I spent 30 years with the LAPD, retiring as a Lieutenant II, Robbery-Homicide Division, Homicide Special Section. I was also the CEO of Critical Solutions Protective Services Group from 2010 to 2017, a licensed security company that provided both security guard and off-duty police officers to two of the most high-profile retail centers in California. I am also a licensed private investigator in the state of California.

As a Lieutenant in LAPD, I was the Officer in Charge of The FBI Violent Crime Task Force-Los Angeles, Criminal Investigation Section, JTTF, The Special Investigation Section and Homicide Special Section- Robbery Homicide Division.

My private investigative work has included both Fortune 500 and entertainment industry clients. I have handled numerous confidential matters with discretion.

As an expert I have focused on public safety employment, use of force by police officers and security guards (including deadly force), general police tactics, undercover tactics, Brady issues, counterterrorism, complex investigations, criminal conspiracy, kidnapping, private security operations and liability and labor practices.

My clients include major municipalities, large insurance carriers and law enforcement agencies.

I have been deposed and testified in State and Federal court for both criminal and civil matters.
