EXPERT SUMMARY OB-GYN hospitalist for 13 years with expertise in labor and delivery management, emergent obstetric care, and urgent gynecologic consultation and surgical cases. Prior to hospitalist practice, completed six years of full-scope, full-time inpatient and outpatient obstetrics and gynecology practice. Earned a B.A. in English from Reed College and an M.D. from the University of South Dakota School of Medicine. Completed internship at the University of Hawaii and residency training at the University of California, Los Angeles (UCLA). Board-certified in Obstetrics and Gynecology since 2008 and active member of American College of Obstetricians and Gynecologists and Society of OB/GYN Hospitalists. Served for 7 years as a California Medical Board-designated OB/GYN expert and have provided independent expert opinion in obstetrics and gynecology for 11 years. Retained by both plaintiff and defense counsel, offering comprehensive written and verbal case reviews, IMEs, and testimony. Experience includes depositions, mediations, administrative hearings, and jury trials in civil, criminal, and administrative proceedings.
