

HIGHLIGHTS

David G. Aggleton, CPP, CSC, has served in the security industry since 1978 serving as a trusted advisor to local and national government agencies, to large and small commercial businesses, to schools and colleges, to high net worth individuals and to the legal profession as an expert witness. Dave has completed close to 1,000 security system consulting and design projects since founding his security consultancy in 1996.

REPRESENTATIVE CLIENTS

Financial

- NY Merc. Exchange
- Goldman Sachs
- Fidelity Investments

Transportation

- MTA, NYC
- White Plains, HPN
- Long Is. Airport, ISP

Government

- UN; DISA; SSA
- Fire Dept, NYC
- Port Auth'ty NY NJ

Utilities

- Verizon
- Westchester Water
- NY Power

Public Buildings

- NY Public Library
- Lincoln Center
- Kimmel Ctr, Phila

Commercial Offices

- Empire State Bldg
- IDS Tower
- Bertelsmann Bldg

Pharmaceuticals

- Pfizer
- GlaxoSmithKline
- B-M Squibb

Data Centers

- AT&T
- DE Shaw
- Google

Forensic Consulting

- WTC Bombing
- Lockheed v MTA
- Honeywell v BRK

Industry

- Hershey Foods
- BMW
- Rolex

AREAS OF EXPERTISE

- Surveying Site Conditions
- Identifying Assets
- Assessing Threats
- Analyzing Risk
- Identifying Vulnerability
- Auditing Security Systems Operations
- Implementing Training
- Designing Technology Solutions
- Researching Emerging Technology
- Developing Construction Documents
- Administering Competitive Procurement
- Managing Contract Implementation
- Testing & Commissioning Systems
- Delivering Expert Testimony

EXPERT WITNESS EXPERIENCE

- Beasley v. Boulevard I Housing Corp., et al. 1994 – Gary Silverstein of Rosenberg, Minc & Armstrong, (212) 697-9280 (related to apartment lobby door locks; report only)
- Curiale v. Capolino, et al. 1995 – Bill Purcell & Peter Cal of Kirkpatrick & Lockhart, 212.536.3900. US Southern District of New York, Judge Louis Kaplan, decision reported 883F.SUPP.941 (report; court testimony)
- Port of Oakland v. Burns & Roe/Securacom v. ISN Corp. 1996 – Robert Ted Parker of Berg, Ziegler, Anderson & Parker – 415.397.6000 ext.205 (report & deposition)
- United States Securacom ex rel. v. Information Systems & Networks Corp. 1998 – Norman Singer of Rudnick, Wolfe, Epstien & Zeidman, 202.712.7251
- World Trade Center Bombing Litigation – Port Authority of NY & NJ 2005 – Dave Hood, PANYNJ, 212.435.3429 (research and report on under-building parking practices)
- Orion Entrance Controls 2012– Josh Kaplowitz, Crowell & Moring, LLC – 703.927.1374 (product injury consulting)
- Margaret Weed, et ux. v TD Bank, et al. 2013 – James W. Christie, Christie, Pabarue, Mortensen and Young – 215.587.1678 (product injury; report)
- Honeywell v BRK 2017 Trade Agreement Infringement - Bob Gilbertson, Greene Espel PLLP – 612.373.8333 (analysis of marketing materials.)
- KC Wilson & Jole Wilson vs. Master Association for Rancho La Quinta 2018 Security Systems Functionality - Mark R Boran, Lewis Brisbois Bisgaard & Smith LLP – 714.966.3102 (installation of perimeter intrusion detection system.)
- South v. National Civil War Museum, Harrisburg, PA 2018 Theft of Firearms - David A. McGowan Caroselli Beachler & Coleman, LLC – 412.391.9860 (report on design, installation and effectiveness of security system.)

EDUCATION & TRAINING

- Derby Technical College (UK) – Higher National Diploma, Mechanical Engineering, 1968
 - University of Connecticut (Hartford & Danbury) - MBA Candidate (12/48 credits), 1980-1982
- Courses:** • Computer Programming • Microprocessor Applications • Computer Security • Finance & Accounting
• Access Control Systems Design • Advanced Guard Force Mgmt. • Industrial Security Mgmt.
• Expert Witness: SEAK (3 courses 2016-2017); FEWA (2 courses 2018-2019)

PROFESSIONAL BOARD CERTIFICATIONS

- Certified Protection Professional (1986)
- Certified Security Consultant (2011)

EMPLOYMENT HISTORY – SECURITY INDUSTRY

Feb. '13 – Present	Aggleton & Associates, Inc. (California) President/Principal Consultant
Apr. '96 – May '13	Aggleton & Associates, Inc. (New York) President/Principal Consultant
Sep. '85 – Mar. '96	Syska & Hennessy / Electronic Systems Associates Group Vice President - Security Consulting & Engineering
Nov. '83 – Sep. '85	Barnes Engineering Co. / V.T. Technologies Vice President Marketing/ Product Manger - Security Systems Design and Installation
Sep. '82 – Nov. '83	Trefilunion, Inc. Vice President Marketing - Intrusion Detection Products
Mar. '78 – Aug. '82	Burns International Security Services, Inc. Consultant/ Branch Manager / Product Line Manager.

Employment Prior to Security Industry:

May '77 – Mar.'78	Olivetti Corporation of America , NC Machine Tool Software & Sales
Aug.'70 – May '77	British Olivetti , Office Equipment & Computer Sales/ Programming
Sep. '65 – Aug.'70	Rolls-Royce Aero Engine Division, Engineering Apprentice/ Service Engineer

TEACHING & SPEAKING EXPERIENCE

- **John Jay College of Criminal Justice**
Herbert Johnson, Director, Criminal Justice Center: 212-237-8618 hjohnson@jjay.cuny.edu
Robert McCrie, Deputy Chair, Dept of Protection Mgmt: 212-237-8386 rmccrie@jjay.cuny.edu
- "Security Systems Design & Access Control Applications" (2-day course) 4/99, 3/00, 1/01, 9/01, 4/02, 2/07
- "How to Succeed as a Professional Security Consultant" (2-day course) 5/01
- **ASIS International**
Becky Mangan, Educational Programs Mgr, 703-518-1410 becky.mangan@asisonline.org
- "Facility Security Design" 3-day Workshop: Faculty '92,'93,'94,'95,'96,'02 (Program Chair)
- ASIS Annual Conference: Speaker on Security Technology topics since 1992
- **International Association of Professional Security Consultants (IAPSC)**
- "Successful Security Consulting" 1-day seminar: Speaker on Various Topics since 2001
- IAPSC Annual Conference: Speaker on Security Technology Topics since 1993
- **Speaker at Industry Meetings** (APE, IAHS, Local ASIS Chapters, ISC, SIA)
- **Speaker at Manufacturer Conferences:** CASI-Rusco – '96 & '97 "Locking Systems"
Axis Communications – '07 "Security Consulting"

AUTHORSHIP (see Page 4 for complete listing)

- **“Protection of Assets” Manual** (part owner 6/99 – 4/04; publication was sold to ASIS in 2004)
1996-2003: 17 Chapter Parts, 90 Monthly Bulletins
- **“Security Management” magazine** 1991-1992: 2 Articles
- **“Security Technology & Design”/“Security Technology Executive” magazine**
1994 – 2013: 30 Articles

AWARDS

- **Security Industry Association** – 1995 Standards Achievement Award
- **IAPSC** - 1997 Merit Award – 2009 & 2012 Achievement Awards – 2009 Meritorious Life Membership
- **IAPSC** – 2015 Charles A. Sennewald Distinguished Service Accolade
- **OSPA** – 2016 US Outstanding Security Performance Award for Security Consulting

INDUSTRY LEADERSHIP ACTIVITIES AND AFFILIATIONS

- **American Society for Industrial Security (ASIS)**
 - Member since Oct. 1981
 - Member of Standing Committee on Security Architecture & Engineering (1994-2012); Past Chair (1996-1997)
 - Judge for US OSPA (Outstanding Security Performance Awards), 2017 - 2019
- **International Association of Professional Security Consultants (IAPSC)**
 - Member since 1992
 - Board Member since 1996
 - President 2003-2005
 - Meritorious Life Member from 2009
 - Chaired Technology, Awards and By-Laws Committees
- **Security Industry Association (SIA)**
 - Member Standards Committee, past Chair of joint SIA & IAPSC subcommittee to develop CAD symbols standards for security devices.
 - Judge for New Products Showcase at International Security Conference: 1995 - 2001
- **Editorial Boards**
 - *Protection of Assets* Manual (1996-03)
 - *Security Technology Executive* (formerly *Security Technology & Design*) Magazine (1996-2017)
