## Experience & Qualifications

---

Ms. Adams has 25 years of experience as an appraisal professional. The American Society of Appraisers (ASA), the oldest most rigorous accrediting appraisal organization in the United States, awarded her accreditation as a Senior Appraiser on completion of stringent requirements. All certified appraisers in the American Society of Appraisers must meet criteria of experience, testing and peer review of appraisals. She has continuously completed all mandatory reaccreditation requirements of the organization since 1982. She is currently the International secretary of ASA's Gems & Jewelry discipline and is a member of the ASA International Board of Examiners.
