G. Invited Lectures

1. Pathophysiology of Stress Ulcers: An Update. Presented at the Twentieth Annual Meeting of The Priestly Society, October 19, 1984.
2. Current Burn Therapy. Presented at the Family Practice Grand Rounds, Brady Green Community Health Center, December 17, 1986.
3. Prostaglandins and Cancer Chemotherapy: Current Research. Presented at the Buffalo Surgical Society, March 27, 1987.
4. Surgical Decision Making. Presented at The Problem Solving Workshop, University of Texas Health Science Center, February 25, 1987.
5. Clinical Management of Breast Cancer. Presented at the Texas Society of Cytology, September 26, 1987.
6. Teaching Students to Think Critically. Presented at Problem Solving Workshop - The University of Texas Health Science Center at San Antonio, July 7- 8, 1988.
7. Problem Solving - How Do We Teach It? - Presented at the University of Texas Health Science Center at San Antonio, August, 1989.
8. Teaching by Asking Questions. Presented at the Association for Surgical Education Tenth Annual Meeting in Dallas, Texas, April 4-5, 1990.
9. Recent Developments in Bio-Organic Organs - Presented at Hana Biologics, Inc., in Oakland/Alameda, California, April 20, 1990.
10. Intravascular Immune-isolated Tissue Culture – Presented at Gore Bio-Hybrid Technologies, Flagstaff Arizona, 1998.
11. “Biological Response Modifiers in Sepsis” - Presented at the Department of Surgery Grand Rounds, October 17, 1998.
12. “Everyday Ethics for Medical Professionals” - Presented at the Department of Surgery Grand Rounds, February 13, 1999.

13. "Biological Response Modifiers in Sepsis" - Presented at the Global Kybersept Investigators Meeting, Lisbon, Portugal April 15, 1999.
14. "Everyday Ethics for Medical Professionals" - Presented at the City-Wide Thoracic Surgery Grand Rounds, San Antonio, Texas, April 29, 1999.
15. "Torso-Bed Interface Pressures in Bariatric Surgical Patients: Clinical Pilot Study, Computer Model, and Directions for Investigation", Presented at the 12<sup>th</sup> Annual Symposium on Advanced Wound Care & Medical Research Forum on Wound Repair, Anaheim, California, April 26, 1999.
16. "Biological Response Modifiers in Sepsis", Presented at the Crozier-Chester Medical Center Department of Surgery Grand Rounds, Philadelphia, Pennsylvania, July 27, 1999.
17. "Anti-Thrombin III in Sepsis", Presented at the St. Agnes Department of Surgery Grand Rounds, Baltimore Maryland, August 13, 1999
18. "Ethical Issues in Clinical Research", Presented at the Department of Surgery Grand Rounds, November 13, 2000.
19. "Ethical and Legal Issues in Global Human Research: Historical Perspective and Current Controversies", Presented at the St. Mary's University Institute on World Legal Problems, Innsbruck, Austria, Summer 2001.

2000	Ad Hoc Committee to Review Criteria for Grading and Promotion of the Medical School Class, Chair
1999-2000	Clinical Promotions Committee, Chair
1999-2002	Institutional Review Board
1997-1998	Admissions Committee
1997-1999	Clinical Promotions Committee, Vice Chair

1994-1998	Institutional Animal Care Use Committee
1993-1995	University Hospital/University of Texas Health Science Center Joint Strategic Planning Committee for Ambulatory Care
1993-1995	University Hospital/University of Texas Health Science Center Joint Strategic Planning Committee for Inpatient Care and Ancillary Services
1989-1992	Institutional Patent Committee, Member
1989-1991	Institutional Review Board, Member
1988-1989	Institutional Safety Committee- Subcommittee for Chemical Safety
1987-1989	LCME Liaison Committee, Member
1985-1989	Cancer Coordinating Committee, Member
1985-1989	Institutional Research Grant Committee, Member
1986-1987	Curriculum Review Committee, Member
1984-1987	Clinical Affairs Committee, Member
1984-1987	Recreational Facilities Committee, Member
1984-1986	Multidisciplinary Cancer Education and Research Committee, Member
1983-1984	American Cancer Society Institutional Grant Selection Committee, Member
1983-1984	Institutional Safety Committee Subcommittee for Chemical Safety Committee, Member
