

CURRICULUM VITAE

JEFF VICTOROFF, M.A., M.D., FAAN

A. Personal Information

Title: Associate Professor of Clinical Neurology and Psychiatry
Keck School of Medicine
University of Southern California
Fellow, American Academy of Neurology

Address 40 Seaview Drive North
Rolling Hills Estates, CA 90274

Email: victorof@usc.edu
Place of Birth Cleveland Heights, Ohio
Citizenship U.S.

B. Education

Colleges/Universities St. John's College
Great Books
Annapolis, Maryland
B.A. Magna Cum Laude, 1974

University of Chicago
Chicago, Illinois
Divisional Master's Program in the Social Sciences
Biopsychology
Thesis: Sex Differences in the Lateralization of
Human Cerebral Functions (advisor: Jerre Levy,
Ph.D.)
M.A. 1978

Medical School Case Western Reserve University School of
Medicine. Cleveland, Ohio.
M.D. 1982

Internship University Hospitals. Cleveland, Ohio
Assistant Resident in Medicine and Neurology
1982-1983

(Education, cont'd.)

Residencies

McLean Hospital. Clinical Fellow.
Harvard Medical School. Psychiatry. 1983-1985

Harvard Longwood Medical Area Neurology
Program. Clinical Fellow.
Harvard Medical School. Neurology. 1985-1988;
Chief Resident, Beth Israel Hospital 1987-1988

Fellowship

University of California at Los Angeles (UCLA)
School of Medicine. Los Angeles, California.
Behavioral Neurology. 1988-1990

Selected Awards

Recognition for leadership, American Academy for
the Certification of Brain Injury Specialists, 2004

Medical Student Teaching Award, 2010
Department of Neurology
University of Southern California

Licensure

Massachusetts Board of Regulation in Medicine.
License # 52051. 1984-1989

State of California License # G63241. 1988-

Certifications

Diplomate, National Board of Medical Examiners.
1983-

American Board of Psychiatry and Neurology, Inc.
Neurology. February 8, 1991 #34069

American Board of Psychiatry and Neurology, Inc.
Psychiatry. May 10, 1993 #37511

Certified **Neurorehabilitation** Specialist,
American Society of Neurorehabilitation. April 15,
1994

Diplomate, American Board of **Forensic
Medicine**. 1997-

(Certifications, cont'd)

Certified **Brain Injury Specialist**, Certified Instructor; American Academy of Certified Brain Injury Specialists. 2001 –

Certified in **Behavioral Neurology and Neuropsychiatry**
United Council for Neurologic Subspecialties;
September 30, 2006. #BNNP00251-06

C. Professional Background

Academic Appointments

Clinical Instructor in Neurology. University of California at Los Angeles. Los Angeles, California. 1988-1990

Assistant Professor of Neurology, University of Southern California School of Medicine. Los Angeles, California. 1990-1998

Associate Professor of Clinical Neurology, University of Southern California Keck School of Medicine.
Los Angeles, California. 1998-2003

Associate Professor of Clinical Neurology and Psychiatry, University of Southern California Keck School of Medicine.
Los Angeles, California. 2003-

Specific Teaching Responsibilities

Director of the Neurology Residency Education Program. Rancho Los Amigos National Rehabilitation Center. Downey, California. 1992-96

Visiting Professor, Neuroimaging and Behavior, Department of Psychology Graduate Program, Brigham Young University. 1999-2001

Neurological and Mental Status Examination instructor for all Year IV Medical Students, USC Keck School of Medicine. 1998 –

McLean Hospital/Harvard Task Force on Governance. 1984

Pre-Medical Advisory Committee and Non-Resident tutor in Medicine. Winthrop House, Harvard College. 1984- 1988

(Professional Background - continued)

Physician's Well Being Committee. Rancho Los Amigos National Rehabilitation Center. 9/90-

Common Data Base Committee, California Alzheimer's Disease Diagnostic and Treatment Centers. 7/1/91 – 97

Chairman, Research Committee, California Alzheimer's Disease Diagnostic and Treatment Centers (USC, UC San Diego, UC Irvine, UC San Francisco, UC Davis at Berkeley, UC Sacramento, Stanford) 7/1/91 to 6/30/92. Committee Member 1990-1998.

Residency and Education Committee, University of Southern California School of Medicine, Department of Neurology.
8/1/92 - 01

Acting Chair, Department of Neurological Sciences. Rancho Los Amigos National Rehabilitation Center. Downey, California. 1992-1993

Chairman, Bioethics Resource Committee. Rancho Los Amigos National Rehabilitation Center. Downey, California. 1996-1997

Member, Research Committee of the Rancho Los Amigos National Rehabilitation Center. 1996-1998

Chairman: American Academy of Neurology Committee on Practice Parameters for Post-concussive Syndrome 2001 –

Member of the Board, American Academy of Certified Brain Injury Specialists, 2001-

Chairman, Program Committee, American Academy of Certified Brain Injury Specialists, 2002-

Chairman, Corporate Advisory Council, American Academy of Certified Brain Injury Specialists, 2002-

Roster of Terrorism Experts, United Nations, 2004 -

Member, International Scientific Committee,
International Academy of Law and Mental Health, 2005-

(Professional Background - continued)

Member, Committee on Research,
American Neuropsychiatric Association, 2006 –

Professional Activities

Rancho Los Amigos National Rehabilitation Center

Director of the TBI/Neuropsychiatry Clinic. 1998-2012
Director of Neurobehavior. 1990-98
Director of the Neuro-Medicine Clinic. 1990-1997
Co-Director, Geriatric Neurology Clinic. 1994-1997
Director, Neuropsychiatry Clinic, 1999 –

University of Southern California; The Doctors of USC

NFL Neurologic Care Program
Leader of Western U.S. Center, 2010-2013

Selected Invited Presentations

"Biological Correlates of Interictal Behavior in Complex Partial Seizures"

University of California at Los Angeles Neurobehavior Conference
Los Angeles, CA; 3/5/91

"Rapidly Progressive Dementia"

University of Southern California Department of Neurology
Grand Rounds
Los Angeles, CA; 4/6/92

"DSM-III-R Diagnoses in Patients with Complex Partial Seizures"

Symposium on Epilepsy and Behavior
American Psychiatric Association Annual Meeting
New York, NY; 5/6/92

"Psychotropic Medications for Behavior Management"

Alzheimer's Association, Los Angeles Chapter, Annual Conference
Los Angeles, CA, 11/4/93

(Selected Invited Presentations, cont'd)

"Alzheimer's Disease: Has the Golden Age of Treatment Arrived?"
Twenty-eight lectures presented throughout the United States; 1992-1994

"Neuropsychiatry of Epilepsy: Mood Disorders"
Behavioral Neurology and Neuropsychiatry Symposium
University of California at Los Angeles
Los Angeles, CA; 6/30/95

"Treatments in Development for Alzheimer's Disease"
Alzheimer's Disease in California Decade of Progress Symposium;
California Department of Health Services Sacramento, CA; 9/27/95.

"Non-cognitive Behavior Changes in Alzheimer's Disease - Phenomenology and Neurobiology" - Frank Benson Lecture
UCLA School of Medicine
Los Angeles, CA; 10/2/95

"Diagnostic Tests for Alzheimer's Disease"
Alzheimer's Disease in the 21st Century
Alzheimer's Association
Los Angeles County Annual Symposium
Los Angeles, CA; 10/27/95

"Neurobiology of Violence"
University of Southern California School of Medicine Department of
Neurology Grand Rounds
Los Angeles, CA; 10/31/95

"Dementia"
Barrows Neurologic Institute Grand Rounds
Phoenix, AZ; 2/23/96

"The Idea of Dementia"
USC School of Medicine Department of Neurology
Grand Rounds
Los Angeles, CA; 4/9/96

"What and Where is Memory?"
USC Keck School of Medicine
Department of Neurology Grand Rounds
Los Angeles, CA; 9/30/2000.

(Selected Invited Presentations – cont'd.)

“What and Where is Memory?”

Graduate Seminar
Department of Psychology
Brigham Young University
Provo, UT; 9/18/2000

“Traumatic Brain Injury”

USC Keck School of Medicine
Department of Neurology Grand Rounds
Los Angeles, CA; 10/5/2000

“Preventing Dementia”

27th Annual Symposium
Breakthroughs in Neuroscience
Barrows Neurologic Institute
Phoenix, AZ; 3/3/01

“The Fundamental Problem: Identifying And Encouraging Good Teachers”

American Academy of Neurology Course
“The Neurology Clerkship”
Philadelphia, PA; 5/5/01

“The Mind of the Terrorist”

American Neuropsychiatric Association
Annual Meeting
San Diego, CA; 3/10/02

“The Neurobiology of Violence”

USC Keck School of Medicine
Department of Neurology Grand Rounds
Los Angeles, CA; 12/3/02

“The Physiology of Memory”

Islamic University
Gaza City, Palestinian Autonomous Territories; 4/14/03.

“Terrorism: Work for Prevention, Plan for Disaster”

Issues Deliberation America/Issues Deliberation Australia International
Assembly
University of Texas; Austin, TX; 8/19/04

(Selected Invited Presentations – cont'd.)

“Aggression and Neurocircuitry”
Disorders of Impulsivity and Amygdala Neurocircuitry Conference;
Uniformed Services University of the Health Sciences Bethesda, MD;
9/22/04

“The Mind of the Terrorist: A Review and Critique of Psychological Approaches.”
UCLA Dept. of Psychiatry Grand Rounds, Harbor General Hospital,
Torrance CA; 12/14/04

“The Mind of the Terrorist: A Review and Critique of Psychological Approaches.”
Harvard Mass Violence Group
Cambridge, MA; 12/17/04

“Adolescent Brain Development: Implications for a Science of Criminal Responsibility”
California Attorneys for Criminal Justice Annual Conference
Monterrey, CA; 2/18/05

“The Mind of the Terrorist: A Review and Critique of Psychological Approaches.”
Washington State Psychiatric Association
Seattle, WA; 3/19/05

“Morality, Criminal Responsibility, and the Human Brain”
29th International Congress on Law and Mental Health, International
Academy for Law and Mental Health,
Paris, France; 7/4/05

“The Mind of the Terrorist: Toward an Empirical Understanding”:
International Society for Political Psychology, 28th Annual Meeting,
Toronto, Canada; 7/06/05.

“The Nature of Terrorism: Preliminary Results from a Study of CNS Correlates of Political Conflict among Palestinian Children of the Intifada”
NATO Advanced Research Workshop
Castelvecchio Pascoli, Italy; September 15, 2005.

(Selected Invited Presentations – cont'd.)

The Mind of the Terrorist: Preliminary Thoughts on Terrorism as Aggression
University of California at Irvine, Department of Neurology, Grand Rounds, October 16, 2005.

The Mind of the Terrorist: A Review of the State of the Art
University of California at Irvine, Political Psychology Research Forum, October 16, 2005.

The Mind of the Terrorist: Toward an Empirical Understanding
Los Angeles Neurologic Society Annual Meeting
Los Angeles, CA; October 19, 2005

“The Neuropsychiatric Basis of Aggression and Violence”
U.S. Psychiatric and Mental Health Congress
Las Vegas, NV; November 9, 2005.

“Toward a Scientific Revolution in the Application of Behavioral Sciences to the Study of the Deep Roots of Terrorism”
American Psychiatric Association Annual Meeting, Symposium on Psychocultural Foundations of Political Terrorism. Toronto, Canada, May 22, 2006.

“Neuroendocrine Correlates of Sympathy for Terrorist Ideology among Refugee Boys in Gaza”
Association for Psychological Science
18th Annual Convention
New York, May 26, 2006

“Role of Perceived Oppression in the Genesis of Terrorism: Preliminary Correlates of The Oppression Questionnaire.”
International Society for Political Psychology Annual Meeting, Barcelona, Spain July 14, 2006.

“Measuring Human Aggression: The Challenge of a Lifetime”
International Society for Research on Aggression. Annual Meeting. Minneapolis, July 26, 2006.

“Terrorism as terrible intergroup relations.”
Center for the Study of Terrorism and Responses to Terrorism. National Press Club, Washington, D.C. November 12, 2006.

(Selected Invited Presentations – cont'd.)

“Psychiatry and Conflict: What Roles? What Priorities?”
Group for the Advancement of Psychiatry, Semiannual Meeting
White Plains, NY. March 30, 2007.

“Territory, Migration, and Conflict: What Might Work to Improve
Muslim/non-Muslim Relations.”

NATO, Advanced Research Workshop, Social Stress of
Immigrants/Members of Minority Groups as a Factor in Terrorist
Behavior.
Tel Hai, Israel. April 29, 2007.

“The Evolutionary Social Neuroscience of Aggression”
XXXth International Congress on Law and Mental Health
Padua, Italy, June 26, 2007.

“Applying the Social Science of Aggression to Understanding and
Improving Muslim/non-Muslim Relations in Western Europe.”
Interdisciplinary Analyses of Aggression and Terrorism. First Annual
combined meeting: Coloquios Internacionales sobre Cerebro u Agresión
and Society for Terrorism Research. Miraflores, Spain, September 30,
2007.

“I Have a Dream: Can Prejudice Reduction Between Muslim and Non-
Muslim Teens Measurably Reduce Long-Term Conflict Behaviors?”
Peace Science Society (International). 41st North American Meeting
Columbia, South Carolina, November 2, 2007.

“Analyzing Terrorism Across Different Social Sciences” (Discussant)
International Studies Association Annual Conference, San Francisco,
CA 03/27/08.

“Ingroup Relations, Prejudice Reduction, and the Threat of Jihadi
Violence.”

In The Changing Face of Terrorism: Suicide Terrorism and
Radicalization in Émigré Populations. American Psychiatric
Association Annual Meeting. Washington, D.C., 5/5/08

“Happiness: New Insights from Social Psychology and Neuroscience”
U.S. Psychiatric and Mental Health Congress, 10/31/08; San Diego,
CA

(Selected Invited Presentations – cont'd.)

“Aggression: From Evolutionary Psychology to Neurobiology to Practical Treatment”
U.S. Psychiatric and Mental Health Congress, 10/31/08; San Diego, CA

“Neurobiology and Collective Aggression”
A Roadmap to Define the Neurobiological Mechanisms of Political Conflict. Claus M. Halle Institute for Global Learning and The Center for Neuropolicy. Arlington, VA 12/15/08.

“Cerebral lateralization of human violence.” Victoroff, J., Adelman, J., Brining, L. American Neuropsychiatric Association Annual Meeting, San Antonio, TX, 2/22/09.

“Neurobehavioral sequelae of TBI and the Common Data Elements”
Victoroff, J., Vasterling, J.
National Institute for Neurological Disorders and Stroke
TBI Common Data Elements Steering Committee Meeting
Rockville, Maryland; September 9, 2010

"Neurobehavioral Predictors of Aggression after Traumatic Brain Injury" Victoroff, J., Adelman, J., Brining, L. International Brain Injury Association's Eighth World Congress on Brain Injury, Washington, DC., 3/12/10.

“What football does to your brain”
Grand rounds, Dept, of Neurology, UCLA School of Medicine, 4/18/11.

“Applied evolutionary psychology to reduce participation in AQAP”
Violent Extremist Organizations Pilot Effort, Topical Strategic Multi-Layer Assessment (SMA) Multi-Agency and Air Force Research Laboratory, Washington. D.C. 7/20/11.

“Happiness: Clinical Applications of the Science of Subjective Well-Being.” U.S. Psychiatric Congress, Las Vegas, NV, 11/8/11

“What football does to your brain”. U.S. Psychiatric Congress, Las Vegas, NV, 11/8/11

“Traumatic encephalopathy: Review and proposal of provisional research diagnostic criteria.”
NFL Neurological Care Program Conference, Morehouse School of Medicine, Atlanta, Georgia, 12/6/11.

(Selected Invited Presentations – cont'd.)

“The mind of the terrorist, or why an extremist is very like a green bearded amoeba.”

United States Military Academy, West Point, NY, 1/18/12.

“Neurobehavioral complications of traumatic brain injury.”

2nd Annual Santa Clara Valley Brain Injury Conference, Santa Clara, CA 2/25/12.

"Chronic Traumatic Encephalopathy: What Football Does to your Brain"

Neurology Grand Rounds

University of Southern California Keck School of Medicine

Los Angeles, CA, 4/17/12

“Neurobehavioral bases of contagious aggression in human communities”

Contagion of Violence Workshop; Global Violence Prevention

National Academies of Science/Institute of Medicine (IOM)

Washington, D.C., April 30, 2012

"Traumatic Encephalopathy: New Alarm about an Ancient Problem"

3rd Annual Arrowhead Traumatic Brain Injury conference, Washington, D.C., March 7, 2013

"Why we war: Or how a suicide bomber is very like a green-bearded amoeba"

Linfield College, McMinnville, OR March 18, 2013

"Hans-Lukas Teuber Memorial Research Presentation"

Brain Trauma-Related Neurodegeneration Workshop, NINDS,

Bethesda, MD, July 22, 2013

“The mind of the terrorist”

Providence Tarzana Medical Center Grand Rounds

April 14, 2015

“The mind of the terrorist”

Providence Tarzana Medical Center Grand Rounds

April 14, 2015

(Selected Invited Presentations – cont'd.)

“Saving your brain: Six proven methods to reduce the risk of aging-related brain change”
Providence Tarzana Medical Center Grand Rounds
June 19, 2015

D. Society Memberships

Local

Southern California Psychiatric Society. 1988-

National

American Academy of Neurology. 1986-
Section of Behavioral Neurology. 1989-
Geriatric in Neurology Section. 1991-

(Consultantships, cont'd)

Canada Foundation for Innovation; Reviewer, 2016 -

Member, Expert Panel, Dementia Needs Assessment Case Study and Physician Surveys, American Academy of Neurology. 2000-2001.

Member, Dementia Dissemination Advisory Committee, American Academy of Neurology. 2000-2001.

Chairman, American Academy of Certified Brain Injury Specialists, Committee on Program Evaluation 2002-

Chairman, Corporate Advisory Committee, American Academy of Certified Brain Injury Specialists, 2002-

Member, Organizing Committee, Individual Causes, Club de Madrid Summit on Terrorism, March 2005

Director, NATO Advanced Research Workshop
Social and Psychological Factors in the Genesis of Terrorism
Castelvecchio Pascoli, Italy; September 14-17, 2005

Member, Global Advisory Board, Human Dignity and Humiliation Studies, 2005-

Consultant on Terrorist Behavior, Migma Systems, Inc., in NASA SBIR Topic (A1.03), "Aviation Security Technologies"

Consultant on Terrorism and Mass Transit
Los Angeles County Sheriff's Dept. 2005-

Editorial Advisory Board, Forensic Examiner, 2006-11

Study Group, National Science Foundation, Division of Behavioral and Cognitive Sciences, Social and Behavioral Dimensions of National Security, Conflict, and Cooperation. Washington, D.C., December 8-9, 2008.

Chair, Scientific Advisory Board
Anti-Aging Games, LLC., 2009-2011

Developmental Psychology, Reviewer, 2012-

International Interactions, Reviewer, 2012-

(Consultantships, cont'd)

PsycCRITIQUES, Reviewer, 2012-

International Journal of Epidemiology, Reviewer, 2013-

Psychiatric Annals, Reviewer 2013 -

American Journal of Psychiatry, Reviewer, 2014-

Bibliography: Appended

Research Activities

Major Areas of Research Interest

1. Traumatic brain injury
2. Evolutionary, social, and political psychology
3. Aggression and violence
4. Morality, criminal responsibility, and brain function

Research Grants

Cerebral Blood Flow in Alzheimer's Disease: Response to Cognitive Activation

UCLA Basic Research Support Grant

7-1-89 to 6-30-90

\$5,000

Aging and Dementia

National Research Service Award Training Grant

#1-T32-AG00172-01

7-1-88 to 6-30-89

\$60,000

Cerebral Blood Flow in Alzheimer's Disease: Response to Cognitive Activation

French Foundation for Alzheimer's Disease

8-1-89 to 6-30-90

\$30,000.

(Grants, cont'd)

Interictal Behavioral Correlates of Complex Partial Seizures: Pre- and Post-Lobectomy

Epilepsy Foundation of America

7-1-90 to 6-31-91

\$25,000

Alzheimer's Disease Diagnostic and Treatment Center

State of California Department of Health Services

Contract #91-13051

7-1-90 to 4-30-96

\$5,305 per year; (7% time). 11 month total of grant: \$320,400.

Tacrine for the management of agitation in Alzheimer's Disease.

Alzheimer's Association Faculty Scholar Award

7-1-94 to 6-30-97

\$148,104

Magnetic resonance imaging correlates of neuropsychological features of dementia.

Ira Fulton Foundation

2/1/01 - 11/01/02: \$18,000/ yr.

Social and Psychological Factors in the Genesis of Terrorism

NATO Advanced Research Workshop, 9/14-17/2005 Castelvecchio

Pascoli, Italy

(Co-directorship with Sarnoff Mednick, Ph.D.)

35,000 Euros, 2005

Jeff Victoroff, M.D.
