Expert Profile

Scott D. Salberg, CPA, MBA is the Founder and Managing Shareholder of Salberg & Company, P.A., a Certified Public Accounting and Consulting Firm providing niche services to private and publicly held companies in the areas of financial statement audits, other assurance and attest services, litigation support and expert witness testimony. Mr. Salberg and Salberg & Company have extensive experience with accounting and auditing matters relating to publicly held companies, SEC accounting rules and regulations and PCAOB auditing standards.

Previously a Senior Manager at a regional firm and a Manager with KPMG, Mr. Salberg has extensive experience serving both private and publicly held companies in a variety of industries including high technology, manufacturing and distribution, entertainment, health care, and financial services. Current engagements are located throughout the United States. Prior to his career as a Certified Public Accountant, Mr. Salberg held various electrical engineering and technical marketing positions in industry. Mr. Salberg holds a Bachelor of Engineering degree from the State University of New York at Stony Brook and an MBA with Distinction in Corporate Finance and Investments from Adelphi University. Mr. Salberg is a Certified Public Accountant in the States of Florida and Illinois. He is a member of the American Institute of Certified Public Accountants, Florida Institute of Certified Public Accountants, and National Association of Certified Valuation Analysts. Mr. Salberg also serves as an SEC technical consultant and concurring reviewer to other CPA firms.

Salberg & Company, P.A. is registered with the Public Company Accounting Oversight Board (United States) and is a member of the AICPA's Center for Public Company Audit Firms.
