

ELDO E. FREZZA, MD, MBA, FACS

Award-Winning Academic Surgeon | Physician Executive | Research Leader | Educator | Healthcare Strategist

Visionary physician executive and academic surgeon with over two decades of clinical, research, and administrative leadership. Nationally recognized for excellence in surgical education, physician mentorship, and healthcare delivery innovation. A prolific scholar with over 200 peer-reviewed articles, 20 medical books, and 90+ global presentations, Dr. Frezza combines deep academic expertise with hands-on leadership in utilization management, quality improvement, and organizational transformation.

Currently serving as **Professor of Surgery, Surgical Clerkship Director, Career Advisor**, and **Assistant Dean of Research** at California Northstate University, where he is a two-time recipient of the university's highest teaching honors. His dynamic leadership extends to academic medicine, hospital systems, managed care organizations, and public sector agencies—bringing strategic insight, operational acumen, and clinical credibility to every role.

Fluent in English, Italian, and Spanish, Dr. Frezza is a global educator with visiting professorships in Italy and China, and a lifelong commitment to cross-cultural medical collaboration, student success, and the ethical advancement of medicine.

EDUCATION & MEDICAL TRAINING

- **MBA – Health Organization Management**, Texas Tech University (2005)
- **Fellowship – Advanced Laparoscopic Surgery**, University of Pittsburgh (1999–2001)
- **Surgical Residency** – Staten Island University, Morristown Memorial, University of Padua

MD, University of Padua School of Medicine (1989)

ACADEMIC LEADERSHIP & INNOVATION

California Northstate University – Elk Grove, CA

Professor of Surgery | Surgical Clerkship Director | Career Advisor | Assistant Dean of Research
2023 – Present

- Leads the surgical curriculum and hands-on student mentorship across clinical years.
- Writes MSPEs and career placement strategies, contributing to a 100% match rate.

- Developed cross-disciplinary research initiatives aligned with NIH and DoD funding priorities.
- Served as principal architect for mentorship programs integrating professionalism, ethics, and resilience.
- **Awards:** *Best Inspired Teacher* (2024), *Best Clerkship Director* (2025).

Texas A&M University – Laredo, TX

Professor of Medical Ethics & Professionalism

2015 – 2017

- Spearheaded CME initiatives on regulatory compliance, physician burnout, and institutional ethics.
- Launched first-ever wellness-based ethics modules in medical curriculum.

University of Texas, San Antonio – Valley Baptist Medical Center, Harlingen, TX

Interim Chief Medical Officer | Professor of Surgery | Director of Research & Residency

2010 – 2015

- Drove strategic hospital turnaround in collaboration with FTI Consulting, resulting in \$4M in annual cost savings.
- Oversaw NIH-compliant research, residency redesign, and faculty development.
- Integrated surgical research into hospital QI and risk mitigation efforts.

Eastern New Mexico University – Roswell, NM

Adjunct Professor of Basic Medical Sciences

2017 – 2018

- Developed and delivered foundational science curriculum for aspiring medical students.

Texas Tech University Health Sciences Center – Lubbock, TX

Chief of Minimally Invasive & Bariatric Surgery | CMO of Surgical Services | Director, Research & Fellowship Programs

2003 – 2008

- Founded one of Texas's first minimally invasive surgical skills labs.
- Increased scholarly output by over 1000%—from 4 to 45 peer-reviewed publications in five years.
- Designed and led successful fellowships in bariatric and advanced laparoscopic surgery.

University of Pittsburgh / Loyola University

Assistant Professor / Instructor of Surgery

2001 – 2003

ACADEMIC LEADERSHIP & RECOGNITION

California Northstate University – Elk Grove, CA

Professor of Surgery | Surgical Clerkship Director | Assistant Dean of Research | Career Advisor

2023 – Present

- Lead strategic direction for surgical education, integrating clinical excellence with academic innovation.
- Write MSPEs and mentor students with 100% match success in competitive residency programs.
- Develop research infrastructure and funding strategy as Assistant Dean of Research.
- Advocate for student advancement, professionalism, and ethical training in clinical practice.
- Named **Best Inspired Teacher** (2024) and **Best Clerkship Director** (2025).

Texas A&M University – Laredo, TX

Professor of Medical Ethics & Professionalism

2015 – 2017

- Spearheaded CME programs on ethics, professionalism, and regulatory compliance.
- Introduced wellness-focused curricula addressing physician burnout and accountability.

University of Texas – Harlingen, TX (Valley Baptist Medical Center Campus)

Interim Chief Medical Officer | Professor of Surgery | Director of Clinical Research and Residency

2010 – 2015

- Directed NIH-compliant clinical research and surgical training programs.
- Partnered with FTI Consulting to execute a hospital turnaround, saving over \$4M annually through Lean processes and strategic reform.

Eastern New Mexico University – Roswell, NM

Adjunct Professor, College of Science

2017 – 2018

- Designed foundational science courses for pre-health students.

Texas Tech University Health Sciences Center – Lubbock, TX

Chief, Minimally Invasive & Bariatric Surgery | Director, Fellowship & Research Programs

2003 – 2008

- Built and led one of Texas' first minimally invasive skills labs.
- Elevated academic output from 4 to 45 publications within five years.
- Expanded surgical fellowship and gained national recognition for clinical excellence.

University of Pittsburgh / Loyola University

Assistant Professor / Instructor of Surgery

2001 – 2003

PROFESSIONAL EXPERIENCE (SELECTED)

Evolent – Chicago, IL

Consultant Base Utilization Management | Medical Director, UM

2023 – 2025

- Delivered strategic guidance for value-based care and utilization optimization.

Blue Cross Blue Shield – Chattanooga, TN

Medical Officer – Performance Management Oversight

2023 – 2025

State of Tennessee

Medical Director

- Directed statewide utilization management, physician leadership development, and performance improvement programs.

Bright HealthCare – Minneapolis, MN

Medical Director, Utilization Management (Full-time Consultant)

2022 – Present

- Oversight for New Mexico's Medicaid population, designing care models, health policies, and program growth.

UnityPoint Health – Sioux City, IA

Regional Chief Medical Officer

2022

- Led multidisciplinary teams across acute care, emergency services, and geriatric care programs (PACE).

Nashville General Hospital – Nashville, TN

Medical Director of Surgery

2020 – 2022

- Restructured OR utilization, increasing reimbursement by \$500K in six months.
- Reduced observation patient admissions by 66%.

Mark Twain Medical Center, Dignity Health – San Andreas, CA

Medical Director of Surgical Services | Alternate CMO

2018 – 2019

Lovelace Ardent Hospital – Roswell, NM

Chief Medical Officer | Director of Trauma | Director of Quality

2017

Doctors Hospital – Laredo, TX

Chief Medical Officer | Medical Director of Physician Practice

2015 – 2017

Valley Baptist Medical Center – Harlingen, TX

Professor of Surgery | Interim Chief Medical Officer

2011 – 2015

Henderson Memorial Hospital – Henderson, TX

Director, General Surgery Service

2010

Colusa Medical Center – Colusa, CA

Surgeon

2023 – Present

SELECTED HONORS & AWARDS

- **Best Clerkship Director**, California Northstate University (2025)
- **Best Inspired Teacher**, California Northstate University (2024)
- **President's Faculty Research Award**, TTUHSC (2006)
- **Outstanding Surgical Clerkship Educator**, TTUHSC (2008)
- **National Research Award**, Italian National Research Institute (1990)
- First Prize, **American Society for Bariatric Surgery** (Poster, 2001)

VISITING PROFESSORSHIPS

- **University of Catania**, Italy (2007, 2008)
- **University of Padua**, Italy (2008)
- **Shandong University**, China (2006, 2009)
- **Lanzhou University**, China (2006)
- **Sun Yat-sen University**, China (2007)

PUBLICATIONS & PRESENTATIONS

- 200+ Peer-Reviewed Publications
- 20 Medical Books Authored
- 20 Book Chapters
- 90+ Invited Oral Presentations (International & National Conferences)

GRANT SUBMISSIONS

- *Bayesian Statistical Model for Bioterrorism Preparedness*
 - Department of Defense (Submitted Feb 2025)
 - Bill & Melinda Gates Foundation (Submitted Feb 2025)

LICENSURE & CERTIFICATION

- **FACS** – Fellow, American College of Surgeons
- **ATLS Instructor** – Since 2009
- **Licensed in:** California, Texas, Tennessee, New Mexico, Alabama, Iowa, Illinois, Pennsylvania, New York, UK, Italy

Research (American and International)

- **2006** — President's Award for Faculty Research, Texas Tech University Health Sciences Center, Lubbock, TX
- **2004** — Intramural Award, Texas Tech University Health Sciences Center, for research titled *"Insulin Resistance and Hormonal and Metabolic Substrate Responses to Bariatric Surgery in Non-Insulin Dependent, Diabetic, Morbidly Obese Patients"*

- **2004** — Neely Treadwell Cancer Investigator Award, Southwest Cancer Center, Lubbock, TX
- **2001** — First Prize Poster Presentation, American Society of Bariatric Surgery, for “*Small Bowel Obstruction After Laparoscopic Gastric Bypass for Morbid Obesity*”
- **1998** — Best Oncology Essay, Murray Friedman Essay Competition, American College of Surgeons, New York Chapter
- **1996** — Best Academic Paper by a Resident, Morristown Memorial Hospital
- **1990** — Italian National Research Institute Award for Hepatocyte Transplantation Research; one of three national recipients

Visiting Professorships

- Shandong University, Lanzhou University, Sun Yat-sen University (China)
- University of Catania, University of Padua (Italy)

Active Visiting Professorships from 2006 to 2009

Selected Achievements

- Improved operating room throughput and patient flow, increasing surgical volume by 8–15% across multiple healthcare institutions
- Reduced average hospital length of stay (LOS) by 1.3 days per patient and boosted discharge compliance rates to 95%
- Achieved \$4 million in annual savings through Lean-driven supply chain process improvements
- Increased hospital revenue by optimizing clinical coding practices and reimbursement protocols
- Recruited and retained high-performing surgeons and clinical staff, strengthening clinical services and team performance

Professional Development & Certifications

- Board-Certified in General Surgery
- Fellow, American College of Surgeons (FACS)
- Advanced Leadership Training in Healthcare Management

- Lean Six Sigma Certified

PUBLICATIONS & BOOKS

Books:

- Frezza EE, Gagner M, Li, MKW. *International Principles of Laparoscopic Surgery*. Chief Editors. CineMed Publishing. Norwalk, CT. September 2009, ISBN#978-0-982451h-3-4.
