Current Work Activities

- Dec 2013
to
Present **Consulting Psychologist**, State of CA, Dept. of State Hospitals, Forensic Services
Sacramento, CA

Conduct psychological risk assessments pursuant to PC 2962 Mentally Disorder Offender (MDO) and WIC 6600 Sexually Violent Predator (SVP). Includes diagnostic and risk assessment of violent inmates/patients within statutory framework to determine potential placement at California State Hospitals. Provide expert witness testimony in both MDO and SVP court hearings/trials. Assessments include record review, personal interview, scoring, analysis, and integration of various static and dynamic risk measures. Mentor new hires in the area of MDO evaluation including co-teaching initial training, reviewing new hires' evaluations, providing guidance and constructive feedback to mentorees, and conducting liaison with DSH management team.

- Jan 2001
to
Present **Private Practitioner In Psychology**, San Diego, CA

Clinical and forensic psychology practice. Member of San Diego Superior Court Expert Witness list from approximately 2003. Independent forensic contractor to California Department of State Hospitals (2002-2013), conducting Mentally Disordered Offender (MDO) evaluations of both violent and sexually violent offenders pursuant to PC 2962. Provided court testimony as needed. Conducted assessment for outpatient treatment provider on High Risk Sex Offenders (HRSO's) being released from prison to parole in San Diego County (2012-2013). Past independent contractor to California Department of Human Resources, conducting pre-employment assessment and evaluation with law enforcement candidates. Psychological assessment and psychotherapy of adults and adolescents, with specialization in treatment of severe mental disorders, personality disorders, and chemical dependency. Additional treatment for mood and anxiety disorders, PTSD, and other clinical problems.

Aug 2001
to
Present

Adjunct Professor of Psychology, San Diego City College, San Diego, CA
Psychology 101: Introduction to Psychology

Previous Clinical Psychology Experience

Jun 2002
to
Dec 2013
(3/4-time)

Senior Clinical Psychologist, County of San Diego, CA, Forensic Conditional Release Program (CONREP), San Diego, CA

Conducted psychological assessment and treatment of civilly and criminally committed forensic mental health patients under Penal Codes 1026 (Insanity), 2962, 2970, and 2972 (MDO) and W&I 6331 (Mentally Disordered Sexual Offenders). Evaluation services included risk assessment, psychological testing, evaluation of readiness for initial placement in the community, restoration of sanity, renewal/discharge from parole/civil commitment. Included quarterly and yearly progress reports to Superior Court. Patients seen at both outpatient and inpatient level (state hospitals). Provided court testimony as requested. Consultation with District Attorney, Public Defender's office, and State Hospital staff. Provided ongoing direct services to CONREP outpatients including individual and group therapy, formal treatment planning, and case management.

May 2000
to
June 2002

Staff Psychologist, State of California, Department of Corrections, RJ Donovan Correctional Facility, San Diego, CA

Conducted assessment evaluations of prisoners pursuant to PC 2684 to determine whether prisoners meet criteria for transfer to state hospital due to severity of symptoms. Evaluated life-sentenced prisoners for Board of Prison Hearings and wrote diagnostic reports assessing inmates' risk and suitability for return to the community. Provided full range of psychological services to prison inmates with mental disorders (frequently severe mental illness), including crisis intervention, diagnostic assessment and evaluation, individual and group therapy, and case management services. Provided training and educational seminars on mental health issues to custody staff.

Jun 1997
to
May 2000

Clinical Therapist, Department of Behavioral Health, County of San Bernardino, San Bernardino, CA, Phoenix Program

Psychological assessment, triage, short and long-term individual and group psychotherapy, and psychological testing to county mental health population of adults, adolescents and children. Provided court ordered Anger Management services/groups to the county Drug Court. Conducted a weekly psychotherapy group for teenage boys referred for delinquency issues from schools, foster care, group homes, and post-release from juvenile hall.

May 1996
to
May 1997

Psychology Intern, Veterans Administration Medical Center, Loma Linda, CA

APA Accredited Internship
Completed clinical rotations in Inpatient Psychiatry, Primary Care, Addictions Treatment, and VA Supported Housing for Mental Health Program.

Aug1994
to
Jul 1995 **Psychology Intern**, Psychiatric and Counseling Services of North County, Vista, CA
Provided outpatient services to chronically mentally ill adults from diverse cultural backgrounds.

Aug 1993
to
