

March 2007

## CURRICULUM VITAE

**NAME:** James G. Caya, M.D.

**ADDRESSES/TELEPHONE NUMBERS:**

Home: 8156 Stagecoach Road  
Cross Plains, WI 53528  
(608) 798-1936

Office: Medical Assessment and Consultation,  
SC  
8156 Stagecoach Rd.  
Cross Plains, WI 53528  
Telephone: 608-798-1936  
Fax: 608-798-5067  
Email: [JGCayaMAC@aol.com](mailto:JGCayaMAC@aol.com)

**BIRTHPLACE:** Chicago, Illinois

**CITIZENSHIP:** U.S.A.

**NEXT OF KIN:** Apolonia (wife) 8156 Stagecoach Road, Cross  
Plains, WI  
Teresa Ann (daughter) same

**EDUCATION:** Secondary: Wilmot Union High School  
Wilmot, WI  
1966-1970  
Class Valedictorian

University: University of Wisconsin-Parkside  
Kenosha, WI  
1970-1974  
B.S. (Cum Laude) in Biology and  
History

James G. Caya

**EDUCATION (Continued):**

Post-Graduate: Medical College of Wisconsin  
Milwaukee, WI  
1974-1978  
M.D. (AOA)

Post-Doctoral Training  
Medical College of Wisconsin  
Affiliated Hospitals  
Anatomic and Clinical Pathology-  
Combined Residency Program  
1978-1982  
Academic Chairman - Jon V.  
Straumfjord, Jr., M.D., Ph.D.

Rotations: Milwaukee County Medical Complex  
Zablocki V.A. Medical Center,  
Milwaukee, WI  
Children's Hospital of Wisconsin  
Mount Sinai Medical Center  
West Allis Memorial Hospital  
Medical Examiner's Office -  
Milwaukee County  
North Carolina Memorial Hospital,  
Chapel Hill, NC (Coagulation  
disorders under the direction of  
Dr. Harold Roberts, M.D.)  
Wisconsin State Lab of Hygiene,  
Virology Section

**FELLOWSHIP TRAINING:**

Ophthalmic Pathology, under the direction of Drs. Lorenz  
Zimmerman, Ian McLean, Ahmed Hidayat. Armed Forces  
Institute of Pathology, Washington, D.C., January 1, 1984  
- June 30, 1984

James G. Caya

**PROFESSIONAL LICENSURE:**

Diplomate, National Board of Medical Examiners  
Certificate # 198285 (1979)

Wisconsin License for Medicine and Surgery Certificate #  
22315 (1979)

Pennsylvania License for Medicine and Surgery  
(unrestricted) Certificate #MD-051392-L (1993)

**SPECIALTY BOARD CERTIFICATIONS**

Anatomic Pathology, American Board of Pathology, 1982

Clinical Pathology, American Board of Pathology, 1982

International Board of Cytopathology, International  
Academy of Cytology, 1986, Diplomate #158

Hematology (Special Qualification), American Board of  
Pathology, 1989

Cytopathology (Added Qualification), American Board of  
Pathology, 1989

**MAJOR ACADEMIC APPOINTMENTS:**

INSTITUTION: University of Wisconsin Medical School -  
Madison  
Professor, Volunteer Faculty, 2002-present  
Wisconsin State Laboratory of Hygiene,  
Madison, WI  
Visiting Professor, 2002-Present  
University of Wisconsin Medical School -  
Madison  
Professor of Pathology, 2000-2002

INSTITUTION: Thomas Jefferson Medical College  
132 S. 10th Street  
Philadelphia, PA 19107  
1999-2000: Professor of Pathology

James G. Caya

**MAJOR ACADEMIC APPOINTMENTS(Continued):**

INSTITUTION: Temple University School of Medicine  
Professor of Pathology (1994-2000)

Adjunct Professor of Ophthalmology (1994-2000)

Faculty Advisor to Temple University School of Medicine Medical Students, 1995-2000

INSTITUTION: Medical College of Wisconsin  
Chief Resident in Pathology (AP/CP)1981

Assistant Professor of Pathology, 1982-1987

Graduate Faculty Member, Department of Pathology, 1982-1987

Assistant Professor of Ophthalmology, 1983-1987

Associate Clinical Professor of Ophthalmology 1987-1988

Associate Clinical Professor of Pathology, 1987-1993

INSTITUTION: Marquette University  
Adjunct Clinical Lecturer, Medical Technology Program, Hemostasis Lecture Series, 1982-1986

INSTITUTION: University of Wisconsin-Milwaukee  
Clinical Instructor, Cytopathology Course, 1986-1988

Clinical Associate Professor, School of Allied Health Professionals, 1988-1993

James G. Caya

**OTHER TEACHING APPOINTMENTS:**

Director, Pathology Residency Program, Temple University School of Medicine, 1994-1999

Director, Cell Imaging Analysis, Temple University Hospital, 1994-1996

Director, Ophthalmic Pathology, Temple University Hospital, 1994-2000

Associate Director, School of Cytotechnology, Milwaukee County Medical Complex, 1982-1987

Major Academic Advisor, Nancy J. Wollenberg, Graduate Student in Anatomic Pathology, 1984-1987 (Masters Degree Awarded to Ms. Wollenberg May 1987)

Director of "Extra-Help Sessions in Pathology" for Sophomore Medical Students, 1978-1986

Course Director, MCW Graduate School Pathology Courses: James G. Caya, M.D.

"Special Problems in Anatomic Pathology", Course #272, Spring Semester 1983; "Special Topics in Anatomic Pathology, Gross Anatomic Correlates", Course #270, Fall Semester 1983;

Readings and Research in Pathology, Course # 295, Prostate Carcinoma and its Prognostic Indication: Literature Review:, Summer 1984; Readings and Research in Pathology, "Prognostic Indicators in Prostate Carcinoma: Experimental Design", Fall 1984; Readings and Research in Pathology, Course # 295, "Prostate Carcinoma:, Spring 1985; "Special Topics in Anatomic Pathology-Fine Needle Aspiration Cytology", Course #272, Summer 1985; Readings and Research in Pathology, Course #295, "Prognostic Indicators in Prostate Carcinoma", Summer 1985; Readings and Research in Pathology, Course #299; "Prognostic Indicators in Prostate Carcinoma", Fall, 1985; Master's Thesis, Course #299, "Prognostic Indicators in Prostate Carcinoma", Spring 1986

James G. Caya

**OTHER TEACHING APPOINTMENTS (Continued):**

Associate Member, Milwaukee Regional Cancer Center, 1985-1993.

Course Director, MCW Senior Elective, "Ophthalmic Pathology", Course #1110917, 1985-1987

**HOSPITAL APPOINTMENTS:**

Director of Cytopathology, University of Wisconsin Hospital and Clinics, CSC, 600 Highland Avenue, Madison, WI, 53792-2472, 2001-2002

Director of Anatomic Pathology and Staff Pathologist, William S. Middleton Veterans Administration Medical Center, Madison, Wisconsin, 2001-2002

Staff Pathologist, University of Wisconsin Hospital and Clinics, 600 Highland Avenue, Madison, WI 53792-2472 2000-2002

Staff Pathologist, Thomas Jefferson University Hospital 132 S. 10th Street, Philadelphia, PA 19107 1999-2000

Staff Pathologist, Temple University Hospital, 3400 N. Broad St., Philadelphia, PA 1994-1999

Staff Pathologist and Courtesy Medical Staff, St. Mary's Hospital, 2323 North Lake Drive, Milwaukee, WI 1992-1994

Staff Pathologist and Courtesy Medical Staff. St. Mary's Hospital-Ozaukee, Port Washington, WI 1992-1994

Visiting Staff, Columbia Hospital, 2025 East Newport Avenue, Milwaukee, WI 53211, 1992-1993

Staff Pathologist and Attending Medical Staff, Milwaukee County Medical Complex (MCMC), 8700 West Wisconsin Avenue, Milwaukee, WI 53226, 1982-1993

Staff Pathologist and Attending Medical Staff, Froedtert Memorial Lutheran Hospital (FMLH), 9200 West Wisconsin Avenue, Milwaukee, WI 53226, 1982-1993

James G. Caya

**HOSPITAL APPOINTMENTS (Continued):**

Associate Pathologist and Attending Medical Staff Member,  
Columbia Hospital, 2025 East Newport Avenue, Milwaukee,  
WI  
53211; 1987-1992

Director of Cytopathology, Milwaukee County Medical  
Complex, 8700 West Wisconsin Avenue, Milwaukee, WI 53226;  
1982-1987

Staff Hematopathologist, Milwaukee County Medical  
Complex, 8700 West Wisconsin Avenue, Milwaukee, WI  
53226; 1982-1987

Coagulation Staff, Milwaukee County Medical Complex, 8700  
West Wisconsin Avenue, Milwaukee, WI 53226; 1982-1987

Director of Ophthalmic Pathology, Eye Institute-Milwaukee  
County Medical Complex, 8700 West Wisconsin Avenue,  
Milwaukee, WI 53226; 1984-1988

Cytopathology Staffing, Department of Laboratory  
Medicine, Columbia Hospital, 2025 East Newport Avenue,  
Milwaukee, WI 53211; 1987-1992

Hematopathologist, Department of Laboratory Medicine,  
Columbia Hospital, 2025 East Newport Avenue, Milwaukee,  
WI 53211; 1987-1992

Medical Staffing Responsibilities in Coagulation Section,  
Department of Laboratory Medicine, Columbia Hospital,  
2025 East Newport Avenue, Milwaukee, WI 53211; 1987-1992

Medical Staffing Responsibilities in Ophthalmic  
Pathology, Department of Laboratory Medicine, Columbia  
Hospital, 2025 Newport Avenue, Milwaukee, WI 53211;  
1987-1992

**MEMBERSHIPS IN PROFESSIONAL SOCIETIES**

Alpha-Omega-Alpha Medical Honor Society, 1977-Present

Resident Member, American Society of Clinical  
Pathologists, 1979-1982

James G. Caya

Wisconsin Society of Pathologists, 1979-1994

Wisconsin Society of Cytology, 1980-Present

James G. Caya

**MEMBERSHIPS IN PROFESSIONAL SOCIETIES (Continued):**

Fellow, American Society of Clinical Pathologists, 1982-Present

Fellow, College of American Pathologists, 1982-Present

International Academy of Pathology/US Canadian Academy  
1982-Present

Medical Society of Milwaukee County, 1982-1994

State Medical Society of Wisconsin, 1982-1994

American Medical Association, 1982-1994

American Society of Cytopathology, 1982-Present

American Society of Microbiology, 1982-Present

Joint Medical Staff MCMC-FMLH, 1982-1993

American Association of Blood Banks, 1983-1994

New York Academy of Sciences, 1983-1994

American Association for Clinical Chemistry, 1983-Present

Wisconsin Histology Society, 1983-1994

American Association for the Advancement of Science,  
1983-1994

International Academy of Cytology Physician Member, 1983-Present

International Academy of Dermatopathology, 1983-1992

Association of Ophthalmic Alumni (Armed Forces Institute  
of Pathology), 1984-Present

Associate Member, Milwaukee Regional Cancer Center, 1985-1993

James G. Caya

American Association of Ophthalmic Pathologists, 1985-  
Present

**MEMBERSHIPS IN PROFESSIONAL SOCIETIES (Continued):**

Association of Clinical Scientists (Fellow), 1985-1992

International Academy of Cytology (Fellow), 1986-Present

Milwaukee Area Pathologists Society, 1986-1994

History of Medicine Club (Milwaukee), 1987-1993

Milwaukee City Wide Hemostasis Conference Group, 1987-  
1993

Milwaukee Gastroenterological Society, 1987-1994

Milwaukee County Hospital Intern and Resident Alumni  
Association, 1988-1994

International Society of Ophthalmic Pathology, 1988-1994

Milwaukee Academy of Medicine, 1988-Present

**COMMITTEES AND OTHER PROFESSIONAL ACTIVITIES**

**REGIONAL/NATIONAL/INTERNATIONAL:**

Member of Planning Committee for Pathologists Assistant  
Masters Degree Program, UW-LaCrosse, Mayo Clinic, UWHC  
Consortium, 2000-2002

Appointment to Editorial Board, Diagnostic Cytopathology,  
2001-present

Task Force on Cytopathology Qualifications for Pathology  
Residency Programs, American Society of Cytopathology,  
2000-Present

Association of Directors of Anatomic and Surgical  
Pathology, 2000-2002

Inspector for the Cytotechnology Programs Review  
Committee, American Society of Cytopathology, 1995-  
Present (most recent inspection at University of

James G. Caya

Wisconsin-Milwaukee Program, August 2, 2004)

Reviewer for journal, Diagnostic Cytopathology, 1993-  
Present

Member of Hematopathology Abstract Review Board, United  
States and Canadian Academy of Pathology, 1993-1996

James G. Caya

**COMMITTEES AND OTHER PROFESSIONAL ACTIVITIES (Continued):**

Moderator for Hematopathology Poster Session, Annual Meeting of the United States and Canadian Academy of Pathology, Washington, DC, March 1996

Inspector for the College of American Pathologists, Commission on Laboratory Accreditation, 1981-Present

Participating Pathologist in the College of American Pathologists Cytopathology (GYN) and Histology (Breast and Prostate) Quality Assurance Survey Programs, 1982-1985

Member of the Rules and Ethics Committee for the American Society of Cytology, 1984-1989

Reviewer for journal, Archives of Pathology and Laboratory Medicine, 1985

Research Member, Collaborative Ocular Melanoma Study 1986-1988

**STATE AND COUNTY:**

Member, Ethics Committee, Medical Society of Milwaukee County, 1986-1992

Cytology Liaison (Board Member) Wisconsin Society of Pathologists, 1987-1994

Scientific Program Director (Spring Meeting), Wisconsin Society of Pathologists, 1988-1994

Alternate Delegate to State Medical Society, Medical Society of Milwaukee County, 1988-1989

Quality Assurance Committee, Wisconsin Society of Pathologists 1988-1989

Chairman of Cytopathology Proficiency Testing Program Steering Committee, Wisconsin Society of Pathologists, 1988

James G. Caya

Member, Ethics Committee, Milwaukee Academy of Medicine,  
1989-1991

Member, Library Committee, Milwaukee Academy of Medicine,  
1993-1994

**UNIVERSITY OF WISCONSIN MEDICAL SCHOOL (MADISON) AND  
UNIVERSITY OF WISCONSIN HOSPITAL AND CLINICS:**

Director of Anatomic Pathology, 2000-2002

Annual Pathology Faculty Review Committee, Member, 2001-  
2002

Anatomic Pathology Quality Improvement Committee, Member,  
2000-2002

Anatomic Pathology Service Team, Member, University of  
Wisconsin Hospital and Clinics, 2000-2002

Anatomic Pathology Staff Meetings, Chairperson, 2000-2002

Breast Steering Committee, Member, University of  
Wisconsin Hospital & Clinics, 2000

Breast Steering Committee; Subcommittee on Equipment and  
Facilities, Member, 2000

Combined VA-UW Surgical Pathology Advisory Board,  
Chairperson, 2000-2002

Cytopathologist Search Committee, Chairperson, Department  
of Pathology and Laboratory Medicine 2000-2001

Dermatology Search Committee, (Dermatopathology  
position), Department of Dermatology, 2001

Executive Committee, Member, Department of Pathology and  
Laboratory Medicine, 2000-2002

Fee/Coding Committee, Department of Pathology and  
Laboratory Medicine, Member, 2000-2002

Five Year Review Committee, Member, Department of

James G. Caya

Pathology and Laboratory Medicine, 2000-2002; currently  
on subcommittees for Drs. Gilchrist, Huntington, Kurtycz  
and Norback

Forensic Pathologist Search Committee, Chairperson,  
Department of Pathology and Laboratory Medicine, 2000

James G. Caya

**UNIVERSITY OF WISCONSIN MEDICAL SCHOOL (MADISON) AND  
UNIVERSITY OF WISCONSIN HOSPITAL AND CLINICS (Continued):**

House Staff Committee, Member, Department of Pathology  
and Laboratory Medicine, 2000-2002

Laboratory Management Update Committee, Member, 2000-2002

Outreach Consultation Service Initiative, Director,  
University of Wisconsin Department of Pathology and  
Laboratory Medicine, 2000-2002

Quality Evaluation and Review Committee, Member,  
University of Wisconsin Hospital and Clinics, 2000-2002

Strategic Planning Meeting, Participant, Department of  
Pathology and Laboratory Medicine, October 14, 2000 and  
November 11, 2000 (Madison, WI)

Surgical Pathology Cancer Report Format Committee,  
Chairperson, Department of Pathology and Laboratory  
Medicine, 2000-2002

University of Wisconsin Pathology CME Course Planning  
Committee, Chairperson, 2001-2002

**TEMPLE UNIVERSITY SCHOOL OF MEDICINE and TEMPLE UNIVERSITY  
HOSPITAL:**

Chairman, Appointment and Promotion Committee, 1998-1999

Appointment and Promotion Committee, 1994-1998

Department of Pathology Education Committee, 1994-1999

Member, Temple University Hospital Residents Advisory  
Committee, 1994-1999

Member, Peer Review Committee, Temple University  
Hospital, 1996-1999

James G. Caya

**MEDICAL COLLEGE OF WISCONSIN AND AFFILIATED HOSPITALS:**

Associate Member, Cancer Center of Medical College of Wisconsin, 1985-1993

Member, Department of Pathology (Medical College of Wisconsin) Annual Report Committee (Ad Hoc), Fall 1985

Member, Clinical Research Committee of the Cancer Center of the Medical College of Wisconsin, 1985-1986

Interviewer for Medical Scientist Training Program (Medical College of Wisconsin), 1985-1986

Member, Clinical Research Program, Cancer Center of the Medical College of Wisconsin 1986-1987

Member, Department of Pathology (Medical College of Wisconsin), Faculty Evaluation and Development Committee, 1986-1987

Member, Admissions Committee (Medical College of Wisconsin), 1986-1987

Member, Intensive Care Committee, Columbia Hospital, 1987-1991

Member, Medical Records Committee, Columbia Hospital, 1987-1991

Member, Laboratory Medicine Liaison Committee, Columbia Hospital, 1987-1992

Member, Infection Control Committee, St. Mary's Hospital, 1993

**CONTINUING MEDICAL EDUCATION ACTIVITIES**

Participant in Cytology Workshops-MCW (Body Cavity Fluids, 1979; Sputum, 1979; FNA, 1980), Milwaukee, WI

International Academy of Pathology, Spring 1980 Meeting; New Orleans, LA. Four short courses in surgical pathology; thyroid, renal, endocrine, neoplasms with

James G. Caya

hormonal products.

James G. Caya

**CONTINUING MEDICAL EDUCATION ACTIVITIES (Continued)**

Group for Research in Pathology Education. Winter 1982 Meeting; New Techniques for Pathology Education, San Antonio, TX

International Academy of Cytology, 21st Tutorial on Gynecologic and Medical Cytopathology, Chicago, IL, May, 1982

American Society of Cytology, three short courses (FNA of abdominal lesions; IUD cytology; urine cytology) during the November 1982 National Meeting In Chicago, IL May 1982

American Society of Clinical Pathologists, Spring 1983 National Meeting, Chicago, IL. Courses in: DIC, breast pathology, plasma cell lesions, preleukemic states, Hodgkin's disease, soft tissue lesions, bone and joint lesions

*Wisconsin Society of Pathologists State Meetings, Educational Programs:* Spring 1979, Dr. Scully, Ovarian Neoplasms; Fall 1979, Dr. Mostofi, GU Pathology; Spring 1981, Dr. Kim, Lymphoproliferative Disorders; Fall 1981, Dr. Nakamura, Immunopathology of Autoimmune Disorders; Spring 1983, Dr. Dehner, Lung Pathology; Fall 1983, Dr. Weiland, Head and Neck Lesions; Fall 1984, Dr. Sommer, Endocrine Neoplasms; Fall 1985, Dr. Vellios, Problems in Surgical Pathology; Fall 1987, Dr. Morales, Immunoperoxidase; Spring 1988, Dr. Weiland, ENT Pathology; Fall 1988, Dr. Appelman, G.I. Pathology; Spring 1989, Dr. Dehner, Soft Tissue Neoplasms; Fall 1989, Blood Banking Problems; Spring 1990, AIDS; Spring 1991, Lyme Disease; Spring 1992, Bleeding Disorders; Fall 1992, GU Pathology; Spring 1993, Problem Cases in Surgical Pathology; Fall 1993, Gynecologic Cytopathology With Emphasis on Proficiency Testing.

Tutorial on Neoplastic Hematopathology, directed by Dr. Henry Rappaport, Pasadena, CA; October 31-November 4, 1983

Annual Meeting, Verhoeff Society (Ophthalmic Pathology),

James G. Caya

Washington, D.C.; April 28-29, 1984

Wisconsin Society of Cytology-Fall Meeting, Brookfield, WI; September 15, 1984; Dr. Frost, Respiratory and Body Fluid Cytology

**CONTINUING MEDICAL EDUCATION ACTIVITIES (Continued):**

American Society of Clinical Pathologists, Spring 1985 National Meeting, Chicago, IL. Courses in Coagulation, Liver Biopsy Interpretation, Pigmented Skin Lesions.

Armed Forces Institute of Pathology-Association of Ophthalmic Alumni, 11th Biennial Meeting (International), June 1985, Bethesda, MD; Ocular and Adnexal Lesions and Diseases.

Upper Midwest Scientific Cytology Seminar, September 27, 1985 Madison, WI; Fine Needle Aspiration Cytology.

International Academy of Cytology, 29th Tutorial on Clinical Cytology, Chicago, IL; March 15-22, 1986

Infections of Public Health Interest in WI; Madison, September 5, 1985

Sixth Annual Pathology Tutorial: Endometrium, Woods Hole, MA October 14-15, 1986

International Academy of Pathology, Annual Meeting, March 9-13, 1987, Chicago, IL; Courses in: Placental Pathology, Bone Marrow Transplantation Pathology, Breast Pathology, Soft Tissue Tumor Pathology

Problems in Bone Marrow Pathology; course presented by the Mayo Medical Laboratories, May 2, 1987; Milwaukee, WI

Diagnostic Immunohistochemistry in Surgical Pathology: Its Current Status. University of Minnesota, E.T. Bell Symposium, Minneapolis, MN; November 6, 1987

Advanced Coagulation, American Society of Clinical Pathologists, Scottsdale, AZ; January 20-22, 1988

On the Cutting Edge: Latest Developments in HIV/AIDS.

James G. Caya

State Medical Society of Wisconsin sponsored, Milwaukee, WI; April 8, 1988

DNA Probes in the Practice of Medicine: an update. American Medical Association, San Diego, CA; November 3-4, 1988

Tutorial on Neoplastic Hematopathology, directed by Dr. Richard Brunning; Universal City, CA; February 6-10, 1989

**CONTINUING MEDICAL EDUCATION ACTIVITIES (Continued):**

Home Study Review Course in Hematology, University of Wisconsin School of Medicine, Continuing Medical Education Program, February 13, 1989

Salivary Gland Tumors. American Society of Clinical Pathologists, Spring Slide Seminar Program, Chicago, IL; March 16, 1989

International Academy of Cytology, 33rd Tutorial on Clinical Cytology, Chicago, IL; August 22-29, 1989

Home Study Review Course in Infectious Diseases, University of Wisconsin School of Medicine, Continuing Medical Education Program; August 13, 1990

International Academy of Pathology, Annual Meeting, March 20-22, 1991; Courses on Molecular Pathology, Flow Cytometry and Urinary Tract Neoplasia

State AIDS/HIV Meeting sponsored by University of Wisconsin, Appleton, WI; September 23-25, 1991

Pulmonary Pathology Course sponsored by the American College of Chest Physicians, Chicago, IL; April 7-11, 1992

Bleeding and Thrombosing Diseases: Back to the Basics. Mayo Clinic, Rochester, MN; September 17-19, 1992

State AIDS/HIV Annual Meeting sponsored by the University of Wisconsin-Madison, WI; September 21-22, 1992

James G. Caya

American Society of Clinical Pathologists, Spring Meeting, March 27-April 1, 1993, Chicago, IL; Courses in GYN. cytology, Bleeding disorders

Third International Conference on the Computerized Cytology and Histology Laboratory, International Academy of Cytology, Chicago, IL March 6-9, 1994

American Society of Cytopathology, 42nd Annual Meeting, Chicago, IL; Nov. 1-6, 1994. (Courses in Gynecologic Cytology)

James G. Caya

**CONTINUING MEDICAL EDUCATION ACTIVITIES (Continued):**

American Society of Clinical Pathologists, Spring Meeting, April 23-27, 1995, Orlando, FL. Courses in: ANA testing, molecular pathology, professional speaking technics, surgical pathology of infectious diseases.

American Society of Cytopathology, 43rd Annual Meeting, New York, New York, November 1995. (Courses in Gynecologic and Non-gynecologic Cytology)

U.S. Canadian Academy of Pathology, Annual Meeting, March 24-31, 1996, Washington, D.C. Courses/Meeting on Molecular Biology, Cytopathology, Infectious Diseases

National Institutes of Health; Consensus Conference on Cervical Cancer, April 1-3, 1996, Bethesda, Maryland.

American Association of Clinical Chemistry Annual Meeting. Courses on Hemostasis, Immunology, Infectious Diseases and Drug Testing, July 30-August 1, 1996, Chicago, Ill.

Breast Fine Needle Aspiration Consensus Conference, September 9-10 1996, Bethesda, Maryland.

Prostate Biopsy Interpretation. Armed Forces Institute of Pathology, November 2-3 1996, Silver Springs, Maryland.

Tutorial on Neoplastic Hematopathology, January 20-24, 1997, San Diego, California.

ASCP-CAP Spring Meeting, April 5-10, 1997, Chicago, IL. Courses in: Autopsy Pathology, Gynecologic Cytology, Skin Neoplasms.

ASCP-CAP Fall Meeting, September 20-25, 1997, Philadelphia, PA. Courses in: Autopsy Pathology, Hematopathology, Endocrine Pathology.

American Association of Clinical Chemistry, Clinfest '97, Philadelphia, PA, October 30-31, 1997. Courses in: Cardiac Markers, Acid-base disorders, Renal function.

Medical Legal Issues in Cytopathology, Baystate Medical

James G. Caya

Center, Springfield, MA, March 27, 1998.

James G. Caya

**CONTINUING MEDICAL EDUCATION ACTIVITIES (Continued):**

Pennsylvania Society of Clinical Laboratory Sciences.  
Spring Meeting, April 20-22, 1998. King of Prussia, PA  
Courses in Flow Cytometry, Coagulation, Organ  
Transplantation.

Pennsylvania Association of Pathologists, Spring Meeting,  
May 12, 1998. Hershey, PA

American Assoc. of Clinical Chemistry 50th Annual Mtg.,  
Chicago, IL, August 3-6, 1998. Courses in: markers in  
myocardial injury; tumor markers; viral load testing  
(HIV, HCV).

Armed Forces Institute of Pathology GI Pathology Course,  
Bethesda, MD, August 16-17, 1998.

Armed Forces Institute of Pathology Hepatopathology  
Course, Bethesda, MD, August 18-20, 1998.

American Society of Clinical Pathologists Annual Fall  
Mtg.,  
Washington, DC. October 18, 1998. Course in:  
Hemoglobinopathies

ASCP Surgical Pathology, Review Course, July 20-24, 1999.  
Chicago, IL

Pathologists' Night Out, Scientific Program, Madison, WI,  
October 10, 2000.

American Society of Clinical Pathologists Spring  
Scientific Meeting, Chicago, IL, March 24-27, 2001;  
courses in prostate, ovarian and pulmonary pathology as  
well as gynecologic cytology, FNA cytology and clinical  
chemistry

Wisconsin AIDS/HIV Conference, Madison, WI; October 14-  
15, 2002.

University of Wisconsin Home Study; CME Course "Oncology  
Essentials". Successfully completed February 14, 2003

**RESEARCH GRANT ACTIVITY:**

Research in Eyelid Carcinoma; funded, in part, by:  
Improved Diagnosis and Therapy in Ophthalmology EY-04482,

James G. Caya

National Eye Institute, Bethesda, MD; 1984-1986

Collaborating Pathologist, Merit Grant, Veteran's Administration Central Office, Grant #8410-01. Effects of laser and cup forcep injury on dog larynges and tracheas, 1983-1986

**RESEARCH GRANT ACTIVITY (Continued):**

Collaborating Pathologist, Merit Grant, Veteran's Administration Central Office. Peripheral Vascular Disease in Diabetic Patients, 1982-1987

Collaborating Pathologist, Inflammatory Factors in Tyrosine Induced Corneal Disease. National Eye Institute (Kris Lohr, M.D., primary investigator, R01 Eye-5735-01A1), 1984-1986

Co-investigating Pathologist, Image Analysis of Gynecologic Cytology Slides with the Geometric 480. Contract grant with Geometric Corp., 1986-1987

Co-investigating Pathologist, Laser Photoradiation Therapy of Epithelial Incisions Following Hematoporphyrin Sensitization in Rats. Grant from Milwaukee Regional Cancer Center; 1985-1986

Co-investigating Pathologist, Collaborative Ocular Melanoma Study. National Eye Institute, (Stuart Fine, M.D., primary investigator); 1986-1988

Co-investigating Pathologist, A Randomized Multicenter Comparative Study of Safety and Efficacy of Photodynamic Therapy Utilizing Photofrin II vs. Carbon Dioxide Laser. (Robert Toohill, local primary investigator); 1986-1987

Principal Investigator, Evaluation of Antiphospholipid Antibodies in Autoimmune Disorders. Columbia Hospital: 1987-1990

Collaborating Pathologist, "Tropomyosin Immuno-staining in Prostate and Breast Cancer". G.L. Prasad Primary Investigator (\$140,000 grant): 1997-2000

James G. Caya

Collaborating Pathologist, "Analysis of Karyotypic Instability in Colorectal Adenomas." William Dove, PhD, Primary Investigator, University of Wisconsin-Madison McArdle Cancer Center, 2001-Present

Collaborating Pathologist, "Molecular Biology of Retinoblastoma." R01-EY01917-26, NIH/NEI. Daniel Albert, MD, Primary Investigator, 2002-present

**RESEARCH GRANT ACTIVITY (Continued):**

Collaborating Pathologist, "Automated Carotid Intima Medica Thickness Measurements Using Compound Ultrasound Imaging." Christian Breburda, M.D., PhD, Principal Investigator, University of Wisconsin-Madison. 2001-2003

**ACADEMIC AND PROFESSIONAL HONORS**

B.S. Cum Laude, Biology and History, University of Wisconsin-Parkside, 1974

Alpha-Omega-Alpha Medical Honor Society, 1978

Fellow, American Society of Clinical Pathologists, 1982-Present.

**ACADEMIC AND PROFESSIONAL HONORS (Continued)**

Fellow, College of American Pathologists, 1982-Present

Physician's Recognition Award (AMA)-April, 1983

Physician's Recognition Award (AMA)-April, 1986

Fellow, International Academy of Cytology, 1986-Present

Teacher of the Year Award - 1986, presented by the Milwaukee Eye Residents (Medical College of Wisconsin Affiliated Ophthalmology Residents), June 1986

Physician's Recognition Award (AMA)-1989

Pathology Continuing Medical Education Award (ASCP),  
April  
1989

James G. Caya

Physician's Recognition Award (AMA)-April 1992

Pathology Continuing Medical Education Award (ASCP),  
April  
1992

Physician's Recognition Award AMA - April 1995

Pathology Continuing Medical Education Award (ASCP),  
April  
1995

Physicians Recognition Award AMA- April 1998

Pathology Continuing Medical Education Award (ASCP),  
April  
1998

Temple University School of Medicine "Golden Apple" Award  
for excellence in teaching medical students, Presented at  
Philadelphia, PA, May 20, 1998.

Physicians Recognition Award (AMA), June 2001

Pathology Continuing Medical Education Award (ASCP), June  
2001

Physicians Recognition Award (AMA), June 2004

James G. Caya

32. "AIDS and the General Pathologist-1990". Wisconsin Society of Pathologists Annual Spring Meeting, Green Bay, WI April 28, 1990
33. "Fungal Endophthalmitis", Fourth Annual Teaching Slide Exchange Program, sponsored by the American Association of Ophthalmic Pathologists, June 4, 1990
34. "Gynecologic Cytopathology from the Sublime to the Ridiculous: A Discussion of Timely Scientific and Socioeconomic Topics of Clinical Relevance", presented at

James G. Caya

the Fall 1990 Meeting of the Wisconsin Society of Cytology,  
Stevens Point, WI September 15, 1990

James G. Caya

**PROFESSIONAL PRESENTATIONS (Continued):**

35. "Gynecologic Cytology-The Aftermath of Pap Hysteria", presented at the Columbia Hospital Monthly Medical Staff Evening Meeting, Milwaukee, WI November 13, 1990
36. "Clinical Vignette: In Memory of John Kingsbury Frost, Cytopathologist", presented at the Milwaukee History of Medicine Club, Milwaukee, WI March 5, 1991
37. "Lyme Borreliosis and the Pathologist-An Overview", presented at the Spring 1991 Meeting of the Wisconsin Society of Pathologists, Milwaukee, WI March 5, 1991
38. "Ocular Involvement in Wegener's Granulomatosis", prepared for distribution at the 14th Biennial Meeting of the Association of Ophthalmic Alumni-Armed Forces Institute of Pathology, Bethesda, MD June 28-30, 1991
39. "Intra-ocular Echinococcus Multilocularis. An Example of Inflammation and Tissue Destruction Caused by an Intra-ocular Parasite". Fifth Annual Teaching Slide Exchange Program sponsored by the American Association of Ophthalmic Pathologists, June 15, 1991
40. "CLIA67U, BS, BSII, HCFA and More: Gynecologic Cytology in 1991", presented at Mayo Clinic, Rochester, MN August 29, 1991
41. "Malignant Melanoma of the Gallbladder", presented at the Milwaukee Gastroenterological Society, Milwaukee, WI September 11, 1991
42. "Coagulation Screening Tests: A Review", presented to the Family Practice Residency Program, St. Mary's Hospital, Milwaukee, WI October 20, 1992
43. "Breast Frozen Sections in the Community Hospital Setting", presented at Temple University School of Medicine, Philadelphia, PA January 27, 1993
44. "Merkel Cell Carcinoma and Its Separation From Malignant Lymphoma", presented at the Milwaukee Hematopathology Group, West Allis, WI. Oct. 20, 1993

James G. Caya

**PROFESSIONAL PRESENTATIONS (Continued):**

45. "Pathologist's Role in the Diagnosis of Disease" - Videotaped presentation for "Teen Health Series", produced by In Vision Communications, Inc. Filmed May 12, 1994 at Temple University Hospital, Philadelphia, PA.
46. "A Career in Laboratory Medicine" presentation for students at Benjamin Franklin High School, Philadelphia, PA, February 5, 1996.
47. "Ophthalmic Pathology for Pathology Residents." Visiting Professor Presentation, Thomas Jefferson University Hospital, Philadelphia, PA, March 7, 1996.
48. "Inflammation and Repair for the Reconstructive Surgeon" Osler Review Course. Cherry Hill, New Jersey, March 1997.
49. "An Overview of Ophthalmic Pathology". Visiting Professor Presentation, Thomas Jefferson University Hospital, Philadelphia, PA, May 1, 1997.
50. "Medical Practice Liability Issues: A Pathologist's Perspective". Presented at the Pennsylvania Assoc. Of Pathology. Hershey, Pennsylvania, May 1, 1998.
51. "Vulvar and Vaginal Pathology". Presented at the Greater Philadelphia Ob-Gyn Review Course; Philadelphia, Pennsylvania; May 8, 1998.
52. "Ophthalmic Pathology for the General Pathologist," Visiting Professor Presentation, Presented to the AP-CP Residents at Thomas Jefferson University Hospital, Philadelphia, Pennsylvania; May 21, 1998.
53. "Pathology of the Vulva and Vagina For Gynecologists," Presented at the Greater Philadelphia OB-GYN Review Course, Philadelphia, PA, April 16, 1999.
54. "The Philadelphia Story: AHERF and its Demise". Presented to the Department of Pathology, University of Wisconsin, Madison WISC; November 19, 1999.
55. "Vulvar and Vaginal Pathology Review". Presented at the

James G. Caya

Greater Philadelphia Ob-Gyn Review Course; Philadelphia, PA, April 14, 2000.

**PROFESSIONAL PRESENTATIONS (Continued):**

56. "Ophthalmic Pathology for the Surgical Pathologist." Presented at the Pathologists' Night Out Meeting, Madison, Wisconsin, April 10, 2001.
57. "Medical Liability Issues Pertaining to the Practice of Cytopathology." Presented to the American Society of Cytopathology's Cytoteleconference, June 26, 2001 (Program received at over 94 medical sites, 886 participants)
58. "What Does a Pathologist Do?" Presented at the Westside Senior Center, Madison, WI September 10, 2002.
59. "The Pathologist's Role in Diagnosing Cancer." Presented at the Neighborhood Senior Center, Madison, WI. September 11, 2002.
60. "The Pathologist's Role in Diagnosis and Management of Breast Cancer." Presented at McFarland Senior Center. McFarland, WI. October 7, 2002.
61. "The Roles of Pathologists and Other Laboratory Professionals in Health Care." Presented at Madison Central Lions Club. Madison, WI, October 8, 2002.
62. "West Nile Virus." Live on air radio interview WRFW, River Falls, WI, October 8, 2002.
63. "West Nile Virus." Live on air radio interview WXCE, Amery, WI. October 11, 2002.
64. "What do Pathologists and Other Laboratorians Contribute to Our Health Care?" Presented at Verona Senior Center, Verona, WI. October 18, 2002.
65. "Forensic Pathology." Presented at Monona Kiwanis, Monona, WI. October 22, 2002.
66. "West Nile Virus and Chronic Wasting Disease." Live on air interview WLDY, Ladysmith, WI. November 7, 2002.

James G. Caya

67. "Cardiovascular Disease Testing." Presented at Madison West Side Kiwanis Club, Madison, WI. November 8, 2002.
68. "What is a Pathologist?" Madison Senior Center, Madison, WI. November 11, 2002.

**PROFESSIONAL PRESENTATIONS (Continued):**

69. "Listener Questions for a Pathologist." Live, on air, listener call-in questions format. WHA-AM 970, Madison, WI. November 19, 2002.
70. "West Nile Virus, Chronic Wasting Disease and More." WPVL AM Live on air interview, Platteville, WI. November 26, 2002.
71. "Overview of What Pathologists Contribute to Health Care." On WLKG 96.1 FM, Lake Geneva, WI. December 9, 2002.
72. "Breast Cancer." Live on air interview. WPVL. Platteville, WI. December 31, 2002.
73. "Laboratory Medicine Role in the Diagnosis of Cardiovascular Disease." Presented at Monona Senior Center, Monona, WI. January 8, 2003.
74. "Breast and Gynecologic Diseases." Presented at Fitchburg MOMS, Fitchburg, WI. January 21, 2003.
75. "Smallpox and other Infectious Diseases As They Relate to the Terrorist Threat." Presented at Fitchburg Senior Center. Fitchburg, WI. February 19, 2003.
76. "Smallpox and CWD-Just the Facts, Please." Presented at Belleville Senior Center, Belleville, WI. February 28, 2003.
77. "What are Pathology and Laboratory Medicine All About?" Presented at South Madison Coalition for the Elderly, Madison, WI. March 13, 2003.
78. "HPV-2003." Presented at Dane County Cytology Center, Madison, WI. June 4, 2003.
79. "A Basic Understanding of Pathology and Laboratory Medicine for Those Considering a Health Care Career." Presented to

James G. Caya

the University of Wisconsin-Parkside DOC Group, Madison, WI. July 29, 2003.

80. "Breast Cancer and the Cytologist." Presented at Dane County Cytology Center, Madison, WI. July 30, 2003.
81. "Pathology-What is it?" Presented at Coventry Village Assisted Living Facility, Madison, WI. March 29, 2004.
82. "So You're Interested in a Career in Pathology and Laboratory Medicine?" Presented to the University of Wisconsin-Parkside DOC Group, Madison, WI. July 28, 2004.
83. "Glandular and Pseudoglandular Cells of Importance in Gynecologic Cytology". Presented to the American Society of Clinical Pathologists Teleconference Program (Course #3195) on December 16, 2004. (Program received at 135 medical sites.)
84. "The HPV story-2005." Presented to the Pathologists' Night Out Group, University of Wisconsin-Madison Campus, Madison, WI, September 6, 2005.
85. "Glandular and Pseudoglandular Cells of Importance in Gynecologic Cytology-2005." Presented to the Wisconsin Society of Cytology. Madison, WI, September 17, 2005.
86. "A Cytologist's Guide to HPV-2005." Presented to the Wisconsin Society of Cytology. Madison, WI, September 17, 2005.
87. "Pathology and Laboratory Medicine-Beyond CIS." Presented to the University of Wisconsin-Parkside DOC Group, Madison, WI. August 2, 2006.

## **TEACHING**

### **PATHOLOGY:**

Medical Student (M-2 and M-4) and Resident teaching in Anatomic and Clinical Pathology, 1978-1993 (Medical College of Wisconsin); 1994-2000 (Temple University School of Medicine); 1999-2000 (Jefferson Medical College); University of Wisconsin Medical School and University of Wisconsin Hospital and Clinics 2000;

James G. Caya

Director of Extra-Help Sessions For Sophomore Medical Students, 1978-1986 (Medical College of Wisconsin)

Pathology for Medical Students (M-3) on Surgery Rotation (Columbia Hospital), 1987-1991

OPHTHALMOLOGY:

Medical Student and Resident Teaching in Ophthalmic Pathology, 1984-1988 (Medical College of Wisconsin); 1994-2000 (Temple University School of Medicine); 1999-2000 (Jefferson Medical College).

Resident Training in Ophthalmic Pathology at University of Wisconsin Hospital and Clinics (2000-Present)

GRADUATE:

Courses in Anatomic Pathology (#270,290,292,295), Medical College of Wisconsin, 1982-1987

James G. Caya

**TEACHING (Continued)**

ALLIED HEALTH:

Medical Technology Program, Marquette University,  
Milwaukee, WISC. (Coagulation), 1983-1986

Cytotechnology, University of Wisconsin-Milwaukee,  
1986-1993

Dental School lectures (Temple University School of  
Dentistry), 1994-1999

Physical Therapy student Lectures (Temple University  
School of Allied Health Sciences) 1995-1996

Podiatric School Lectures (Temple University School of  
Podiatric Medicine) 1999

Cytotechnology School Lectures (School of  
Cytotechnology State Lab of Hygiene, University of  
Wisconsin) 2000-Present

**PARTICIPATION IN GRADUATE STUDENT EDUCATION**

Member of Graduate Student Committee for Nancy J.  
Wollenberg 1982-1987

Major Graduate Advisor for Nancy Wallenberg, 1985-1987

**SERVICE RESPONSIBILITY AND CLINICAL CONFERENCE EXPERIENCES  
(Dating from 1982-Present):**

Surgical Pathology, including call coverage  
Hematopathology, including call coverage  
Cytopathology, including call coverage  
Cell Image Analysis (CAS 200)  
Autopsy Pathology, including call coverage  
Clinical Pathology coverages with special interest in  
Microbiology and Immunology, including call coverage

Electrophoresis  
Blood Bank Call Coverage  
Flow Cytometry Call Coverage

James G. Caya

**SERVICE RESPONSIBILITY AND CLINICAL CONFERENCE EXPERIENCES  
(Dating from 1982-Present- Continued):**

Conferences (Interdisciplinary Tumor Board, Grand Rounds,  
ENT Conference, Hepatobiliary Conference, Breast  
Conference, Morbidity and Mortality Reviews)  
Ophthalmic Pathology

**RECENT SERVICE RESPONSIBILITIES (UWHC):**

Surgical Pathology, including call coverage

Cytopathology, including FNA

Hematopathology

Autopsy Pathology, including call coverage

Ophthalmic pathology

**CURRENT CLINICAL ACTIVITIES:**

Surgical Pathology

Cytopathology

Hematopathology

Autopsy Pathology

Ophthalmic Pathology
