EXPERIENCE

2026 - Present **AMERICAN COLLEGE OF CLINICAL PHARMACOLOGY**
Member: Credentials Committee

The main purpose of the Credentials Committee is to review applications for membership and make recommendations to the Board for approval, as well as to propose language and processes that are consistent with the changing needs of ACCP and support ACCP's need to attract New Members, but also maintain its high standards for membership. It may recommend to the Board any changes believed necessary to procedural rules or regulations and to review membership relations within ACCP including, but not limited to, controversies, complaints, resignations, dues waivers, non-payment of dues and dues remissions. Student Members and Members are provisionally approved by the Executive Director, but also undergo review by the Committee and formal approval by the Board. Applications for Fellow, Upgrade to Fellow and Emeritus status are reviewed by the Committee for recommendation to the Board and are approved by the Board.

2024 - 2026 **AMERICAN COLLEGE OF CLINICAL PHARMACOLOGY**
Member: Committee on Professional Thriving (formerly Inclusion, Diversity, and Equity Committee)

Among other things, the Inclusivity, Diversity & Equity Committee activities include:

- Developing guidance for incorporating IDE into society Policies & Procedures;
- Developing guidelines to promote IDE in ACCP meetings, Workshops and Symposia and all educational activities; and
- Advancing IDE in the composition of Board, Committees, Faculty Speakers, Award Recipients and overall society membership.

2021 - Present **RIGHTWAY HEALTHCARE**
Medical Advisor, Pharmacy & Therapeutics Committee

With my training in pharmacy and medicine, I was invited to serve as a Medical Advisor on the newly formed Pharmacy and Therapeutics (P&T) Committee. RightwayRx is a new-to-the-world Pharmacy Benefits Manager (PBM) model which combines trusted pharmacy guidance with a fully transparent pricing model, unlocking trapped margin in the supply chain, and delivering it back to plan sponsors and members. Additionally, RightwayRx's clinical model aims to steer utilization towards high-value medications, maximizing clinical and financial outcomes, while still holding the provider-patient relationship in high regard.

2020 - Present **STATION WVGB-FM, SOUTH CAROLINA**
Founding Executive Medical Correspondent

Established the Office of Medical Correspondence staffed with volunteer health care professionals from around the nation.
