Oceanside, CA 92056  
Oceanside Office: (760) 696-3024  
Temecula Office: (951) 760-1866  
C: (951) 795-6330

### DISCOVERY EXPERTS *Excellence Is Standard*

#### Expert Details

Brian H. Aanestad is an Expert in General Engineering Construction, Transportation and Warehousing, including underground construction, civil construction, trenchless construction, heavy truck, and heavy equipment.

Headquarters in Temecula, CA, USA

Discovery Experts, LLC now offers offices for case work, meeting, mediations & arbitrations at our Oceanside office.

Expert provides consultation, case analysis, and testimony on a national basis (USA).

#### Background

Expert has more than 40 years of experience with Heavy and Civil underground construction and transportation, including directly overseeing placement of underground infrastructure such as utilities, pipelines, and conduit, while providing turn-key solutions for both the underground and transport industries. Expert has extensive knowledge of the trenchless boring and drilling industry. Expert has extensive knowledge of the transportation industry including logistics, 3PL, Full Service Lease, rental, maintenance, warehouse and facilities management. Experts background includes ownership, operations and maintenance of both construction and transportation industry equipment. He has provided consulting services for major U.S. communities, including the Freedmen's Town Brick Streets Project in Houston, TX, Vista Canyon Ranch Sewer Siphon Project in Leucadia, CA and SCRIPPS Seawater Return Lines for the University of California San Diego. His clients have included but are not limited to: Caterpillar Corporation, Vermeer Corporation, Southern California Edison, VAST Networks, Tri-Pointe Homes, Kansas City, Missouri, City of Santa Monica and City of Thousand Oaks. He has provided logistics and maintenance for companies such as Douglas Aircraft, McDonald's Corporation, The Motion Picture Industry, Cargill Corporation, and Target stores.

Expert has provided consultation and Expert Witness Testimony for firms such as:

- Wood Smith Henning & Berman LLP
- Rutan & Tucker LLP
- Dowling Aaron Inc.
- Ciancio Ciancio Brown LLC
- Franko Moroney LLC
- Moran Grant Genovese & Baratta LLP

This is inclusive of lite, medium, and heavy duty truck and trailer specifications.

Expert's Areas of Focus:

#### GENERAL ENGINEERING & CIVIL CONSTRUCTION

- Expert Witness
- Litigation Support
- Case Review
- Testimony
- Dispute Resolution
- Delay Cause and Analysis
- Cost Analysis and Accounting
- Labor Analysis
- Damage Dispute
- Civil Construction
- Trenchless Underground Utility Installation
- Underground Pipeline Installation
- Fiber Optic Conduit Networks and Telecommunications
- Gas, Electric, Water, and Sewer
- Storm Drains
- Seawater Return Pipelines
- Contaminated Soil Remediation Pipelines
- Hydro Auger Pipelines
- Structures and Sub-Structures
- Operations Management
- Job and Jobsite Management
- Homeowner Association Management
- Construction Defects
- Estimating
- Plan Review
- Specification Review
- Document Request & Review
- Safety Review
- Traffic Control, traffic planning
