### Summary of Expertise:

Experienced Physician Assistant with over 10 years of clinical practice across multiple specialties, including Otolaryngology, Head and Neck Plastic and Reconstructive Surgery, Hand Surgery, Urgent Care, and Emergency Medicine. Completed a prestigious postgraduate fellowship in Otolaryngology at the Mayo Clinic in Phoenix, Arizona. For the past five years, have served as a supervisory Physician Assistant in a high-acuity emergency department, providing leadership and expert clinical care.

Currently hold the rank of Major in the Air National Guard, assigned to the 161st Medical Group in Phoenix, Arizona, with extensive experience as a medical officer operating in austere and expeditionary environments across multiple overseas deployments.

In addition to clinical practice, have served as adjunct faculty at Pacific University's Physician Assistant Program for the past nine years, providing lectures and instruction in Otolaryngology and related subjects. I have also served as adjunct faculty with Northern Arizona University's school of Physician Assistant Studies
