SUMMARY

- Strong clinical and academic credentials, including board certification in occupational medicine, certification as an independent medical examiner (Founding Director of American Board of Independent Medical Examiners); fellowship status in occupational medicine (Fellow American College of Occupational and Environmental Medicine) and disability evaluation (Fellow American Academy of Disability Evaluating Physicians); Certification in Evaluation of Disability and Impairment Rating; Certified Impairment Rater; Master Fellow, Academy of Independent Medical Examiners of Hawaii.
- Internationally recognized expert in impairment and disability assessment (with focus on musculoskeletal, mental and behavioral disorders); use of the *AMA Guides to the Evaluation of Permanent Impairment* and independent medical evaluations, in the arenas of workers' compensation, automobile casualty, Longshore and Harbor Workers Act, personal injury and long-term disability.
- Distinguished professional speaker and trainer who has developed and implemented many successful seminars and conferences focusing on workers' compensation, impairment and disability issues throughout the United States and internationally.
- Respected author, editor and producer of educational media, including several texts, newsletters, computer-based resources, video and audio programs; Editor-in-Chief, *AMA Guides Newsletter*.

PROFESSIONAL EXPERIENCE

- Brigham and Associates, Inc., President** **Portland, ME, 1994 – current**
Consultant, author and trainer on impairment evaluation and disability assessment, medical aspects of workers' compensation and disability management, and occupational medicine. Medical practice includes impairment evaluation reviews, medical file reviews, impairment and independent medical evaluations, consulting and clinical services.
www.impairment.com
- IME Create, LLC, Medical Director** **Farmington Hills, MI 2004 – current**
Development of Web-based technology solutions for the performance of independent medical evaluations, including IME*Create, IME*Net, IME*eServiceSuite.
www.imecreate.com
- SEAK, Inc., Executive Vice-President** **Falmouth, MA, 1990 - 1999**
SEAK, Inc. - Legal and Medical Information Systems is a leading national provider of educational resources for physicians, attorneys and other professionals. Responsibilities included design, development, and implementation of educational media (publications, newsletters, audio and video programs), seminars, and conferences on issues of workers' compensation, occupational medicine, and the medical-legal interface.
www.seak.com
- Occupational Health Resources, Inc., Vice President, Medical Affairs** **Philadelphia, PA, 1993 - 1994**
Responsibilities included product and professional staff development, physician recruitment, quality improvement, independent medical evaluation services, and professional relations (OHX was acquired by OHR in 1993)
- Occupational Health Excellence, Inc., President and Founder** **Falmouth, ME, 1988 - 1994**
Responsibilities included organizational leadership, consulting on disability assessment and management, research, training, and product development.
- Occupational Health Excellence of Maine, Senior Consultant** **Falmouth, ME, 1992 - 1997**
Developed an occupational medicine group practice. Services provided on a contractual basis.
- Health Management Systems, Inc., Medical Director** **Boston, MA, 1986 - 1988**
Independent medical evaluation network with over five hundred physicians in New England.
- Envirologic Data, Occupational Health Consultant** **Portland, ME, 1986 - 1988**
Consultation on health, toxicology and environmental risk analysis.
- St. Joseph Ambulatory Care, Inc., Medical Director** **Bangor, ME, 1985 - 1986**
Hospital-based occupational medicine program.
- Marine Health Services, Inc., President** **Bar Harbor, ME, 1980 - 1986**
Consultation and education on health problems in small boat building and marine industries.
- Emergency and Safety Programs, Inc., Consultant Medical Director** **Media, PA, 1983 - 1986**
Safety training, with emphasis on medical care in isolated environments.
- Medical Associates of Bar Harbor, Family Physician and Partner** **Bar Harbor, ME, 1979- 1985**
Multi-specialty group practice. Emphasis on occupational medicine, emergency medicine, and primary care.
- Washington University Biomedical Computer Lab., Consultant** **St. Louis, MO, 1975-1976**
Developed Quest computer-based learning system for microcomputers.
- Massachusetts General Hospital, Computer Sciences, Consultant** **Boston, MA, 1972**
Developed computer-based learning systems in MUMPS.

Rutgers Medical School, Community Medicine, Teaching Assistant **Piscataway, NJ, 1970 – 1974**
Computer consultant and teaching assistant in biomedical statistics.

Dow Jones and Company, Systems Programmer **Princeton, NJ, 1966 –1970**
Developed computer communications systems for multi-site operations.

CONSULTING PROJECTS (SELECTED)
