Bend, OR 97702 | (661) 607-4324 | adam@titanncg.com

PROFFESIONAL SUMMARY

Nationally recognized Police Use of Force, Police Best Practices and Security Policy Expert with over 42 years of distinguished service in law enforcement, security, and investigations. Adept leader in high-risk environments, renowned for advanced knowledge in law enforcement trends, best practices, and protocols risk management. Demonstrates exceptional confidentiality and professionalism presence.

PROFESSIONAL EXPERIENCE

Elite Police and Security Leadership (1982 – 2017)
Led premier investigative units, including the **FBI Violent Crime Task Force**, Joint Terrorism Task Force and **Homicide Special Section** and the Special Investigation Section. Has testified as a police use of force and police best practices expert in State and Federal Court. Established the selection process for the Special Investigation Section-a premier tactical and surveillance unit. Led the working group that authored the LAPD Undercover Directive. Coordinated and led police response to major crowd control events. Supervised and managed the use of less lethal munitions at major protest events. Supervised and managed major cases including complex homicides, kidnap for ransom, murder for hire, extortion and the murder of police officers.

Security CEO (2010 – 2017)
Former CEO of Critical Solutions Protective Services Group, a Los Angeles bases security company. Testified as an expert for major security companies and properties including Securitas, Westfield Properties and Amazon. Provided security operations at major malls and retail locations in Southern California. Managed daily operations, training and risk mitigation and management for property owners.

Policy Development and Publication
Pioneered research on officer-involved shootings and active shooter scenarios.

Expert Witness and Advisory Services (2012-Present)
Provided expert testimony on police use of force, use of deadly force, shooting policy, police best practices, patrol policy, crowd management, K9 Operations, Undercover tactics, tactical operations, complex investigations, 1983 Civil Rights, Wrongful Convictions and security practices. Retained by major security companies including Securitas and others.

Client Base Development
Established strategic partnerships with Fortune 500 companies and media outlets.
