- Certified Safety Inspection Mechanic
- Drug and Alcohol Reasonable Suspicion Supervisor
- Towing and Recovery Operations
- Director of Transportation and Safety
- Commercial Truck Driver Lead Trainer
- Maintenance, Repair, and Inspection of Commercial Vehicles
- Driver Standard of Care
- Hours of Service Issues
- Safety Policies and Procedures
- Double/Triple Trailer Endorsed
- Over 2 Million Commercial Driver Miles
- Driver Hiring and Qualifying

## PROFESSIONAL EXPERIENCE

### Evidence Solutions, Inc.

2024 - Present

*Transportation Safety Expert Witness*

- Consultant on Trucking Industry Safety Standards
- Expert Witness depositions and testimony
- Truck Driver/Fleet Standard of Care Expert Witness
- Driver Training, License Skills Examination, Pre-Hire Qualification Investigations
- Driver Skill Testing and Hours of Service Expert Witness

### Worldwide Equipment - Rockdale, IL

2017 - Present

*Manager, Transportation and Compliance*

- Reporting to the Director of Sales, I provide support to all sales locations nationwide.
- Utilizing my 30+ years of industry experience I provide operational training and final delivery of specialty units to customers across all the brands we represent.
- I also provide training and sales support at several trade shows as well as assure compliance with all applicable state and federal motor carrier regulations.

### Pennsylvania Towing Association - Harrisburg, PA

2022 - Present

*Legislative Director*

- Reporting to the President and Executive Board, as Executive Director I managed daily operations of the not-for-profit trade association from March 2022 through July 2023.
- Currently, as Legislative Director, I represent the views of the Board with Legislators, various State and Federal agencies and association membership.
- I serve on various committees across multiple disciplines representing the Pennsylvania towing industry for regulatory, safety and other issues as directed by the Board.

### Fleet Compliance Solutions, LLC - Hawley, PA

2009 - Present

*President*

- A transportation safety and compliance consulting firm specializing in specialty operations such as the towing, recovery, and car-haul segments of the transportation industry.
- As the Chief Consultant for Fleet Compliance Solutions, LLC I also serve in advisory roles to several state and national trade groups.

### American Towman Media, Inc. - Warwick, NY

2018 - Present

*Business Editor*

- I serve as Business Editor for Tow Industry Week, an online publication from AT Media.

### Skills

### Professional Experience

### Professional Certifications and Licenses

### Trade Associations and Other Professional Memberships

### Training and Instructor Experience

# CURRICULUM VITAE OF BRIAN RIKER

Evidence Solutions, Inc. • [ClientServices@EvidenceSolutions.com](mailto:ClientServices@EvidenceSolutions.com)

## PROFESSIONAL EXPERIENCE cont.

- I write varied columns covering regulatory and management topics focused on the towing and repossession industries as well as present educational seminars at various trade shows across the country.
- As a Contributing Editor I am often featured in the monthly print edition of American Towman Magazine.

### Southwest Tow Operators - Plano, TX

2018 - Present

*DOT Regulatory Compliance Expert*

- I provide educational seminars and answer questions from their Board or general membership on matters related to compliance with Federal Motor Carrier Safety Administration and general US Department of Transportation regulations.

### Fenix Parts, Inc. - Hurst, TX

2023 - 2024

*Director of Safety and Transportation*

- Reporting to the Vice President of Human Resources I developed and managed the policies and processes for all aspects of employee health, safety and environmental operations as well as safety and regulatory compliance throughout their internal transportation network.
- With direct management of the corporate safety team, and support of the Operations Departments, I ensured regulatory compliance and industry best practices were observed.

### eComply.com® - Georgetown, TX

2017 - 2023

*Vice President Transportation Compliance*

- I developed online training and certification materials with a focus on general trucking safety, USDOT compliance and workplace HS&E regulations (OSHA).
- Serving primarily the auto salvage, material recycling and towing industries our platform and material can transcend all transportation segments.

### Majestic One Transport - Dingmans Ferry, PA

2005 - 2018

*Driver and Safety Manager*

- Majestic One was one of my sub-contractors in 2003 and, after discontinuing my towing operations, I began a partnership with them, remaining involved concurrently with all my other endeavors until January 18, 2018, when we ceased operations.
- Most recently I was operating a sleeper equipped tractor-trailer auto transport rig in regional service as required to train drivers and provide customer support.
- My primary focus was managing the safety, regulatory compliance and training programs.

### Danlar Companies - Albuquerque, NM

2011 - 2013

*Towing Safety Manager*

- I developed and implemented safety and training standards for the towing division employees.
- Danlar Towing and their sister companies provided non-consent towing services for the City of Albuquerque, County of Bernalillo and the New Mexico State Police.
- While employed at Danlar I was their representative on the Safety Management Council of the New Mexico Trucking Association.

Evidence Solutions, Inc. • [ClientServices@EvidenceSolutions.com](mailto:ClientServices@EvidenceSolutions.com)

## PROFESSIONAL EXPERIENCE cont.

### Linde Corporation - Pittston, PA

2010 - 2011

*Transportation Safety Manager*

- I assisted with their entry into the energy development and exploration industry.
- My duties included hiring and training commercial drivers, acquiring the required operating authorities and special permits, managing daily operation of their rail yard transload facilities, dispatching loads via rail and truck as well as maintaining adequate inventory of specialty products to support their operations.

### JBR Place Inc. dba My Place Towing - Milford, PA

2004 - 2005

*General Manager*

- Desiring to expand my towing company, I entered into a partnership/purchase agreement with JBR Place, Inc. serving as a working manager with direct oversight of all towing and vehicle repair operations servicing law enforcement and private customers in the light, medium and heavy-duty towing markets.

### BJR Towing Recovery Transport LLC - Hawley, PA

2002 - 2004

*Owner*

- I owned and operated multiple trucks out of two locations providing light, medium, and heavy-duty towing and transportation services in the New York, New Jersey and Pennsylvania tri-state area serving law enforcement, wholesale, fleet dispatch and private customers.

### Copart Inc. - Marlboro, NY

1999 - 2002

*Driver Trainer*

- I operated, and trained new drivers how to operate, multiple types of auto transport and towing equipment including tractor-trailer and straight truck rigs servicing metro New York City, the Capital District of New York, Northeastern Pennsylvania and Northern New Jersey.

### Auto Placement Center Inc. - Newburgh, NY

1997 - 1999

*Operations Supervisor*

- My tenure with APC (now part of IAA) began as a driver operating various types of auto transport and towing equipment.
- Upon being promoted to Operation Manager I supervised all aspects of the daily operation of their largest (at the time) facility in the network.
- My daily duties included dispatching, supervising the weekly auction, predicting pricing, setting minimum sale price (reserve), interacting with vehicle suppliers (insurance companies) and purchasers (dealers and salvage yards).

### Campbell Bus Service - Matamoras, PA

1992 - 1997

*Various Positions*

- Beginning as a diesel mechanic and substitute school bus driver I was quickly promoted to driver trainer and CDL examiner for their third-party skills testing program.
- Rounding out my service, I was tasked with management and development of their fleet maintenance, in-house safety and regulatory compliance programs for their staff of approximately 50 drivers and fleet of 44 school buses.
