

Benjamin Bradford DeVore, Ph.D.

Curriculum Vitae

Personal Information

Licensed Clinical Psychologist – VA License #0810007318
NPI - 1205483666

Education

UC San Diego Health, Neuropsychology Post-Doctoral Fellowship Program, San Diego, CA. 2023 – Present

- Post-Doctoral Fellow

Naval Medical Center Portsmouth, Clinical Psychology Internship Program, Portsmouth, VA. 2019 – 2020

- Graduate Psychology Intern – Graduated August 2020

Virginia Polytechnic Institute and State University, Blacksburg, VA. 2015 – 2019

- Degree: PhD. Clinical Science in Psychology with a focus in Neuroscience
- Advisor: Dr. David W. Harrison

Salem VA Medical Center, Salem, VA. 2018

- Neuropsychology Practicum Student

Lipscomb University, Nashville, TN. 2012 – 2014.

- Degree: MS Psychology. GPA: 4.0
- Advisor: Dr. J. Dale Alden

University of California at Santa Barbara, Santa Barbara, CA. 1998 – 2002.

- Degree: BS, Biopsychology.

United States Navy Officer Development School, Newport, RI. 2017

- Naval Officer Ascension and Commissioning Indoctrination.

United States Coast Guard Training Center Yorktown, Yorktown, VA.

June to August, 2013.

- Training: Marine Science Technician “A” School, Apprentice Leadership Program.

Professional Experience

Licensed Clinical Psychologist – United States Navy, VA. 2020 – Present.

- Fully licensed and credential clinical psychologist, serving active duty and retired population adult populations.

Embedded Fleet Command Clinical Psychologist – USS HARRY S TRUMAN (CVN-75) & CARRIER STRIKE GROUP 8 (CSG-8), Norfolk, VA. May 2021 – May 2023

- Primary billeted clinical psychologist deployed aboard CVN-75 as front line supervisor for the carrier behavioral health clinic, Substance Abuse Rehabilitation Program (SARP), and overall behavioral health consultation and care.
- During the 2021 – 2022 deployment cycle, directly responsible for leadership and oversight of care dispersion across carrier strike group that included the Carrier Air Wing (CVW-1) and the surface warfare fleet (DESRON – 8).
- Functioned as command specialist communicating and staffing with top level leadership, including flag (admiralty) level officers, regarding crisis mitigation and response, commandwide resiliency efforts, and mental health programming for over 6000 forward deployment military members.

Acute Services Division Officer - Naval Medical Center Portsmouth, SARP, Portsmouth, VA. September, 2020 – Present.

- Direct line supervisor for over 25 active duty and civilian staff, managing program development and daily operations for one of the largest substance abuse clinics in the US Navy.
- Responsible for ensuring patient safety, program effectiveness, and staff productivity in adherence to federal guidelines for substance abuse treatment.

Graduate Psychology Clinician – Virginia Tech, Blacksburg, VA. August, 2015 – Present.

- Practicum based treatment, specializing in trauma disorders and treatment.
- Multiple psychological assessments administered, including intelligence testing and disorder diagnosis.
- Treat a wide range of clients, including children and adults.
- Experience in various therapeutic approaches including CBT, TF-CBT, ACT, and DBT.

Neuropsychology Lead Technician – Neuropsychological and Counseling Services, Colombia/HCA, Lewis-Gale Medical Center, Salem, VA. August, 2016 – Present.

- Administer multiple neuropsychological evaluations to aid in patient diagnostic determination.
- Under supervision, provide thorough patient care including complete assessment, diagnosis, medical documentation, treatment, and feedback for a broad range of neurological disorders presenting within the rehabilitation unit.
- Participate in neuropsychological rounds on rehab floor.
- Participate in grand medical rounds.
- Part of neuropsychological and cognitive training team to determine improved prognosis.
- Function as a neuropsychological consultant to other treatment areas, including physical therapy and occupational therapy.

Neuropsychology Advanced Practicum – Salem Veterans Administration Medical Center, Salem, VA. May – December, 2018.

- Under supervision, provide direct patient care including thorough neuropsychological assessment, diagnosis, medical documentation, and feedback.
- Participate in patient rounds with interdisciplinary team that included neuropsychologists, geropsychologists, psychiatry, pharmacy technicians, and social workers.
- Assess in-patient and out-patient populations for a broad range of neurological disorders utilizing DSM-5 diagnosis criteria.
- Participate on neuropsychology research team to create and run federally supported research projects through the VA system
- Attend regular didactic programs with a national team of neuropsychologists that includes case study presentations, presentation of rare neurological and development disorders, and fact-finding exercises to prepare for neuropsychological board exams.

Graduate Teaching Assistant – Virginia Tech, Blacksburg, VA. August, 2015 – Present.

- Instructor of record for Abnormal Psychology (PSY 3014) and Nervous Systems and Behavior (PSY 2064).
- Taught multiple introduction to Psychology Recitation sections, each containing nearly 40 students.
- Responsible for preparation of all lecture material and in class assignments.
- Responsible for student grading within each section.

Class Administrator – Virginia Tech, Blacksburg, VA. August, 2016 – August, 2017.

- Responsible for all administrative responsibilities for the Virginia Tech Introduction to Psychology course (Approx. 1200 students per semester).
- Guest lecturer when primary instructors absent.
- Manage as many as 13 graduate TAs who were teaching individual courses.
- Exam administration, grading, and responsible for handling all student concerns.

Graduate Research Assistant – Behavioral Neuroscience Laboratory, Virginia Tech, Blacksburg, VA.

August, 2015 – Present.

- Advisor: David W. Harrison, Ph.D.
- Work as the principal, co-investigator, or key personnel on various research projects (available upon request).
- Oversee multiple undergraduate research teams, working on different neuroscience projects.

SONA Online Psychology Research System Administrator – Virginia Tech, Blacksburg, VA. Aug, 2016 – Aug, 2017.

- Responsible for the management and maintenance of the online research portal for the psychology department.

Psychology Adjunct Professor – Belmont University, Nashville, TN. August, 2014 – May, 2015.

- Taught classes of approximately 30 students.
- Courses taught: Introduction to Psychology, Introduction to Experimental Psychology, and Abnormal Psychology.

Counselor - The Ranch, Nunnally, TN. April, 2014 – August, 2015.

- Therapist with case responsibilities assigned to in-patient treatment with clients presenting co-occurring disorders of addiction and mental disorders.
- Facilitate experiential therapy, utilizing multicultural traditions, to encourage mental and emotional healing.
- Oversee group sessions by directing discussions using proven therapeutic interventions.
- Document and report all session work to direct supervisor and help to establish continued care protocol for discharging clients.

Graduate Research Assistant – Dr. J. Dale Alden, Lipscomb University. Nashville, TN. August, 2012 – May, 2014.

- Oversee and direct continuing research efforts of senior faculty psychologist towards publication.
- Manage team of undergraduate students, through weekly meetings and trainings, assisting with research and experimentation.
- Responsible for statistical models for significance, establishing experimental procedures, conducting experimentation, and presenting findings at professional conventions.
- Hands on writing and preparation of manuscript for publication.

Graduate Statistics Teaching Assistant – Lipscomb University. Nashville, TN. January, 2014 – May, 2014.

- Assist in grading submitted class work and testing as needed by professor.
- Acted as substitute teacher during professor's absence.
- Provide individual tutoring and study aid.

2nd Class Petty Officer, Marine Science Technician (E-5) – U.S. Coast Guard. January 2013 – 2015.

- Work as a government representative to industry for pollution prevention and control.
- Serve as an integral part of a small inland unit facilitating regulation and training along river ways for waterfront facilities.

Publications

DeVore, B. B., Jones, R. T., Sullivan, C. P., Clum, G. A., Cooper, L. D., & Harrison, D. W. (Submitted 2020). Combined Cognitive Behavioral Therapy and Emotion Regulation Therapies in the Successful Treatment of Dissociative Identity Disorder and Complex Trauma: A Pediatric Case Study. *Journal of Traumatic Stress*.

- Herrick, G., **DeVore, B.B.**, Harrison, P.K., & Harrison, D.W. (2016) Sex differences in laterality through motor function and concurrent cerebral regulation of autonomic nervous system tasks. *Psychophysiology*, 52.
- Woisard, K., Stafford, W., Eddy, W., Trizna, R., K'Ehleyr T., Nguyen, S., Herrick, G., **DeVore, B.B.**, Campbell, R.W., Harrison, P.K., & Harrison, D.W. (2016). Neurophysiological correlates of anxiety. *Psychophysiology*, 52.
- DeVore, B. B.**, VanMaaren, V.G., Alden, J.D. (2013). The emotional effects of reality television content on psychophysiological activity. *Compendium of Student Research Synopses for the Tennessee Psychological Association 2013 Annual Convention*. Johnson City, TN: East Tennessee State University.

Editorial and Review Activities

- Reviewer: Journal of Clinical and Experimental Neuropsychology (2019 – Present)
- Reviewer: Archives of Clinical Neuropsychology (2018-2019)
- Reviewer: Psychology of Popular Media Culture (2016-2019)
- Reviewer: Traumatology (2017)
- Reviewer: The Clinical Neuropsychologist (2015-2017)

Grants and Contracts

2017-2018

- PTSD Vulnerability in Women: The Neuropsychological Impact of Emotional Trauma from Rape. \$1,500. Center for Peace Studies and Violence Prevention Graduate Research on Violence Program. Funded
- Textbook Review: Introduction to Brain and Behavior, Kolb et al. (2017).

2016-2017

- The Efficacy of a Computer-based Memory Screening to Enhance the Detection of Age inappropriate Memory Impairments, Mild Cognitive Impairment, and Alzheimer's Disease by Primary Care Physicians. \$43,458. Alzheimer's and Related Diseases Research Award Fund. Writer and Co-Investigator. Unfunded.
- US Navy Health Professions Scholarship Program – One of only 5 recipients awarded nationally. Includes officer's commission, full tuition reimbursement, monthly stipend, annual paid training, guaranteed clinical internship upon graduation, and fee/textbook reimbursement. Approximately \$115,000. Funded.

Presentations

International Meetings

- DeVore, B. B.**, Sullivan C. P., Swain, D. M., Jones, R. T (2018). Dissociative Identity Disorder and Complex Trauma in Adolescence: A Case Study Presentation of a Successful Treatment Intervention for DID Resulting from Complex Trauma. Session presentation at the International Society for Traumatic Stress Studies (ISTSS) 34th annual meeting, Washington DC, USA.
- DeVore, B. B.**, Nag, R. P., Herrick, G., Wheeler, N., Watson, K., Parker, K., Harrison, D. W. (2018) *Hemispheric Asymmetry and Autonomic Nervous System Response to Visual Light Stimuli*. Annual meeting of the Society for Psychophysiological Research (SPR), Quebec City, Quebec, Canada

Harrison, D.W., Campbell, R. W., **DeVore, B.**, Nag, R., & Harrison, P. K. (2018). *Foreign accent syndrome: A review of lesion location and evidence for a combined lesion*. World Congress on Neurology and Mental Disorders, Rome, Italy, May.

Harrison, P. K., Campbell, R. W., **DeVore, B.**, Nag, R., & Harrison, D. W. (2018). *Frontal Lobe Capacity Limitations: A Comparison of Acute Left Frontal Linguistic and Right Frontal Affective Deregulation Under Stress*. World Congress on Neurology and Mental Disorders, Rome, Italy, May

DeVore, B.B., Harrison, D.W., & Alden, J.D. (2016). *The emotional effect of reality television content: Media impact on affect laterality and psychophysiological activity*. Annual meeting of the Society for Psychophysiological Research (SPR), Minneapolis, MN.

Herrick, G., **DeVore, B.B.**, Harrison, P.K., & Harrison, D.W. (2016) *Sex differences in laterality through motor function and concurrent cerebral regulation of autonomic nervous system tasks*. Annual meeting of the Society for Psychophysiological Research (SPR), Minneapolis, MN.

Woisard, K., Stafford, W., Eddy, W., Trizna, R., K'Ehleyr T., Nguyen, S., Herrick, G., **DeVore, B.B.**, Campbell, R.W., Harrison, P.K., & Harrison, D.W. (2016). *Neurophysiological correlates of anxiety*. Annual meeting of the Society for Psychophysiological Research (SPR), Minneapolis, MN.

National Meetings

Steinbach, M.J., **DeVore, B.B.**, Ph.D, Raines, A.J., Ouattara, M.N., Luo, J., Harrison, D.W., Ph.D. (May 2019). *A Neurophysiological Investigation of Boredom*. Poster presented at the 31st Association for Psychological Science Annual Convention, Washington, D.C

DeVore, B., Campbell, R., & Harrison, D. (2017). Left Gaze Bias with Visual Hallucinations in a Patient with Left Sensory Neglect: A Right Hemisphere MCA Stroke Case Study. Annual meeting of the National Academy of Neuropsychology, Boston, MA.

DeVore, B., Valdespino, A., Campbell, R., & Harrison, D. (2017). Stroke Symptom Acuity and Race: Ethnic Variances in DRS Total Scores for Stroke Patients. Annual meeting of the National Academy of Neuropsychology, Boston, MA.

Campbell, R., Valdespino, A., **DeVore, B.**, & Harrison, D. (2017). Initiation and Perseveration Deficits following Left Hemisphere Strokes. Annual meeting of the National Academy of Neuropsychology, Boston, MA.

Flannery, N.M., Glasgow, T.E., Torian, B.P., **DeVore, B.B.**, & Acton, B.A. (2017). *Predicting Well-being and Performance with Measures of Mental Toughness, Grit, and Hardiness*. Poster presented at the American Psychological Association Conference, Washington D.C.

Campbell, R., **DeVore, B.B.**, Harrison, P.K., & Harrison, D.W. (2016). *Anger, fear, and the autonomic nervous system: A case study of panic attack using quantitative encephalography*. Annual meeting of the National Academy of Neuropsychology, Seattle, WA.

Regional Meetings

Nag, R. P., **DeVore, B. B.**, Wheeler, N.L., Watson, K., Parker, K., Harrison, P. K., Campbell, R. W., & Harrison, D. W. (April 2018). *Hemispheric Asymmetry through Autonomic Nervous System Responses to Light Stimulation*. Virginia Tech Experiential Learning Conference, Blacksburg, VA.

Woisard, K., Stafford, W., Eddy, A., Thai, K., Trizna, R., Nguyen, S., Herrick, G., **DeVore, B.**, Harrison, K., & Harrison, D. (March 2018). *Trait Anxiety Differentially Impacts Verbal and Spatial Threat-Related Working Memory Impairment: Right Frontal Capacity Limitations*. Central Virginia Chapter of the Society for Neuroscience Annual Symposium, Richmond, VA.

Herrick, G. A., Hawks-Mayer, H., Banick, A. K., Nag, R. P., Cornejo, S. O., Opeikun, D. F., Baldwin, C., Woisard, K. M., Stafford, M. W., Harrison, P. K., Campbell, R. W., **Devore, B.B.** & Harrison, D. W. (February 2016). *Sex Differences in Hostility*. Virginia Tech Undergraduate Research Conference, Blacksburg, VA.

DeVore, B.B. (September, 2014). *Neuromarketing: Current trends in research and the impact of the media on the brain*. Belmont University Psi Chi Honors Society, Nashville, TN.

DeVore, B.B. (September, 2014) *The brain and behavior: Lessons from Mindsight*. The Ranch Alumni and Professional Event. Nashville, TN.

DeVore, B.B., Alden, J.D. Ph.D. (April, 2013). *The emotional effects of reality television content on psychophysiological activity*. Poster presentation at the Lipscomb Scholars Symposium, Nashville, TN. First Place, Graduate Division.

DeVore, B.B., VanMaaren, V.G., Alden, J.D. Ph.D. (November, 2013). *The emotional effects of reality television content on psychophysiological activity*. Graduate poster presentation at the Tennessee Psychological Association annual meeting, Nashville, TN. 4th place.

DeVore, B.B., Clendenen, Y.J., Wilson, G.A., VanMaaren, V.G., Burgan, L., Leslie, S., Alden, J.D. (November, 2013). *Stroop color/word task resistance to environmental (Light) challenge*. Graduate poster presentation at Tennessee Psychological Association annual meeting, Nashville, TN.

DeVore, B.B., Clendenen, Y.J., Wilson, G.A., Anderson, T.M., Hunter, H.N., Warrington, H., Alden, J.D. (November, 2012). *Stroop color/word task resistance to environmental (Sound) challenge*. Poster presentation at Tennessee Psychological Association annual meeting, Nashville, TN. 3rd place.

DeVore, B. B. (December, 2012). *Gender Differences in Amygdala and Prefrontal Cortex Activity Caused by Posttraumatic Stress Disorder*. Research proposal presentation.

Invited Addresses

Roanoke Area Brain Injury Connection (2016 - 2018) – *Traumatic brain injury and behavior: A neuropsychology approach to treatment*.

Carlson Leadership Academy (2016 - 2018) – *Recruiting leaders for organizational improvement*.

Research

DeVore, B. B., Rosales, A., Steinbach, M., & Harrison, D.W. (Present). *Posttraumatic Stress Disorder Vulnerability in Women: The Neuropsychological Impact of Emotional Trauma from Rape*. Virginia Tech, Blacksburg, VA.

DeVore, B. B., Herrick, G., Banick, A., Naq, R., & Harrison, P. K. (October, 2016 – Present). *Hemispheric Asymmetry through Autonomic Nervous System Responses to Visual Stimulation*. Virginia Tech, Blacksburg, VA.

Salwa, G. M., **DeVore, B. B.**, Parish, R., Patel, S. A., Campbell, R. W., & Harrison, P. K. (November, 2016 – Present). *The Effect of Boredom on Neuroelectrical Activity*. Virginia Tech, Blacksburg, VA.

Geller, S., Flannery, N. M., Torian, B. P., **DeVore, B. B.**, & Glasgow, T. E. (September, 2016 - Present). *Determining*

Discrimination Validity between Mental Toughness, Grit, Self-Motivation, Resilience, Optimism, and Self-Esteem.
Virginia Tech, Blacksburg, VA.

Herrick, G., Opeikun, D.F., Stafford, W., Baldwin, C., Woisard, K., Campbell, R.W., **DeVore, B.B.**, Yang, X., Hawks-Mayer, H., Banick, A., Harrison, K. (January, 2016 – Present). *Sex Differences in Laterality through Motor Function and Concurrent Cerebral Autonomic Nervous System Tasks.* Virginia Tech, Blacksburg, VA.

Stafford, W., Herrick, G., Woisard, K., **DeVore, B.B.**, Campbell, R.W., Yang, X., Harrison, K. (October, 2015 – May, 2017). *Boredom and the Brain.* Virginia Tech, Blacksburg, VA.

DeVore, B.B., Solomon, G., Vanden Noven, M. (November, 2013 – March, 2015). Vanderbilt Sports Concussion Research – *Horse riding and traumatic brain injury: A neurological assessment of concussion symptoms in equestrians.* Vanderbilt University, Nashville, TN.

DeVore, B.B., Clendenen, Y.J., Wilson, G.A., VanMaaren, V.G., Burgan, L., Leslie, S., Alden, J.D. (August, 2012 – May, 2014). *Stroop color/word task resistance to environmental challenge.* Lipscomb University, Nashville, TN.

DeVore, B.B., VanMaaren, V.G., Alden, J.D. (August, 2012 – May, 2014). *The emotional effects of reality television content: Media impact on laterality psychophysiological activity.* Master's Thesis. Lipscomb University, Nashville, TN.

Ray, S.D., Zhao, L. **DeVore, B. B.** (September, 2013 – Present). *Is the Devil and God in the details? Christians' beliefs about the role of God and Satan in negative life events.* Lipscomb University, Nashville, TN.

Professional Memberships

International Neuropsychological Society
National Academy of Neuropsychology
American Psychological Association
Greenleaf Center for Servant Leadership

Honors and Awards

Navy and Marine Corps Commendation Medal
Virginia Tech Graduate School Graduate Student of the Year (Honorable Mention)
2018 & 2019 Galper Travel Award
Good Conduct Award – US Coast Guard
Phi Kappa Phi Honors Society
Golden Key International Honors Society
Alpha Chi Honors Society
Psi Chi Honors Society

Relevant Professional Experience

Food & Beverage Manager – The Wrigley Mansion. Phoenix, AZ.
October, 2007 to April, 2009.
Business Development Manager/Producer - Intrigue Films, Scottsdale, AZ.
November, 2006 to September, 2008.
Sales Associate/Client Concierge – Mercer Advisors. Santa Barbara, CA.
September, 2005 to November, 2006.

Volunteer Work

Volunteer Mentor in Violence Prevention – Virginia Tech Women's Center. 2015 – 2018.
Student Veteran Volunteer – Vets at VT – Blacksburg, VA. 2015 – 2018.
Graduate Mentor – Virginia Tech, 2017 – 2019.

Graduate Representative – Virginia Tech Psychology Department – Blacksburg, VA. 2015 – 2016.
Mediator - Nashville Conflict Resolution Center – Nashville, TN. 2014 – 2015.
Neuropsychological Assessment Intern – Dr. Dale Alden – Nashville, TN. 2012 – 2014.
Creative Media Team - Cross Point Church – Nashville, TN. 2012 – 2015.
Restoration Team - USS Wisconsin – Newport News, VA. 2013.
