

EMILIO M. JUSTO, M.D., FAAO, FAACS

Board-Certified Ophthalmologist • Ophthalmic & Oculoplastic Surgeon • Medical-Legal Expert

DrEmilioJusto.com | DrJusto@DrEmilioJusto.com | 602-690-4080 | Fluent in English and Spanish

PROFESSIONAL PROFILE

Board-certified ophthalmologist with more than three decades of clinical and surgical experience in comprehensive ophthalmology, cataract surgery, glaucoma management, and functional and cosmetic oculoplastic surgery. Founder of Arizona Eye Institute & Cosmetic Laser Center and its ambulatory surgery center; clinical educator, investigator, author, and three-time TEDx speaker. Provides independent medical-legal consultation, record review, independent medical examinations, standard-of-care and causation analysis, written expert opinions, deposition support, and testimony for plaintiff and defense matters through Paradise Valley Management Group, Inc. (PVMG), his professional consulting and billing entity.

MEDICO-LEGAL & EXPERT WITNESS EXPERIENCE

Role: Independent Medical-Legal Consultant & Expert Witness, 2014–Present

Professional Consulting/Billing Entity: Paradise Valley Management Group, Inc. (C corporation) EIN 74-3182996

Scope: Plaintiff and defense medical-malpractice matters; independent medical examinations (IMEs); workers' compensation and federal second-opinion evaluations; personal-injury and ocular-trauma matters; medical-record review; standard-of-care, causation, damages, prognosis, future-care, impairment and work-capacity opinions.

Core subject areas: Comprehensive ophthalmology; cataract surgery and complications; premium IOLs; glaucoma and MIGS; oculoplastic and eyelid surgery; blepharoplasty; ptosis repair; ectropion/entropion; CO2 laser surgery; ocular trauma; corneal injury/infectious keratitis; vision loss; macular degeneration; diabetic retinopathy.

Representative current/recent litigation: Ophthalmology expert engagements in Arizona, Nevada, and New York involving glaucoma/cataract care, infectious keratitis/corneal ulcer, postoperative corneal-transplant management, eyelid/ocular trauma, and related standard-of-care and causation issues.

IME/agency work: Ophthalmology IMEs and record reviews for workers' compensation and third-party medico-legal organizations, including evaluations addressing ocular trauma, retinal injury, maximum medical improvement, impairment, work restrictions, medical necessity, and future care; federal OWCP second-opinion evaluation experience.

Prior sworn testimony: Oral expert deposition testimony, Douglas Myers v. James Plotnik, M.D., et al., Maricopa County Superior Court, Arizona, Case No. CV2013-010134 (November 4, 2014). No expert deposition or trial testimony during the preceding four years as of September 2026.

A separate Comprehensive Expert Witness & Medico-Legal Experience list, including retaining-side/source information and reference contacts where available, is maintained and available upon request. Expert opinions and testimony are rendered personally by Emilio M. Justo, M.D.; PVMG serves as the contracting, invoicing, and tax-reporting entity for this work.
