Dear Mr. Hill:

Your application for accreditation, a copy of which is enclosed, has been approved.

This approval means that time spent in continuing legal education activities incorporated in this accredited program may be credited against the continuing legal education requirement of fifteen (15) clock hours per year, established by Court Rule 123 of the Iowa Supreme Court.

In publicizing this accreditation, the Commission suggests that wording similar to the following statement be used:

Title of Program is accredited under the regulations of the Iowa Supreme Court Commission on Continuing Legal Education. It is planned that this program will provide up to a maximum of - 22.25 - hours of credit towards the mandatory continuing legal education requirements under the Iowa rule.

In determining the number of hours that will be available to the participants, welcoming remarks, administrative sessions, coffee breaks, lunches and similar recesses should be excluded.

If you have any questions regarding this accreditation, please contact this office.

Sincerely,

John (S) Courtney
