

## PUBLICATIONS BY DAVID T. LOWENTHAL, MD, PHD

### BOOKS:

1. Kidney Biopsy Interpretation. E. H. Jenis and D. T. Lowenthal. F. A. Davis and Company, April 1977.
2. The Spectrum of Anti-Hypertensive Drug Therapy. G. Onesti and D. T. Lowenthal. Biomedical Information Corporation, April 1977.
3. Clinical Therapeutics. D. T. Lowenthal and D. Major. Grune and Stratton, New York, August 1978.
4. Therapeutics Through Exercise. D. T. Lowenthal and W. W. Oaks. Grune and Stratton, New York, November 1979.
5. Management of the Cardiac Patient With Renal Failure. D. T. Lowenthal, R. Pennock, W. Likoff, and G. Onesti. F. A. Davis and Company, April 1981.
6. The Medicine of Exercise: Physiological Principles and Clinical Applications. A. A. Bove and D. T. Lowenthal. Academic Press, October 1983.
7. Cardiovascular Drug Therapy. J. Morganroth, W. Frishman, L. Horowitz, M. Likoff and D. T. Lowenthal. Yearbook, Medical Publ. Co., 1986.
8. The Medical Interview: A Primer for Students of the Art. Essentials of Medical Education Series. J. L. Coulehan, M. R. Block, D. T. Lowenthal, editor. F. A. Davis and Company, 1986.
9. Drug Therapy of Hypertension, J.I.M. Drayer, D. T. Lowenthal, M. Weber. Marcel Dekker Publ. Co. 1987.
10. Essentials of Biostatistics. R.L. Elston and W.D. Johnson. Essentials of Medical Education Series. D. T. Lowenthal, Editor, F. A. Davis and Co., 1987.
11. Essentials of Biochemistry. D. Schumm. Essentials of Medical Education Series. D. T. Lowenthal, Editor, F. A. Davis and Co., 1987.
12. Essentials of Gross Anatomy. J. Stern. Essentials of Medical Education Series. D. T. Lowenthal, Editor, F. A. Davis and Co., 1987.
13. Essentials of Airway Management. J. Finucane. Essentials of Medical Education Series. D. T. Lowenthal, Editor, F. A. Davis and Co., 1988.
14. Essentials of Clinical Nutrition. E. Feldman. Essentials of Medical Education Series. D. T. Lowenthal, Editor, F. A. Davis and Co., 1988.
15. Essentials of Pharmacology. M. Conn, et al. D. T. Lowenthal, Editor. Essentials of Medical Education Series. F.A. Davis and Co., 1989.
16. Geriatric Cardiology, Ed. by D. T. Lowenthal in Cardiovascular Clinics. Published by F. A. Davis Co. Philadelphia, PA 1992.
17. Monologue. IN: Attivita fisica ed invecchiamento: Una guida per la promozione della

salute nell'anziano. A. Cherubini, R. Rossi, U. Senin (Eds), EdiSES, Italy, D. Lowenthal, (Assoc Ed),USA, 2003.

18. American Journal of Geriatric Cardiology. K. R. Vincent, H.K. Vincent, R.W. Braith, V.Bhatnagar, D.T. Lowenthal, 2002

#### **ABSTRACTS:**

1. Ventricular Performance in Acute Adrenal Insufficiency in Anesthetized Dogs. D. T. Lowenthal, M.M. Reidenberg, R.W. Sevy. Clinical Research 16:516, 1968.
2. The Heart Rate Response to Atropine in Uremic Patients. D. T. Lowenthal, M.M. Reidenberg. Clinical Research 19:352, 1971.
3. Kaliuresis Without Diuresis. The Response to a New Diuretic, Metolazone. D. T. Lowenthal. L. Shear. Abstracts of the 5th Annual Meeting of the American Society of Nephrology, p. 47, 1971.
4. Clinical Experience With Home and Center Dialysis and Uremic Patients in an Urban University. D. T. Lowenthal. T. Rakowski, W. Argy, W. Cirksena, J. Knepshield, L. Siegel, G. Schreiner. Clinical Research 20:475, 1972.
5. Plasma Renin Activity (PRA) and the Development of Glycerol Induced Acute Renal Failure (ARF). D. T. Lowenthal. J. McNeil, W. Flamenbaum, T. Kotchen, W. Cirksena. Proceedings of the 5th International Congress of Nephrology, 1972.
6. Unimpaired Quinidine Elimination in Patients With Poor Renal Function of Congestive Heart Failure. K.M. Kessler, D. T. Lowenthal, T.P. Gibson, H. Warner, M.M. Reidenberg. Clinical Research 21:470, 1973.
7. Immune-Complex Nephritis (ICN) With Hepatitis Associated Antigen (HAA) in Chronic Hepatitis. D. T. Lowenthal. M. Kneiser, W.A. Briggs, E.H. Jenis. Annals of Internal Medicine 78:817, 1973.
8. Oral Propranolol T1/2 in Chronic Renal Disease (CRD). D. T. Lowenthal, W.A. Briggs, T.P. Gibson, E. Matuski, G. Demaree. Pharmacologist 15:188, 1973.
9. Procainamide (P) T1/2 and Dialysance (D) in Uremia. T.P. Gibson, D. T. Lowenthal. W.A. Briggs, H.A. Nelson, E. Matusik, G. Demaree. Pharmacologist 15:206, 1973.
10. Failure of Drug Therapy in Advanced Nephritis of NZB/W Mice. J.A. Hardin, M.C. Gelfand, D. T. Lowenthal, A.D. Steinberg. Abstracts of American Society of Nephrology, 1974.
11. Nephrectomy Still Justifiable in Selected Dialysis Patients With Refractory Hypertension. W.A. Briggs, J. Light, H. Yeager, S. Teichman, D. T. Lowenthal, T.P. Gibson. The American Society of Nephrology, 7th Annual Meeting, 1974.
12. Propranolol (P) Dosage, Serum P. Concentration (P), Plasma Renin Activity (PRA) and BP Control in Hypertensive Dialysis Patients. W.A. Briggs, D. T. Lowenthal, W. Cirksena, T.P. Gibson. Presented at the American Society of Nephrology, 7th Annual Meeting, p. 14, 1974.
13. Renal Contribution to Drug Metabolism in Man: Salicylate and Acetaminophen. G. Levy, D. T. Lowenthal. S. Oie, W.A. Briggs. Presented at the American Pharmaceutical Association Academy of Pharmaceutical Sciences Meeting, 1974.

14. Salicylate Kinetics in Chronic Renal Disease. D. T. Lowenthal. W.A. Briggs, G. Levy. *Clinical Pharmacology and Therapeutics* 15:211, 1974.
15. Acetaminophen Kinetics in Chronic Renal Failure. D. T. Lowenthal. S. Oie, W.A. Briggs, G. Levy. *The Pharmacologist* 16:219, 1974.
16. Propranolol Dose and Plasma Levels, Plasma Renin Activity and Blood Pressure Control in Hypertensive Patients. W.A. Briggs, D. T. Lowenthal. W.J. Cirksena, T.P. Gibson, G. Demaree. *The Pharmacologist* 16:318, 1974.
17. Urine and Plasma Assays for Antihypertensives in Assessing Patient Compliance. D. T. Lowenthal. M.A. Creditor, W. A. Briggs, F. L. Coe. *Clinical Pharmacology and Therapeutics* 17:239, 1975.
18. Cumulation of N-acetylprocainamide, An Active Metabolite of Procainamide, in Patients with Impaired Renal Function. D. Drayer, D. T. Lowenthal, R.L. Woosley, A. Neis, A. Schwartz, M.M. Reidenberg. Presented at Annual Meeting of American Society of Nephrology, Washington, DC, 1976. Published in *Proceedings of the American Society of Nephrology*, 1976.
19. Pharmacokinetics of Oral Propranolol. II. The Effects of Chronic Dosing and Protein Binding. D. T. Lowenthal. R.E. Mutterperl. *Clinical Pharmacology and Therapeutics* 19:111, 1976.
20. Serum Levels of Active Quinidine Metabolites in Man. D.E. Drayer, D. T. Lowenthal. K. Restivo, A. Schwartz, M.M. Reidenberg. *Circulation* 55 and 56 (Suppl. III), October 1977.
21. Timolol Maleate (TM) Pharmacokinetics in Chronic Renal Disease (CRD). J. Pitone, D. T. Lowenthal, G. Onesti, M.B. Affrime, J.F. Nancarrow, C.D. Swartz. *Clinical Pharmacology and Therapeutics* 21:114, 1977.
22. Bioavailability, Pharmacokinetics and Pharmacodynamics of Minoxidil (M) in Chronic Renal Failure (CRF). D.T. Lowenthal. R.E. Mutterperl, G. Zinns. *Clinical Pharmacology and Therapeutics* 21:114, 1977.
23. MK-447, A Prostaglandin Activator? M.B. Affrime, D. T. Lowenthal, G. Onesti, P. Busby, C.D. Swartz, B. Lei. *Clinical Pharmacology and Therapeutics* 21:97, 1977.
24. A Phase I, Single Dose Toleration Study of Indapamide (I). G. Onesti, D. T. Lowenthal, M.B. Affrime, C.D. Swartz, J. Shirk, R. Mann, R. Schultz. *Clinical Pharmacology and Therapeutics* 21:113, 1977.
25. The Effect of Renal Transplantation on Plasma Protein Binding. M.B. Affrime, D.L. Blecker, P.J. Lyons, J. Pitone, C.D. Swartz, D. T. Lowenthal. *Clinical Research* 26:609A, 1978.
26. Pharmacokinetics and Effectiveness of Prazosin in Patients With Chronic Renal Failure. D. T. Lowenthal. J. Shirk, M.B. Affrime, P. Busby, K.E. Kim, M. Fernandes, E.W. Martinez, G. Onesti, C.D. Swartz, *Clinical Pharmacology and Therapeutics* 23:119, 1978.
27. Pharmacokinetics and Effectiveness of Antihypertensive Vasodilators in Chronic Renal Failure. D. T. Lowenthal. M.B. Affrime, G. Onesti, E.W. Martinez, J. Shirk, C.D. Swartz. *Clinical Research* 26:291A, 1978. Presented at VII International Congress of Nephrology, Montreal, Canada, 1978.

28. Distribution of Propranolol (P) in the Canine Infarcted Left Ventricle. M.B. Affrime, D. T. Lowenthal, R. Levites, G. Anderson, G. Onesti, C.D. Swartz. Federation Proceedings 37:418, 1978.
29. Renin-Aldosterone Responsiveness to Amiloride in Diet-Controlled Diabetes Mellitus. D. T. Lowenthal, M.B. Affrime, G. Onesti, J. Mazzella, F. Walker, J. Shirk, C.D. Swartz. Clin. Pharm. Therap. 25:234, 1979.
30. Pharmacodynamics and Pharmacokinetics of Timolol Ophthalmic Solution. M.B. Affrime, D. T. Lowenthal, J. Shirk, J.A. Tobert, G. Onesti. Clinical Pharmacology and Therapeutics 25:211, 1979.
31. An Endocrine and Pharmacokinetic Study of a TRH Analog, MK-771 vs. TRH in Volunteers. D. T. Lowenthal, J.D. Irvin, M. B. Affrime, J. Shirk, M. Hichens, D. Phil, G. Onesti, R.O. Davies. Clinical Pharmacology and Therapeutics 27:267, 1979.
32. The Antihypertensive Response to Prazosin and Minoxidil in Patients With Normal and Abnormal Renal Function. E. Catherwood, M.B. Affrime, D. T. Lowenthal. Clinical Pharmacology and Therapeutics 27:248, 1979.
33. Apparent Volume of Distribution of Propranolol in Patients with Normal and Abnormal Renal Function. M.B. Affrime, E. Ruch, A.J. Piraino, G.J. DiGregorio, D. T. Lowenthal. Clinical Research 28:233A, 1980.
34. Effects of Beta-Adrenergic Blockade on Prolactin Secretion. J.D. Irvin, J.A. Feinberg, P.B. Huber, M. Hichens, E.L. McIntosh, G.I. Holmes, R.B. Lee, J.D. Arnold, S.L. Hayes, D. T. Lowenthal. Presented at the World Conference on Clinical Pharmacology and Therapeutics, London, August 1980. Abstracts of World Congress.
35. Endocrine and Pharmacokinetic Effects of TRH and an Analog, MK-771. D. T. Lowenthal, J.D. Irvin, M.B. Affrime, K.E. Kim, M. Hichens, G. Onesti, R.O. Davies. Presented at the World Conference on Clinical Pharmacology and Therapeutics, London, August 1980. Abstracts of World Congress.
36. The Influence of Clonidine on Potassium (K) Disposition During Aerobic Exercise. M.B. Affrime, D.T. Lowenthal, B. Falkner, A. Gould, J. Shirk, G. Onesti, B. Segal. Presented at the World Conference on Clinical Pharmacology and Therapeutics, London, August 1980. Abstracts of World Congress.
37. Dynamic Exercise Response to Clonidine in Hypertensive Adolescents. B. Falkner, D. T. Lowenthal, G. Onesti, B. Segal. Presented at the World Conference on Clinical Pharmacology and Therapeutics, London, August 1980. Abstracts of World Congress.
38. The Pharmacokinetics of Cinoxacin (C) in Varying Degrees of Renal Function. M.B. Affrime, D. T. Lowenthal, A. Schwartz, J. Shirk, A. Samuels, G. Onesti, Clinical Pharmacology and Therapeutics 27:243, 1980.
39. Pharmacokinetics of MK-771. M. Hichens, W.S. Mulcahy, S.D. White, J.D. Irvin, R.O. Davies, D. T. Lowenthal. The Pharmacologist 22(3):231, 1980.
40. Unaltered Clonidine Kinetics With Coadministration of Rifampin. D.T. Lowenthal, M.B. Affrime. Abstract presented at the Annual Meeting of the American College of Clinical Pharmacy, Scottsdale, Arizona, June 1981. Drug Intelligence and Clinical Pharmacology, June 1981.

41. Pharmacokinetics and Dialysance of Clonidine (C). D. T. Lowenthal, M.B. Affrime, A. Meyer, B. Falkner. *Clinical Research* 29:664A, 1981.
42. The Influence of Clonidine on Potassium Disposition During Aerobic Exercise. D. T. Lowenthal, J.B. Falkner, A. Gould, J. Shirk, A. Hauser, J. Borruso. *Clinical Pharmacology and Therapeutics* 29(1):231, 1981.
43. Biochemical Responses to Single and Multiple Dose Clonidine During Dynamic Physical Activity. D. T. Lowenthal, M.B. Affrime, B. Falkner, L.S. Rosenthal, S. Saris, M. Rufo. *Clinical Research* 30:254A, 1982.
44. The Pharmacodynamic Response to Prazosin Using Isometric Exercise. D. T. Lowenthal, A. Yarnoff, M.B. Affrime, B. Falkner, S. Saris, T. Hare. H. Hakki. *Clinical Research* 30:337A, 1982.
45. The Renin-Aldosterone-Potassium Response to Methyldopa During Dynamic Physical Activity. L.S. Rosenthal, D. T. Lowenthal, M.B. Affrime, B. Falkner, A.B. Gould. *Clinical Pharmacology and Therapeutics* 31:264, 1982.
46. The Influence of Uremia on the Plasma Protein Binding of Zomepirac. J.F. Pritchard, P.J. O'Neill, M.B. Affrime, D. T. Lowenthal. *Clinical Pharmacology and Therapeutics* 31:262, 1982.
47. Effect of Impaired Renal Function on Zomepirac Pharmacokinetics. R.K. Nayak, R.K. Desiraju, J.W. Gorder, M.B. Affrime, S.D. Saris, D. T. Lowenthal. *Clinical Pharmacology and Therapeutics* 31:255, 1982.
48. Similar Anti-Hypertensive Effect of One- and Twice-Daily Enalapril. S. Saris, M.B. Affrime, D. T. Lowenthal, J. Irvin, J. Viau, D. Dickerman, G. Onesti. *Clinical Research* 31(2):334A, 1983.
49. The Influence of Calcium Channel Antagonists on Serum Potassium in Response to Isometric Exercise. D.T. Stein, D. T. Lowenthal, S.D. Saris, B. Falkner. *Clinical Research* 31(2):253A, 1983.
50. Modification of Hemodynamic Responses to Isometric Activity by Calcium Channel Antagonists. C.T. Stein, D. T. Lowenthal, S.D. Saris, B. Falkner. *Clinical Research* 31(2):254A, 1983.
51. Plasma Catecholamine and Renin Response to Diuretics and Clonidine in Hypertensive Juveniles. B. Falkner, G. Onesti, D. T. Lowenthal. Presented at the Proceedings of the Fifth Scientific Meeting of the Inter-American Society of Hypertension, March 13-16, 1983, Sao Paulo, (Guaraja), Brazil.
52. Efficacy of Combination Therapy With Mexiletine and a Type IA For Ventricular Tachyarrhythmias. A.M. Greenspan, S.R. Spielman, C.R. Webb, D. T. Lowenthal, L. N. Horowitz. *The Pharmacologist* 25:246, 1983.
53. Exercise Ventricular Tachycardia. N.M. Sokoloff, A.S. Iskandrian, A.H. Hakki, D. T. Lowenthal, L.N. Horowitz. *Circulation Part II* 68(4):III-75. Abstracts of the American Heart Association, 56th Scientific Sections, Anaheim, California, November 1983.
54. Do Antihypertensives (AH) and Calcium-Channel Blockers Blunt the Diastolic Pressor Response to Static Exercise? D. T. Lowenthal, D. Dickerman, D. Stein, S. Saris, B. Falkner. Presented at the II World Conference on Clinical Pharmacology and Therapeutics, Washington, D.C. July 31 - August 5, 1983. Abstracts of World Congress, page 1.

55. Efficacy of Mexiletine in Ventricular Tachyarrhythmias. A.M. Greenspan, S.R. Speilman, D. T. Lowenthal, L.N. Horowitz. Presented at the II World Conference on Clinical Pharmacology and Therapeutics, Washington, DC., July 31 - August 5, 1983. Abstracts of World Congress, page 94.
56. The Effect of Exercise Training in Older Patients on Beta Adrenergic Blocking Drugs. T.W. Hare, D. T. Lowenthal, A.H. Hakki, M. Goodwin. *Clinical Pharmacology and Therapeutics* 33:206, 1983.
57. Modification of Hemodynamic Responses to Isometric Activity by Anti-Hypertensives. D. Dickerman, D. T. Lowenthal, S. Saris, B. Falkner, P. J. Lowenthal. M. Rufo. *Clinical Pharmacology and Therapeutics* 33:225, 1983.
58. Influence of the Type of Exercise on Potassium Disposition During Anti-Hypertensive Treatment. S. Saris, D. Dickerman, D. T. Lowenthal, P.J. Lowenthal, B. Falkner, M. Rufo. *Clinical Pharmacology and Therapeutics* 33:228, 1983.
59. Antihypertensive Drugs and Cognitive Function in Hypertensive Juveniles. B. Falkner, S. Koffler, G. Onesti, D. T. Lowenthal. *Clinical Pharmacology and Therapeutics* 33:225, 1983.
60. Pharmacologic Management of Adolescent Hypertension. B. Falkner, D. T. Lowenthal, B. Thanki, D. Wasko. *Int. J. Ped. Nephrol.* 4:216, 1983.
61. Salicylate: Influence on Work and Rectal Temperature. Z. Kendrick, L. Dockrell, D. T. Lowenthal. *Clinical Research* 31(2):249, 1983.
62. Do Antihypertensives and Calcium-Channel Blockers Blunt Responses to Static Exercise. S.D. Saris, D. T. Lowenthal, B. Falkner, E. Bravo, D.T. Stein. Presented at 85th Annual Meeting of the American Society of Clinical Pharmacology and Therapeutics, Atlanta, Georgia, March 14-16, 1984. *Clinical Pharmacology and Therapeutics* 35(2):272, 1984.
63. Hemodynamic and Biochemical Responses to Pindolol and Metoprolol. S. J. Broderman, R.S. Porter, D. T. Lowenthal, T.W. Hare, M.J. Likoff, *Clinical Research* 32(2):239A, 1984.
64. A Simplified Scale to Rate Perceived Exertion During Exercise Testing in Patients With Coronary Artery Disease. T.W. Hare, A.H. Hakki, D. T. Lowenthal, A.S. Iskandrian. *Clinical Research* 32(2):173A, 1984.
65. Generic Drugs -- Not the Same as Brand Name, By In Vitro and In Vivo Testing. E.N. Sappington, R.O. Davies, D. T. Lowenthal, M.B. Affrime, C.L. Johnson. Presented at 85th Annual Meeting of the American Society of Clinical Pharmacology and Therapeutics, Atlanta, Georgia, March 14-16, 1984. *Clinical Pharmacology and Therapeutics* 35(2):272, 1984.
66. Enalapril Maleate in Renal Failure. S. Saris, D. T. Lowenthal, L. Klein, J.D. Irvin, D. Merrill, A.E. Till, M. Hichens, K.E. Harris. Presented at 85th Annual Meeting of the American Society of Clinical Pharmacology and Therapeutics, Atlanta, Georgia, March 14-16, 1984. *Clinical Pharmacology and Therapeutics* 35(2):272, 1984.
67. Effect of Age and Physical Training on Pharmacokinetics of Antipyrine. S. Broderman, S. Porter, D. T. Lowenthal, T. Hare, S. Fisher. Federation of American Societies for Experimental Biology, St. Louis, Missouri, April 1-6, 1984. *Federation Proceedings* 43(4):871, 1984.

68. Pharmacodynamics of Oral and Transdermal Clonidine in Varying Degrees of Renal Function. E. Paran, S. D. Saris, D. T. Lowenthal, A. Haratz, J. Packer, R.S. Porter, B. Falkner. *Clinical Research* 39(3):699A, 1984.
69. Transcutaneous Clonidine in the Treatment of Adolescent Hypertension. B. Falkner, D. T. Lowenthal, B. Thanki. Presented at the 86th Annual Meeting of the American Society of Clinical Pharmacology and Therapeutics, San Antonio, Texas, March 28-30, 1985. *Clinical Pharmacology and Therapeutics* 37(2):195, 1985.
70. Seven-Day Transdermal Administration of Timolol. S.D. Saris, D. T. Lowenthal, R.S. Porter, J. Bondi, A.E. Loper, M.C. Dunlay, M.J. Goodwin, L.G.T. Ribeiro. Presented at the 86th Annual Meeting of the American Society of Clinical Pharmacology and Therapeutics. San Antonio, Texas, March 28-30, 1985. *Clinical Pharmacology and Therapeutics* 37(2):226, 1985.
71. The Transition From Oral to Transdermal Clonidine in Varying Degrees of Renal Function. E. Paran, S.D. Saris, D. T. Lowenthal, B. Falkner, K. Shariff, K. Conry, C. Bies, R.S. Porter. Presented at the 86th Annual Meeting of the American Society of Clinical Pharmacology and Therapeutics, San Antonio, Texas, March 28-30, 1985. *Clinical Pharmacology and Therapeutics* 37(2) 220, 1985.
72. Digoxin-Esmolol Drug Interaction Evaluation. D. T. Lowenthal, R.S. Porter, K. Conry, C. Bies, A. Laddu, P. Turlapaty, J.D. Hulse. Presented at the 86th Annual Meeting of the American Society of Clinical Pharmacology and Therapeutics, San Antonio, Texas. March 28-30, 1985. *Clinical Pharmacology and Therapeutics* 37(2):209, 1985.
73. Pharmacokinetic and Pharmacodynamic Analysis of Warfarin in Human Subjects. R.S. Porter, D. T. Lowenthal, S.D. Saris, K.C. Conry, C. Bies, W.T. Sawyer. Presented at the 86th Annual Meeting of the American Society of Clinical Pharmacology and Therapeutics, San Antonio, Texas, March 28-30, 1985. *Clinical Pharmacology and Therapeutics* 37(2):221, 1985.
74. Fiber Distributions in the Plantaris Muscle of Sedentary and Exercised Rats. R.R. Chase, T.D. Heiman-Patterson, D. T. Lowenthal, R.S. Porter, T. Krupa, Z. Kendrick, W. Rumsey, J. Starnes, *Clinical Research* 33(2)246A, 1985.
75. Amiodarone Induced Inhibition of Antipyrine Metabolism. R.S. Porter, D. T. Lowenthal, G. Dobson, A. Greenspan, S. Spielman, L. Horowitz, A. Staudacher, M. Slegowski. *Clinical Research* 33(2):287A, 1985.
76. Effects of Beta-Blockade on Rate of Oxygen Adaptation to Progressively Increasing Workloads. G. Van Oort, T.W. Hare, J. Yorko, D. T. Lowenthal. Presented at the Annual Meeting of the American College of Sports Medicine, Nashville, Tennessee. May 26-29, 1985. *Medicine and Science in Sports and Exercise* 17(2):239, 1985.
77. Effects of Beta Blockade on Strength Performance. J. Yorko, E. Paran, T.W. Hare, G. Van Oort, D. T. Lowenthal, Z.V. Kendrick. Presented at the Annual Meeting of the American College of Sports Medicine, Nashville, Tennessee, May 26-29, 1985. *Medicine and Science in Sports and Exercise* 17(2)239, 1985.
78. Effect of Beta-Blockade on glycogen Content with Acute Exercise in the Vastus Intermedius of the Rat. R. Chase, T.D. Heiman-Patterson, D. T. Lowenthal, Z.V. Kendrick, M. Zuzu, S. Porter, R. Hamilton. *The Pharmacologist* 27:132, 1985.

79. The Pharmacokinetics of SQ 26,333-<sup>14</sup>C Administered Orally as <sup>14</sup>C-Zofenopril to Patients with Various Degrees of Renal Impairment. J. Foley, P. Somani, D. Lowenthal, S. Porter, R. Morrison, S. Singhvi. *Clinical Pharmacology & Therapeutics* 45(2):157, 1989.
80. Physical Activity: Its Relationship to Bone Density in Nonobese Black and White Women. M. Steinmetz, D. Meier, M. Luckey, Y. Isenberg, D. T. Lowenthal, M. Barton, J. Pongo, M. Hubbard, J. Mandel. *Medicine and Science in Sports and Exercise* 21(2):S111, 1989.
81. The Influence of Exercise Training and Diuretics on The Renin-Aldosterone System of Hypertensive Elderly. R. W. Braith, D. T. Lowenthal, J. E. Graves, S. H. Leggett, D. Turnoff, C. Wilcox, and M. L. Pollock. *Journal of American Geriatrics Society*; 47th Annual Meeting, Atlanta, GA May 1990.
82. The Influence of Exercise Training on The Renin-Aldosterone System of the Elderly. R. W. Braith, D. T. Lowenthal, J. E. Graves, S. H. Leggett, C. Wilcox, and M. L. Pollock. *Medicine and Science in Sports and Exercise* 22:533, 1990.
83. Does High Intensity Exercise Training Adversely Effect Blood Pressure in the Elderly? R. W. Braith, J. E. Graves, M. L. Pollock, S. H. Leggett, D. T. Lowenthal, M. Limacher. *JACC* 1991. *Journal of the American College of Cardiology*, 17(2) Supp. A, 1991. Presented at the 40th Annual Scientific Session of the American College of Cardiology.
84. Influence of Training Intensity on Cardiorespiratory Responses of Older Adults to Walking Exercise. J. E. Graves, M. L. Pollock, S. H. Leggett, D. T. Lowenthal, D. Spitler. *Medicine and Science in Sports and Exercise*, 23:S158, 1991. Presented at 1991 American College of Sports Medicine (ACSM) Annual Meeting.
85. Influence Of Exercise Training on Resting Blood Pressure and Plasma Catecholamines in Normotensive Elderly. R. Braith, D. T. Lowenthal, J. Graves, M. Pollock, S. Leggett. *Proceedings of The American Geriatrics Society*, p. 28, Chicago, May 1991.
86. Blood Gas Dynamics at the Onset of Exercise in Orthotopic Heart Transplant Recipients. R. W. Braith, M. Limacher, S. H. Leggett, D. T. Lowenthal, J. E. Graves, and M. L. Pollock. *Medicine and Science in Sports and Exercise* 23:S132, 1991. Presented at Annual Meeting of American College of Sports Medicine (ACSM).
87. Effect of Exercise and Age on Tyrosine Hydroxylase Gene Expression in the Adrenal Medulla. N. Tumer, C. Hale, J. Lawler, D. T. Lowenthal, R. Strong. *Federation of American Societies for Experimental Biology*, Atlanta, GA, April 1991. *Federation Proceedings* 5:A1734, 1991.
88. Effects of Endurance Training on Oxidative and Antioxidant Enzymes in Skeletal Muscle in Young and Aging Rats. J. Hammeren, S. Powers, J. Lawler, D. Criswell, D. Martin, D. T. Lowenthal, M. Pollock. *Medicine and Science in Sports and Exercise* 23:S148, 1991. Presented at Annual Meeting of American College of Sports Medicine (ACSM).
89. Drug Use Among Very Old Ambulatory Individuals. J. C. Delafuente, J. R. Meuleman, M. Conlin, D. T. Lowenthal, N. B. Hoffman. Presented at Annual Meeting of Amer. Coll. Clin. Pharmacology. *J. Clin. Pharm.* 31:P94. 1991.
90. Influence of Exercise and Age on Myocardial  $\alpha$ -Adrenergic Receptor Properties. N. Tumer, D. T. Lowenthal, P. J. Scarpace. Presented at Annual Meetings of American Aging Association and American College of Clinical Gerontology, 14:142, 1991.

91. Exercise for the Elderly: Progress and Prospects. L. W. Thompson and D. T. Lowenthal. *The Gerontologist*, 31:214-215. Presented at 44th Annual Scientific Meeting "New Knowledge: The Key to Meeting the Challenges of Aging." 1991.
92. Aerobic Training Intensity and Serum Lipids in Older Adults. J. E. Graves, R. T. Lovins, R. M. Shireman, S. Leggett, M. A. Welsch, M. L. Pollock, and D. T. Lowenthal. *Int. J. Sports Med*, 13:193-194, 1992. Presented at the 1992 Annual Meeting of the Southeast Chapter of the American College of Sports Medicine.
93. Reliability of Physiologic Parameters During Maximal Treadmill Exercise in Older Adults. J. F. Carroll, J. E. Graves, L. B. Panton, S. H. Leggett, D. T. Lowenthal, M. L. Pollock. *Int. J. Sports Med*, 13:190-191, 1992. Presented at the 1992 Annual Meeting of the Southeast Chapter of the American College of Sports Medicine.
94. Relative Heart Rate, Heart Rate Reserve, and Oxygen Uptake During Exercise in the Elderly. L. B. Panton, J. E. Graves, L. Garzarella, J. F. Carroll, M. L. Pollock, S. H. Leggett, G. Guillen, D. T. Lowenthal. *Medicine and Science in Sports and Exercise*, 24:S185, 1992. Presented at 1992 American College of Sports Medicine (ACSM) Annual Meeting.
95. Effect of Endurance Training on Resting Plasma Volume and Hormone Levels in the Elderly. J. F. Carroll, V. A. Convertino, C. E. Wood, J. E. Graves, M. L. Pollock, D. T. Lowenthal. *Medicine and Science in Sports and Exercise*, 24:S158, 1992. Presented at 1992 American College of Sports Medicine (ACSM) Annual Meeting.
96. Effect of Training on Physical Work Capacity at the Fatigue Threshold in the Elderly. D. Hunt, J. E. Graves, L. B. Panton, L. Garzarella, S. H. Leggett, M. L. Pollock, J. F. Carroll, G. Guillen, D. T. Lowenthal. *Medicine and Science in Sports and Exercise*, 24:S14, 1992. Presented at 1992 American College of Sports Medicine (ACSM) Annual Meeting.
97. Influence of Aerobic Exercise Training on the Relationship Between Oxygen Uptake and Heart Rate Reserve in the Elderly. J. E. Graves, L. B. Panton, M. L. Pollock, L. Garzarella, J. F. Carroll, G. Guillen, D. T. Lowenthal. *Medicine and Science in Sports and Exercise*, 24:S186, 1992. Presented at 1992 American College of Sports Medicine (ACSM) Annual Meeting.
98. Effects of Isolated Lumbar Extension (LUMB EXT) Resistance Exercise Training on Bone Mineral Density (BMD) of the Elderly. M. L. Pollock, L. Garzarella, J. E. Graves, D. M. Carpenter, S. H. Leggett, D. T. Lowenthal, M. N. Fulton, D. Foster, J. Tucci, R. Mananquil. *Medicine and Science in Sports and Exercise*, 24:S66, 1992. Presented at 1992 American College of Sports Medicine (ACSM) Annual Meeting.
99. Effect of Aerobic Exercise Training on Oxygen Uptake and Heart Rate Kinetics in the Elderly. S. McCue, L. Reider, J. Graves, L. Panton, L. Garzarella, M. Pollock, D. T. Lowenthal. *Medicine and Science in Sports and Exercise*, 25:S55, 1993. Presented at 1993 American College of Sports Medicine (ACSM) Annual Meeting.
100. Changes in Coronary Artery Disease Risk Factors in 60- to 92-Year-Old Male Athletes at 20-Year Follow-Up. L. Mengelkoch, M. Pollock, M. Limacher, J. Graves, D. T. Lowenthal, R. Shireman, W. Riley. *Medicine and Science in Sports and Exercise*, 25:S74, 1993. Presented at 1993 American College of Sports Medicine (ACSM) Annual Meeting.
101. Aerobic Exercise Training Responses in Young and Elderly Men and Women. L. Panton, L. Garzarella, S. McCue, G. Guillen, L. Williams, J. Graves, M. Pollock, D. T. Lowenthal, K. Hodge. *Medicine and Science in Sports and Exercise*, 25:S79, 1993. Presented at 1993 American College of Sports Medicine (ACSM) Annual Meeting.

102. Twenty Year Follow-Up of Aerobic Power of Champion Master Track Athletes. M. Pollock, L. Mengelkoch, J. Graves, D. T. Lowenthal, M. Limacher, J. Wilmore, H. Miller, C. Foster, L. Garzarella, D. Foster. *Medicine and Science in Sports and Exercise*, 25:S105, 1993. Presented at 1993 American College of Sports Medicine (ACSM) Annual Meeting.
103. Does 220-Age Accurately Predict Maximal Heart Rate in the Elderly? J. Graves, M. Pollock, D. Swart, L. Panton, L. Garzarella, D. T. Lowenthal, M. Limacher, L. Mengelkoch. *Medicine and Science in Sports and Exercise*, 25:S186, 1993. Presented at 1993 American College of Sports Medicine (ACSM) Annual Meeting.
104. Changes in Electrocardiographic Abnormalities in 60- to 92-Year-Old Male Athletes at 20-Year Follow-Up. L. J. Mengelkoch, M. C. Limacher, M. L. Pollock, D. T. Lowenthal, J. E. Graves, M. Fagien, D. H. Schmidt, H. S. Miller. Presented at annual meeting of American College of Cardiology, JACC, Vol 21, p. 51A, 1993.
105. The Effect Of Fosinopril (F) Or Verapamil SR (V) With Or Without Diuretic (HCTZ) In Elderly Hypertensive Males (EHM). L. Williams, J. Davis, D. T. Lowenthal, G. Stein, G. Kamimori, L. Panton. *American Society of Hypertension, AJH*, Vol 6, No 5, Part 2, p 104A, 1993.
106. Effect of Aerobic Exercise Training on Propranolol Pharmacokinetics in Young and Elderly Adults. L. Williams, L. B. Panton, G. J. Guillen, J. E. Graves, C. Vivas, M. Gonzalez, H. Derendorf, M. L. Pollock, D. T. Lowenthal. Presented at Annual Meeting of ASCPT. *CPT* 55:173,1994.
107. Comparison of 24 Hour Ambulatory Blood Pressure Monitoring and Conventional Sphygmomanometry in Senior Adults. J. Jessup, M. L. Pollock, D. T. Lowenthal, L. Garzarella, T. Turner, S. Andriessen, M. Hilberink. *Medicine and Science in Sports and Exercise*, 26:S163, 1994. Presented at 1994 American College of Sports Medicine (ACSM) Annual Meeting.
108. Bone Mineral Density of Master Track Athletes 60-94 Years of Age. M. L. Pollock, L. J. Mengelkoch, J. E. Graves, D. T. Lowenthal. *Medicine and Science in Sports and Exercise*, 26:S177, 1994. Presented at 1994 American College of Sports Medicine (ACSM) Annual Meeting.
109. Effect of Aerobic Training on Resting Plasma Volume and Hematocrit in Young and Elderly Adults. L. B. Panton, L. Garzarella, G. J. Guillen, L. Williams, J. E. Graves, D. T. Lowenthal, M. L. Pollock. *Medicine and Science in Sports and Exercise*, 26:S150, 1994. Presented at 1994 American College of Sports Medicine (ACSM) Annual Meeting.
110. Changes in Pulmonary Function in Senior Athletes. L. J. Mengelkoch, M. L. Pollock, J. E. Graves, C. Foster, D. T. Lowenthal, L. Garzarella. *Medicine and Science in Sports and Exercise*, 26:S88, 1994. Presented at 1994 American College of Sports Medicine (ACSM) Annual Meeting.
111. The Effects of Exercise Training on Renal Function in Older Men and Women. J. Jessup, L. Williams, D. T. Lowenthal, J. Ruiz, L. Garzarella, K. Smythe, and M. Pollock. *Journal of American Geriatrics Society*, 42:SA10, November 1994. Presented at the 51st Annual Scientific Meeting of the American Geriatrics Society/15th Annual Scientific Meeting of the American Federation for Aging Research (AFAR).
112. Effect of Aerobic Exercise Training on Resting Hepatic Blood Flow and Propranolol Kinetics in Young and Elderly Adults. L. Panton, D. T. Lowenthal, G. Guillen, L. Williams, J. Graves, H. Derendorf, L. Garzarella, C. Vivas, and M. Pollock. *Journal of American Geriatrics Society*,

42:SA10, November 1994. Presented at the 51st Annual Scientific Meeting of the American Geriatrics Society/15th Annual Scientific Meeting of the American Federation for Aging Research (AFAR).

113. Faculty Recommendations for Geriatric Curriculum Topics. C. L. Schell, G. Caranasos, D. T. Lowenthal. Journal of American Geriatrics Society, 42:SA91, November 1994. Presented at the 51st Annual Scientific Meeting of the American Geriatrics Society/15th Annual Scientific Meeting of the American Federation for Aging Research (AFAR).
114. Effect of Grapefruit Juice on Oral Cyclosporine Pharmacokinetics. G. C. Yee, D. S. Stanley, J. Ruiz, R. J. Braddock, and David T. Lowenthal. Pharmacotherapy, 14:377, 1994. Presented at the American College of Clinical Pharmacy 1994 Annual Meeting.
115. Prediction of Blood Volume for Young and Elderly Adults. L. B. Panton, J. E. Graves, M. L. Pollock, L. Garzarella, J. F. Carroll, D. T. Lowenthal, G. Guillen, and L. Williams. Official Journal of the American College of Sports Medicine, 27(5):S183. Presented at the 1995 American College of Sports Medicine Annual Meeting.
116. Crossvalidation of the USAF Submaximal Cycle Ergometry Test (SCE) to Estimate Aerobic Capacity. M. L. Pollock, D. V. de Hoyos, L. Garzarella, W. F. Brechue, M. D. Beekley, G. Werber, R. U. Bisson and D. T. Lowenthal. Aviation Space and Environmental Medicine, 66:5, 503, 1995. Presented at the 1995 Aerospace Medical Association Annual Meeting.
117. Body Composition and Statistical Transformations Affect the Estimation of Aerobic Capacity ( $VO_{2max}$ ) from Submaximal Cycle Ergometry (SCE). D. de Hoyos, M. Pollock, L. Garzarella, W. Brechue. M. Beekley. G. Werber, D. Lowenthal. Medicine and Science in Sports and Exercise, S244, 1995. Presented at the American College of Sports Medicine Annual Meeting, 1995.
118. Exercise Prescription for Cardiac Patients: A National Survey of Inpatient Cardiac Rehabilitation Programs (CRPs). M. Pollock, A. Winslow, D. Martin, D. Lowenthal. Presented at the 1995 American Association of Cardiovascular & Pulmonary Rehabilitation Annual Meeting.
119. Exercise Prescription for Cardiac Patients: A National Survey of Outpatient Cardiac Rehabilitation Programs (CRPs). A. Winslow, M. Pollock, D. Martin, D. Lowenthal. Presented at the 1995 American Association of Cardiovascular & Pulmonary Rehabilitation Annual Meeting.
120. Effects of Aging and Endurance Exercise Training on Myosin Heavy Chain Composition (MHC) in Rat Locomotor Muscle. V. K. Sullivan, S. K. Powers, D. Criswell, N. Tumer, J. LaRochelle, D. Lowenthal. FASEB J 9(4):A656, 1995.
121. Effects of Aging and Exercise on Skeletal Muscle. S. K. Powers, J. Coombes, H. Demirel, L. Fletcher, M. Hughes, D. Lowenthal. The 38th World Congress ICHPER-SD Proceedings, S12-14, 1995.
122. Exercise Prescription for Cardiac Patients: A National Survey of Phase III Cardiac Rehabilitation Programs (CRPs). A. Winslow, M. Pollock, D. Martin, D. Lowenthal. Medicine & Science in Sports & Exercise, 128(5):S82, 1996. Presented at Annual Meeting of American College of Sports Medicine.
123. Prescription of Resistance Training for Cardiac Patients: Results from a National Survey on Outpatients. M.L. Pollock, A. Winslow, D. Martin, D.T. Lowenthal. Medicine & Science in Sports & Exercise, 128(5):S82, 1996. Presented at Annual Meeting of American College of Sports Medicine.

124. Antibodies Against Oxidized Low-Density Lipoproteins in Acute Stroke Patients. A. Cherubini, P. Mecocci, G. Barnert, F. Chionne, M. Bregnocchi, M. Polidori, G. Romano, D.T. Lowenthal, U. Senin. Presented at Lipoprotein, Oxidation and Atherosclerosis - Biological and Clinical Aspects - Second International Conference, Pavia, Italy, September 12-14, 1996.
125. Decrease of Antibodies Against Oxidized Low-Density Lipoproteins in the Acute Phase of Stroke. P. Mecocci, A. Cherubini, G. Barnert, F. Chionne, M. Bregnocchi, M. Polidori, R. Cecchetti, D.T. Lowenthal, U. Senin. Presented at VII Biennial Meeting International Society for Free Radical Research, Barcelona, Spain, October 1-5, 1996.
126. The Effects of Endurance Exercise Training (ET) on the Pharmacokinetics (PK) of Digoxin in Young and Old Adults. J.V. Jessup, D.T. Lowenthal, M.L. Pollock, L. Williams, J. Ruiz, H. Yarandi. *Clinical Pharmacology & Therapeutics*, 61(2):173, 1997. Presented at the Annual Meeting of the American Society for Clinical Pharmacology and Therapeutics.
127. Exercise Training in the Frail Aged: Strength and Functional Outcomes. J. Meuleman, W. Brechue, D.T. Lowenthal. American Geriatrics Society American Federation for Aging Research, 1997 Annual Scientific Meeting, May 7-11, 1997.
128. Effect of Octreotide on Circulating Insulin-Like Growth Factor-I and IGF Binding Proteins in Senescent Rats. S. Severgnini, D.T. Lowenthal, S. Borst. 79th Annual Meeting of The Endocrine Society, 1997.
129. Neuroendocrine Responses to Exercise in Healthy Elderly Humans and Aging Rats. D.T. Lowenthal, S. Borst, S. Severgnini, N. Tumer, M. Pollock. International Symposium - Psychoneuroendocrine and Immunological Correlates of Aging, Pavia, Italy, September 17-21, 1997.
130. Proton Magnetic Resonance Spectroscopy (H-MRS) Can Differentiate Alzheimer's Disease (AD) from Normal Aging. L. Parnetti, D.T. Lowenthal, R. Tarducci, O. Presciutti, M. Pippi, B. Palumbo, G. Gobbi, G. Pelliccioli, U. Senin. The Gerontological Society of America 50th Annual Scientific Meeting, November 14-18, 1997.
131. Role of Proton Magnetic Resonance Spectroscopy in Aging Brain. L. Parnetti, R. Tarducci, G. Gobbi, G.P. Pelliccioli, D.T. Lowenthal. Proceedings of the Eighth Congress of the International Psychogeriatric Association - IPA, Jerusalem, Israel, August 17-22, 1997.
132. Acute Hemodynamic Responses to Strength Testing and Resistance Exercise in Patients with Left Ventricular Dysfunction (LVD). G. Werber, M. Pollock, E. Goldhammer, W. Brechue, M. Sagiv, R. Braith, A. Shaar, D. Lowenthal. *Medicine and Science in Sports and Exercise*, 30(5):S136, 1998. Presented at Annual Meeting of American College of Sports Medicine.
133. Six Months High- or Low-Volume Resistance Training Increases Circulating Insulin-Like Growth Factor. S. Borst, D. De Hoyos, D.T. Lowenthal, K. Vincent, L. Garzarella, B. Pollock, M. Pollock. *Medicine and Science in Sports and Exercise*, 30(5):S274, 1998. Presented at Annual Meeting of American College of Sports Medicine.
134. Assessment of Medications in Elderly, Ambulatory Veterans at Risk for Falls. G. Jamison, M. Burlingame, D.T. Lowenthal, A. Herrera, V. Bhatnagar, B. Chong, S. Lees, S. Machuca, J. Maruenda. Presentation at the Annual Meeting of the American Society for Clinical Pharmacology and Therapeutics.

135. Serum [IGF-1] Response to Resistance Training is Sex Dependent. D. de Hoyos, S. Borst, L. Garzarella, K. Vincent, B. Pollock, D.T. Lowenthal, M. Pollock. Presentation at the Annual Meeting of American College of Sports Medicine.
136. Applied Exercise Science in Frail and Healthy Elderly. D.T. Lowenthal. The Gerontological Society of America 51st Annual Scientific Meeting, November 21, 1998.
137. Impact of Obesity on Perceived Exertion During Graded Exercise Training. A.O. Beacham, D. De Hoyos, G.E. Duncan, S.J. Sydeman, M.C. Limacher, D. Martin, D.T. Lowenthal, M.G. Perri. Presented at the Spring 2000 Society of Medicine Meeting. *Annals of Behavioral Medicine*.
138. Effects of 6 Months of Resistance Exercise on Lipid Peroxidation in Older Adults. K.R. Vincent, H.K. Vincent, R.W. Braith, FACSM, S.L. Lemmon, D.T. Lowenthal. *Medicine and Science in Sports and Exercise*, 32(5):S105, 2000. Presented at Annual Meeting of American College of Sports Medicine.
139. Effects of Obesity on Ratings of Perceived Exertion During Treadmill Exercise. D.V. de Hoyos, A.O Beacham, W. Zhao, B. Hutson, G.E. Duncan, S.J. Sydeman, M.C. Limacher, D. Martin, FACSM, D.T. Lowenthal, M.G. Perri. *Medicine and Science in Sports and Exercise*, 32(5):S200, 2000. Presented at Annual Meeting of American College of Sports Medicine.
140. Validity of Three Cycle Ergometry Ramping Protocols to Predict Maximal Aerobic Capacity. S.L. Lennon, R.B. Cutler, S.K. Powers, FACSM, P. Gomes, D.T. Lowenthal, S. Constable. *Medicine and Science in Sports and Exercise*, 32(5):S312, 2000. Presented at Annual Meeting of American College of Sports Medicine.
141. Medical Problems in the Athlete. T.H. Trojjan, D.B. McKeag, FASCM, D.T. Lowenthal, M. Putukian, Scott Grindal. *Medicine and Science in Sports and Exercise*, 32(5):S343, 2000. Presented at Annual Meeting of American College of Sports Medicine.
