

Emma Beaver

Audiology License: A.02443
Cell Phone: (614) 282-2037

Address: 839 Riva Ridge Blvd.
Columbus, Ohio 43230

E-mail: beaver.117@osu.edu

Education

Doctorate of Audiology Degree
3.815 GPA

The Ohio State University
Columbus, Ohio

Achieved 5/7/2023

Bachelor of Arts Degree
Awarded Magna Cum Laude with
Honors in Speech and Hearing
Science
3.880 GPA

The Ohio State University
Columbus, Ohio

Achieved 12/18/2016

Clinical Areas of Specialization

- Standard adult audiological evaluation test battery: otoscopy, tympanometry, and comprehensive behavioral audiometry
- Supporting adult audiological evaluation tests: acoustic reflex thresholds and decay, speech in noise testing, the Stenger test, and diagnostic otoacoustic emissions
- Adult hearing aids: earmold impressions, fittings of Oticon, Signia, Starkey, Phonak, Widex, and GN ReSound, real ear measurements, clean and checks, in-office repairs, aided audiometric testing, validation measures, electroacoustic assessments, earmold modifications, and patient counseling on hearing aid use, care, acclimatization, and good communication strategies
- Standard adult videonystagmography test battery: otoscopy, cervical screeners, oculomotor testing, positioning and positional testing, and air caloric irrigation testing
- Supporting adult videonystagmography tests: video head impulse testing, Tullio phenomenon and Hennebert sign testing, ocular vestibular-evoked myogenic potentials, cervical vestibular-evoked myogenic potentials, passive head shaking nystagmus testing, skull vibration-induced nystagmus testing, and rebound nystagmus testing
- Standard adult electronystagmography test battery
- Standard adult neurodiagnostic auditory brainstem response testing

Recent Clinical Education

Audiology Doctoral Fellow
(Externship)

Dayton Veterans Affairs Medical
Center and Springfield Community
Based Outpatient Clinic
Dayton, Ohio
Springfield, Ohio

7/2022 - 4/2023

Graduate Trainee of the
Leadership Education in
Neurodevelopmental and
Related Disabilities Program
