4725 ASHLYN TAYLOR LN TERRE HAUTE IN 47802  
812-240-5329  
GKUNAPAREDDY@UHHG.ORG  
CITIZENSHIP: USA

**EDUCATION**

---

**Undergraduate:**

School: Stony Brook University, Stony Brook, NY  
Degree: BA - Bachelor of Arts – Cultural Anthropology  
Dates: August 2000 – May 2004

**Graduate Degrees**

Institution: Indiana University School of Medicine, Indianapolis, IN  
Degree: MD - Medical Doctorate  
Dates: August 2004-May 2011

Institution: Indiana University School of Medicine, Indianapolis, IN  
Degree: MS - Masters in Science – Cellular & Integrative Physiology  
Dates: August 2004-May 2011  
Elected Class president and student liaison  
October 2004-June 2006

Institution: Indiana University Kelley School of Business, Indianapolis, IN  
Degree: MBA - Master of Business Administration  
Dates: August 2004-May 2011

**Post Graduate Training**

Institution: Indiana University School of Medicine, Indianapolis, IN  
Position Resident Physician – Internal Medicine  
Dates: July 2011-June 2014

Institution: Indiana University School of Medicine, Indianapolis, IN  
Position Chief Resident – Internal Medicine  
Dates: July 2014-June 2015

Institution: Cleveland Clinic, Cleveland, OH  
Position Fellow – Hematology/Oncology  
Dates: July 2015-June 2018  
Chief Fellow - Quality Improvement  
2017-2018

## **FACULTY APPOINTMENTS**

---

Position/Rank: Attending Physician – Junior Faculty and Chief Resident  
Institution/Department: Internal Medicine Department – Indiana University School of Medicine  
Dates: (July 2014-June 2015)  
Position/Rank: Hematologist/Medical Oncologist  
Institution/Department: Union Hospital – Union Medical Group  
Dates: (August 2018 – present)  
Position/Rank: Medical Director  
Institution/Department: Palliative Medicine and Supportive services  
Dates: (10/2019 – 10/2021)  
Position/Rank: Clinical Assistant Professor of Medicine  
Institution/Department: Indiana University School of Medicine  
Dates: (4/2020 – present)  
Position/Rank: Medical Director  
Institution/Department: Oncology Service Line  
Dates: (10/2020-present)

## **HONORS AND AWARDS**

---

Merit Award for outstanding abstract from Conquer Cancer Foundation and American Society of Clinical Oncology 2017  
Abstract achievement award from American Society of Hematology 2017  
Quality Training Program - ASCO  
National VA Quality Improvement and Patient Safety  
House Staff Engagement – Patient Safety Day  
Graduate Student Liaison  
Intra fraternity and sorority representative. President

## **CERTIFICATION AND LICENSURE**

---

Name of Board: American Board of Internal Medicine  
Date of Certificate: August 2014  
Licensure State/Number: Indiana/01074185A  
Name of Board: Medical Oncology  
Date of Certificate: 11/2018  
Name of Board: Hematology  
Date of Certificate: 12/2018

## **COMMITTEE SERVICE**

---

Organization: Union Hospital  
Union hospital, Oncology Cancer committee – Member 9/2018-present  
Union Hospital, Venous thromboembolism committee – Member 2/2018-present  
Union Hospital Palliative Care and supportive services – Director 9/2019-present  
Union Hospital Executive Board of Finance – Member 12/2019-12/2024  
Union Hospital Director of Oncology Service Line 10/2020-present  
  
Organization: Cleveland Clinic  
Taussig Cancer Institute Quality Steering Committee – Member 1/2016-6/2018  
Taussig Cancer Institute Low Risk Febrile Neutropenia committee – Team lead 1/2016-6/2018  
Taussig Cancer Institute Resource Utilization Committee – Member 1/2016-6/2018  
Taussig Cancer Institute High Utilizer Committee – Team lead 6/2016-6/2018  
Inpatient Leukemia Quality Control Committee – Member 6/2016-6/2018

Hematology/Oncology Program Evaluation Committee – Member	6/2016-6/2018
Fellowship Recruitment Committee – Co-chair	6/2016-6/2018
Taussig Cancer Institute Same Day Access clinic – Neutropenic fever	1/2017-6/2018
Oncology Care Model – Committee member	6/2017-6/2018
Cleveland Clinic Patient Safety Day – Expert consultant and chair of peer review committee	6/2017-6/2018

<b>Organization:</b> Indiana University Department of Internal Medicine	
Peer Review Committee at VA Roudebush hospital – Representative for internal medicine	5/2014-6/2015
Professionalism Committee – Chair	5/2014-6/2015
Patient Safety Huddle – Team lead	5/2014-6/2015
Patient Safety Day – Abstract Review Committee and conference organization	5/2014-4/2015
Quality assurance committee – Member	5/2014-6/2015
Patient Safety Steering Committee – Member	5/2014-6/2015
Resource utilization committee – Member	5/2014-6/2015
Graduate Medical Education – Patient Safety Council – President	5/2014-6/2015
Graduate Medical Education – Housestaff Forum – Member	5/2014-6/2015
Internal Medicine – Recruitment Committee – Chair	5/2014-6/2015

## TEACHING ACTIVITIES

<b><u>Indiana University School of Medicine</u></b>	<b>5/2019 - present</b>
<b><u>Assistant professor of medicine</u></b>	

### **Chief Quality Fellow - Curriculum/Course Development**

<b><u>Hematology &amp; Oncology Fellowship Patient Safety and Quality Improvement</u></b>	6/2017-present
Lead morbidity and mortality conferences monthly	
Organized didactics and workshops teaching process improvement, human factors engineering, error and cognitive bias in medicine	
Participate and facilitate quality improvement projects within the fellowship program	

<b><u>Department of Medicine, Indianapolis, Indiana</u></b>	5/2014-6/2015
Attending physician on general internal medicine wards with dedicated education to residents and medical students	
Attending physician for an ambulatory medicine clinic at VA Roudebush hospital	
Attending physician on inpatient patient safety consults, staffing senior medicine residents	
Moderated resident morning conferences	
Didactic conferences for residents, hospitalists, and medical students	
Taught PDSA and continuous quality improvement to 2 <sup>nd</sup> year medicine residents	
Taught LEAN management to senior medicine residents and hospitalists	
Facilitated all Internal Medicine Morbidity and Mortality Conferences at VA Roudebush and Methodist Hospital	
Introduction to clinical medicine – small group course directed to 3 <sup>rd</sup> year medical students	
Procedure workshops directed to 3 <sup>rd</sup> and 4 <sup>th</sup> year medical students	

## ORIGINAL RESEARCH:

Reduction of chemotherapy associated alopecia in early stage breast cancer patients	5/2022-present
Use of peripheral cooling to reduce the risk of peripheral neuropathy during taxane and platinum therapy in early stage breast and colon cancer patients	5/2022-present
Creation of individualized care plans in high risk oncology patients: A team based model to decrease unnecessary hospitalizations and ED utilization: prospective study	
Research Mentor: Dr. Alberto Montero	4/2016-6/2019
Creation of a clinical care pathway for management of low risk febrile neutropenia in the ambulatory oncology setting	
Research Mentor: Dr. James Stevenson	6/2016-6/2018
Predictors for recurrent 30-Day unplanned readmissions in patients with hematologic malignancies.	

Research Mentor: Dr. Sudipto Mukherjee	6/2016-6/2018
Reduction of central line associated blood stream infections on inpatient malignant hematology service, with the use of chlorhexidine baths Research Mentor: Dr. Alberto Montero	1/2017-6/2018
Improving hand hygiene compliance in the ambulatory oncology setting Research Mentor: Dr. Alberto Montero	4/2017-6/2018
Identification of high risk patients of incidental or recurrent venous thromboembolism in inpatient oncology patients that would best benefit from primary and secondary thromboprophylaxis: A prospective study Research Mentor: Dr. Alok Khorana	6/2017-6/2018
Assessment and validation of a high risk calculator for readmission in oncology patients Research Mentor: Dr. Alberto Montero	6/2017-6/2018
Cardiac risk factors and predictors for cardiotoxicity in patients with early stage breast cancer with adjuvant radiation therapy Research Mentor: Dr. Chirag Shah	9/2017-6/2017
Assessing the ability of a multidisciplinary inpatient team readmission risk prediction Research Mentor: Dr. Hetty Carraway	10/2017-6/2018
Surveillance vs. BEP treatment or RPLND in clinical stage 1 non-seminoma germ cell tumors, Research Mentor: Dr. Lawrence Einhorn, Indiana University School of Medicine	4/2013-6/2015
Hand Hygiene Compliance Research, Co-investigator, City of Hope Hospital, California. Helped develop an education tool/brochure “Safe Care begins with Clean hands” to better educate patients regarding the importance of reducing nosocomial infections.	8/2004-5/2007
Lipid Metabolism. Identified the role of PDK4 up-regulation during fasting, and effects on lipid and glucose metabolism in PDK4 Knockout mice vs. wild type. Research Mentor: Dr. Robert A Harris. Indianapolis, IN.	6/2005-5/2006
Primatology Research. Studied the Scent marking behavior of primates and significance of group dynamic and rates of scent marking behavior according to social hierarchy, territorial defense and reproductive suppression. Research Mentor: Dr. Patricia Wright, Stony Brook, NY	5/2003-6/2004

Workshops:

**Kunapareddy, G**, Fisher, K, Davis, T, Miller, D, Cox, L. STAT Safety Consult! A timely curriculum to engage residents in improving patient care delivery. Workshop presented at SGIM, Chicago IL October 2014

## **RELATED EXPERIENCE**

### **Rural medicine**

- Provided medical care and education to underserved areas of Kenya during my third year of residency. Spent 6 weeks working at Moi University in El Doret Kenya, focused on patients with HIV

### **Introduction to Clinical Medicine; Problem Solving and Physical diagnosis**

- Facilitator for 1<sup>st</sup> and 2<sup>nd</sup> year medical students learning appropriate history taking and physical exam skills.

### **Global Longitudinal Intersession Curriculum**

- Help conduct procedural workshops for 3<sup>rd</sup> year medical students

**Mantle cell lymphoma foundation**

- Closely participated in process of writing a business plan for creating a non-profit foundation focused on an area of less known/funded research

**Post chemotherapy aid for cancer survivorship**

- Creating a website that will link all available resources in one area that can better improve mental, physical and social healing of cancer patients in remission, and to encourage continued care.
- In process of developing a study to assess the rate depression in recent remission patients and the rate of continued care post remission

**REMEDY; REcovered Medical Equipment for the Developing world**

- One of the leading members in establishing a new chapter of this not-for-profit organization at IUSM.
- Collecting/sorting/storing unused surgical equipment after procedures and shipping the materials by either collaborating with existing abroad medical programs or to established centers that can transport the materials to third world countries.
- Purpose is to increase global aid, waste reduction, and cost effectiveness.

**Adolescents against Substance Abuse Program, IUSM**

- Visit local elementary schools education the children of the hazards of toxic drugs and their effects on the human body

**MD/MBA Physician Leaders Forum**

- Writing a white paper to be presented to Indiana University executive board in improving research culture at IU in order to increase self sufficiency of labs

**Jim Holland Summer Enrichment Program, Dept of Biology, IU-Bloomington**

- For two years during medical school, functioned as a camp counselor and academic advisor for young teenagers interested in a future of science/medicine.

**Children for Children's Future,**

- Co-founder of the organization in Stony Brook to raise funds to aid orphans of HIV parents in Tanzania, Africa. Began the organization after returning from a study abroad program to Tanzania. Functioned as an ethnographer observing the Massai Culture, and spent two weeks studying the local hospital system and the facilities available for HIV patients.

**MEMBERSHIP**

American Society of Clinical Oncology  
 American Society of Hematology  
 American College of Physicians  
 American Medical Association

## Fee Schedule 2025

Oncology and Hematology Expert

Name: Girish Kunapareddy MD

Phone: 812-240-5329

Email: [gck0515@gmail.com](mailto:gck0515@gmail.com)

### 2025 FEE SCHEDULE CONFIRMATION & AGREEMENT

The referral of this expert constitutes a legal offer for acceptance of the fees outlined below:

Rates for this expert are as follows:

Standard Consulting: \$800.00/hour\* + Expenses (5 hour minimum)

Deposition Expert Witness: \$1000.00/hour\* + Expenses
