## Professional Summary

Board-certified otolaryngologist with more than 40 years of clinical, surgical, academic, leadership, and consulting experience. Fellowship trained in Head & Neck Oncology, former Northwestern University faculty member, and experienced expert witness providing standard-of-care review, causation analysis, surgical complication assessment, record review, deposition testimony, and litigation support for plaintiff and defense counsel.

## Areas of Expertise

- Rhinology and sinus surgery
- Thyroid and parathyroid surgery
- Recurrent laryngeal nerve injury
- Airway management and laryngeal disorders
- Sleep-disordered breathing and sleep medicine collaboration
- Otology and hearing disorders
- Head & neck oncology
- Surgical complications, causation, and standard of care

## Expert Witness Experience

Approx. 25 medico-legal case reviews, approximately 20 depositions, and trial testimony in otolaryngology-related litigation. Experienced in review of multidisciplinary records involving ENT, sleep medicine, allergy, neurology, radiology, endocrinology, pulmonology, and head & neck surgery.

## Professional Credentials

- Diplomate, American Board of Otolaryngology – Head & Neck Surgery
- Fellow, American College of Surgeons (FACS)
- Fellowship Training – Head & Neck Oncology
- Former Academic Appointment – Northwestern University
- More than four decades of clinical and surgical practice
