

ROLLAND S. PARKER, Ph.D.
CORRESPONDENCE:
50 WEST 96TH STREET (9C)
NEW YORK, NY 10025
(212) 222-4543

Consulting Neuropsychologist
PRACTICE:
19 West 34th St. (Pent House Floor)
New York, NY 10001
212-947-7111 (x328)

LICENSED: New York; New Jersey (Lic. 747)

EDUCATION: B.A., (Psychology), University College, NYU, 1948.
Ph.D. (Clinical Psychology), Graduate School, NYU, 1959.
Neuroanatomy (NYU School of Medicine)
Human Physiology (Columbia College of Physicians and Surgeons)
Experimental Animal Surgery: NYU College of Dentistry

INTERNSHIP: Mt. Sinai Hospital, NYC 12/53-12/54

DIPLOMATE: American Board of Professional Psychology
1. Clinical Neuropsychology; 2. Clinical Psychology

ACADEMIC AFFILIATIONS:

Adjunct Professor of Clinical Neurology: 4/92-
New York University Medical Center (9/91-)
Course Director, Post-Graduate Medical School:
TRAUMATIC BRAIN INJURY, 4/96-date
Asst. Professor: Neurology (2/92-1995); Psychiatry (5/88-1995)
New York Medical College
My assignment was to teach residents and medical students the neuropsychological consequences of head injury.

AUTHORIZED: Workers Compensation Board (SO-2202-0)
Consultant: Div. of Special Education, NYC Board of Education
New York State: Vocational and Educational Services for Individuals with Disabilities (VESID)
Medicare Provider (V05921)

HONORS

Founder's Day Award, New York Univ. 1959, "For Outstanding Scholarship."
President, Brooklyn Psychological Association, 1968-1969.
Holocaust Memorial Award, New York Society of Clinical Psychologists 1974,
For research into stress and social oppression.

PROFESSIONAL AND SCIENTIFIC ORGANIZATIONS

American Academy of Clinical Neuropsychology
American Academy of Neurology (Affiliate)
American Association for the Advancement of Science
International Brain Injury Association; International Neuropsychological Soc.
Neurotrauma Society; American Psychological Association
Divisions: Clinical; Neuropsychology; Independent Practice
American Society of Legal and Industrial Medicine
Int. Soc. for Traumatic Stress Studies; New York Academy of Sciences;
Soc. For Personality Assessment (Fellow); Soc. for Traumatic Stress Disorders;
New York Academy of Traumatic Brain Injury, Inc., (president and organizer).

PRIVATE PRACTICE

Neuropsychological Examinations and Consultations: Since 1985, my practice has been confined to evaluation of individuals and counseling of patients and their families who have had traumatic brain injury, emotional trauma, neurological disease of the brain, and individuals of all ages with learning disabilities. T.B.I examinations include: motor vehicle accidents; falls; assaults; neurotoxins (including lead); falling objects; anoxia, carbon monoxide; electrical shock; burns and scarring; medical conditions. Emotional trauma includes false arrest and/or incarceration, rape, etc. These patients are referred by neurologists, psychiatrists, physiatrists, psychologists, U.S. Dept. of Justice, court-ordered competency exam, insurance companies, speech pathologists; attorneys and self-referral. I.M.E. and disability examinations for insurance companies.

Professional services: examination of the patient; counseling patients and parents; record review; data base searches.

CONFERENCE ORGANIZATION

- MINOR HEAD INJURY AND WHIPLASH: DIAGNOSIS AND TREATMENT
Associate Director: Selected Faculty for a one-day conference, co-sponsored by the NY VA Medical Center and the Department of Neurology, NYU Medical Center, 11/20/92.
- MINOR BRAIN TRAUMA: RECOGNITION, TREATMENT, REHABILITATION
American Academy of Neurological and Orthopedic Surgeons, 9/11/93.
- CONCUSSIVE BRAIN TRAUMA. Full day conference, New York Academy of Traumatic Brain Injury, 2/28/98, New York City.
- TRAUMATIC BRAIN INJURY. Two-day conference, New York Academy of Traumatic Brain Injury (NYATBI), 3/26,27/99, New York City.
- TRAUMATIC BRAIN INJURY. Two-day conference, (NYATBI), 3/31; 4/1/00. New York City.
- ALTERNATE TREATMENTS FOR TRAUMATIC BRAIN INJURY, Full Day, (NYATBI), 11/18/2000.
- TRAUMATIC BRAIN INJURY: DIAGNOSIS; ASSESSMENT OF DISABILITY; REHABILITATION", NYATBI, 3/30,31/2001
- CHILDHOOD TRAUMA: Brain Injury and Disaster, 12/1/2001. NYATBI.
- ACCIDENTS CREATING TRAUMATIC BRAIN INJURY CONSIDERED AS A MULTI-SYSTEM PHENOMENON: NEUROBEHAVIORAL IMPLICATIONS FOR ASSESSMENT, TREATMENT & OUTCOME. 4/6/2002. NYATBI.
- (In preparation): PERSONALITY, FAMILY, AND PSYCHIATRIC DISORDERS CONSEQUENT TO TRAUMATIC BRAIN INJURY: Fordham University, 12/7/2002.

LECTURES

- V.A. NYU Department of Neurology Brain Trauma Conference, 11/20/92. The range of emotional disturbance after traumatic brain injury.
- New York City School Psychologists. 4/16/93 The use of the Rorschach Test in assessment of Childrens' Brain Injury.
- American Academy of Neurological and Orthopedic Surgeons, "Brain Injury Patients Inability to Express their Deficits", Las Vegas, 9/11/92.
- American Academy of Neurological and Orthopedic Surgeons, "Persistent Emotional Disorders after Traumatic Brain Injury", Las Vegas, 9/11/93,
- St. Joseph's Medical Center, Paterson, NJ, 12/1/93. Childrens' Brain Trauma.
- American Academy of Neurological and Orthopedic Surgeons, "Cognitive Disorders After Whiplash." 9/10/93.
- American Academy of Neurological and Orthopedic Surgeons, "Whiplash as Minor Head Injury." 9/11/94.
- Department of General Anesthesia and Intensive Care, Medical School, University of Vienna, Interdisciplinary Pain Conference. Head Injury. 5/2/95.
- Department of Internal Medicine, Brooklyn Hospital Center. Mild Traumatic Brain Injury, 11/21/95.

New York University Medical Center, Neuroscience Seminar, 12/2,3,1995, "The Spectrum of Emotional Disorders After Traumatic Brain Injury"; "Mild Traumatic Brain Injury-Persistent Post-Concussion Syndrome" (posters).

Lincoln Hospital, Department of Psychiatry. "Neurobehavioral effects of lead poisoning in children. 4/23/96.
