit Owners Manual,” prepared for Diving Unlimited International, San Diego, CA. 1991. 66 pages

“Dive Control System-3 Operations and Maintenance Manual,” prepared for Diving Systems International. Santa Barbara, CA. 1990. 31 pages

“Dive Control System-1 Operations and Maintenance Manual,” prepared for Diving Systems International. Santa Barbara, CA. 1984. 41 pages

“SuperLite-17A/B Helmet Operations and Maintenance Manual,” prepared for Diving Systems International. Santa Barbara, CA. 1985. 84 pages

Note: This list is not complete. I do not have records of all articles I have published. Some articles have been reprinted in different magazines under different titles.
