Education and Training:

2011-2012, Fellow, Pain Medicine, Stanford University School of Medicine, Department of Anesthesiology, Perioperative & Pain Medicine
Honors/Awards: Chief Fellow, 6/2012-12/2012

2008-2011, Resident, Anesthesia, Massachusetts General Hospital | Harvard Medical School, Department of Anesthesia, Critical Care & Pain Medicine

2007-2008, Intern, Internal Medicine, Hahnemann University Hospital | Drexel University College of Medicine, Department of Medicine

2007, M.D., Temple University School of Medicine
Honors/Awards: Dean's Endowed Medical Scholarship, Class of 1969 Scholarship, American Academy of Neurology Scholarship to Annual Meeting, Multiple Course and Rotation Honors

2003, B.S., University of Maryland—College Park, Psychology (Honors Program)
Honors/Awards: *Summa Cum Laude*, Psychology with Honors Graduate, Mark S. Harper Award for Excellence in Psychology

Licensure and Certification:

ABA Pain Medicine Board Certification, #49624, 09/2014-12/2024
ABA Anesthesiology Board Certification, #49624, 10/2012-12/2022
California Medical License, #A117497, expires 6/30/2023
DEA License with X-Waver, expires 10/31/2023
California Fluoroscopy License, #RHC00171765, expires 12/31/2022
Qualified Medical Evaluator (QME), California Department of Industrial Relations, expires 12/2023
ACLS Certification (AHA), expires 4/2023
BLS Certification (AHA), expires 4/2023

Clinical and Non-Clinical Assignments:

July 2021—Present, *President and CEO*, E&S Newmark Consulting Corporation

- Established in the State of California, July 13th 2021, as a Subchapter Corporation
- Service to the Profession of Medicine, Qualified Medical Evaluation, Expert Witnessing, Career and Admissions Counseling, Leadership and Healthcare Management Consulting

October 2021—Present, *Partner*, Anesthesiology and Pain Medicine, Vituity, Washington Hospital Healthcare System

- Clinical anesthesiology and pain medicine for inpatient surgery, outpatient / ambulatory surgery, regional anesthesia, neurosurgical anesthesia, pain medicine consultation service, endoscopy, and obstetrical anesthesia

July 2017—September 2021, *Chair*, Department of Anesthesiology, Alameda Health System

- Responsible for approximately 50 clinicians and staff with an annual operating budget of \$19-million, labor expenses of \$11-million, and revenue stream of \$33-million.
- Accountable for departmental and perioperative quality, safety, patient access, staffing, recruitment and retention, compliance, financials, contract negotiations, educational activities, collaboration with other departments, system leadership, and overall safety-net service to our East Bay community.
- Redefined our departmental vision, mission, service structure and scope. Now includes inpatient and outpatient pain services, endoscopy anesthesia, out of OR anesthesia, critical care medicine, collaborative emergency airway management, in addition to perioperative care for surgery.
- Created and recruited directors for Pre-Anesthesia clinic, interdisciplinary pain program, regional anesthesia and acute pain management, women's anesthesia, anesthesia quality / safety / education.
- Transition of departmental perioperative services from Highland Hospital to all AHS core hospitals (Highland Hospital, San Leandro Hospital, and Alameda Hospital) in Fall-Winter of 2019
- Participated in merging of AHS physician groups into recently formed, unified entity, East Bay Medical Group (EBMG).
- Departmental collaborative projects include leading efforts regarding COVID-19 response, EPIC EHR implementation, updating documentation and billing processes, pharmacy financial stewardship, RFO policy update, PCEA, IV lidocaine and ketamine, narcotic documentation accuracy, TJC and CDPH survey preparedness and response.
- Recruitment of highly talented and diverse physicians and staff to mirror our patient population and bring important knowledge and skills into our department / practice.

July 2017—July 2018, *Interim Director*, Pain & Functional Restoration Program, Alameda Health System

- Highland Hospital based outpatient program for patients with chronic pain and opioid use disorder.
- Refocused and restructured the program into an interdisciplinary, collaborative program with new vision, mission, scope of services and referral processes to include inpatient and outpatient care, interventional procedures, weekly interdisciplinary team meetings, opioid safety and monitoring measures, increased utilization of buprenorphine for pain.
- Recruited and mentored Medical Director / Division Chief for Pain Medicine as well as additional anesthesiologists and pain psychologist.

May 2021—Present, *Adjunct Clinical Associate Professor*, Department of Anesthesiology, Perioperative & Pain Medicine, Stanford University School of Medicine

- Direct patient care and bedside teaching with ACGME Pain Medicine fellows within the Stanford Redwood City outpatient Pain Clinic
- Chronic pain and opioid safety teaching, lectures and mentorship to Pain Medicine fellows
- Opioid related simulation utilizing standardized actors for Pain Medicine Fellows and Anesthesiology residents within the Center for Immersive and Simulation based Learning

- Leadership lectures, teaching and mentorship for Perioperative Management fellows

July 2017—April 2021, *Adjunct Clinical Assistant Professor*, Department of Anesthesiology, Perioperative & Pain Medicine, & Division of Addiction Medicine within the Department of Psychiatry & Behavioral Sciences (by courtesy), Stanford University School of Medicine

- As above, with inclusion of Addiction Medicine fellows

November 2014—June 2017, *Clinical Assistant Professor*, Department of Anesthesiology, Perioperative & Pain Medicine, & Division of Addiction Medicine within the Department of Psychiatry & Behavioral Sciences (by courtesy), Stanford University School of Medicine:

- Leadership: Associate Division Chief for Education and Associate Fellowship Director, Division of Pain Medicine. Governance Committee, Division of Pain Medicine.
- Site Director for San Pablo Pain Medicine Clinic for University HealthCare Alliance.
- Adult OR Multispecialty Division: Level-1 trauma, general OR, ambulatory anesthesia, neurosurgical and orthopedic spine anesthesia.
- Labor and Delivery Anesthesia: Night call at Lucile Packard Children’s Hospital (LPCH).
- Pain Medicine Clinics: Orofacial chronic pain and headache service, primary care outreach at San Pablo, outpatient pain procedure service.
- Acute Pain Service: Inpatient consultation and management, and pain procedures.

January 2013—October 2014, *Clinical Instructor*, Department of Anesthesiology, Perioperative & Pain Medicine, Stanford University School of Medicine:

- Adult OR Multispecialty Division: Level-1 trauma, general OR, ambulatory anesthesia, neurosurgical and orthopedic spine anesthesia.
- Labor and Delivery Anesthesia: Night call at Lucile Packard Children’s Hospital (LPCH).
- Pain Medicine Clinics: Orofacial chronic pain and headache service, primary care outreach at San Pablo, outpatient pain procedure service.
- Acute Pain Service: Inpatient consultation and management, and pain procedures.

August 2011—January 2011, *Staff Anesthesiologist (Per-Diem)*, NYC Health & Hospitals Corp | Elmhurst Hospital Center, Mt. Sinai School of Medicine:

- Level-1 (NY State) trauma, labor and delivery, general OR, pre-anesthesia clinic, acute pain service.

Other Leadership Roles:

2020-9/2021, Founding Member, Bay Area Safety-Net Perioperative Consortium

2018-9/2021, Board of Directors, Alameda Health System Foundation, 501(c)(3)

2020-9/2021, Chair, Orthopedic Surgery Chair Search Committee, Alameda Health System

2018-9/2021, Co-Chair, AHS Perioperative Operations Committee, Alameda Health System

2017-2019, Co-Chair, Pain and Addiction Committee, Alameda Health System

2017-2019, Co-Chair, Anesthesiology Quality Review Committee, Alameda Health System

2016-2017, Founding Physician Member, Patient Family Advisory Council (PFAC) for Pain Medicine, Stanford Health Care.

2016-2017, Co-Chair, Pain and Addiction Core Competency and Curriculum Development Dean’s Task Force for Medical Students, Stanford University School of Medicine

2016-2017, Founding Member, Pain Fellowship 1:1 mentorship program, Stanford University

2014-2017, Co-Chair, Pain Medicine Fellowship Scholarship Program Selection Committee, American Academy of Pain Medicine (AAPM)

2014-2017, Co-Chair, Graduate Medical Education Special Interest Group (SIG), American Academy of Pain Medicine (AAPM)

2014-2017, Chair, Clinical Competency Committee, Pain Medicine Fellowship, Stanford University

2014-2017, Division of Pain Medicine Governance Committee, Stanford University

2013-2017, Chair, Pain Medicine Fellowship Selection Committee, Stanford University

Honors & Awards:

2021 (Inaugural) Quality and Safety Innovation Award for Controlled Substance Discrepancy Management, Departments of Anesthesiology and Pharmacy, Alameda Health System.

California Health and Human Services Agency / Cal Hospital Compare 2020 Opioid Care Honor Roll and Maternity Care Honor Roll for Highland Hospital

American Academy of Pain Medicine (AAPM) 2017 Pain Medicine Fellowship Excellence Award for Stanford University School of Medicine

AAPM 2017 Annual Meeting Scientific Poster Abstract Winner: **Newmark JL** "Use of Simulation and Immersive Learning to Teach Safe Opioid Prescribing"

Outstanding Teacher of the Year Award, 2016. Division of Pain Medicine. Department of Anesthesiology, Pain & Perioperative Medicine, Stanford University School of Medicine.

2013-2014, Scholar, Teaching Scholars Program, Department of Anesthesiology, Pain & Perioperative Medicine, Stanford University School of Medicine

Grant Funding:

4/2016-12/2016, Stanford Medicine Teaching and Mentoring Academy Innovation Grant, Office of the Vice Provost. "Use of Simulation and Immersive Learning Techniques to Develop a Point of Care Cognitive Aid for Safe Opioid Prescribing." Role: PI. PTA# 1175550-106-AABKS.

Abstract and Presentation, Association of Professors of Gynecology & Obstetrics Council on Education in Obstetrics and Gynecology Annual Meeting, March 2007 Salt Lake City, Utah.

Peer Review Journal Reviewer:

PLOS-One, 2017-Present

Pain Medicine, 2014-2017

Committee and Administrative Memberships:

2020-Present, Associate Member, Pain and Addiction Research Center (PARC), University of California—San Francisco (UCSF)

2020-1/2021, Member, Alameda Health System Foundation, President Search Committee

2020-Present, Member, Operating Room Committee, Stanford University School of Medicine

2020-9/2021, Member, COVID-19 Response and Planning Team, Alameda Health System

2019-9/2021, Member, Drug screening and employment working group, Alameda Health System

2019-9/2021, Member, Anesthesiology Quality Review Committee, Alameda Health System

2018-9/2021, Member, EPIC Transition Working Group (Perioperative), Alameda Health System

2017-9/2021, Member, AHS Credentialing and Privileging Committee, Alameda Health System

2017-9/2021, Member, AHS Sedation Committee, Alameda Health System

2017-9/2021, Member, Medical Executive Committee, Alameda Health System

2017-9/2021, Member, Pharmacy and Therapeutics Committee, Alameda Health System

2017-9/2021, Member, Operating Room Executive Committee, Alameda Health System

2017-9/2021, Member, Interdepartmental Professional Practice Committee

2017-2018, Member, East Bay Safe Opioid Prescribing Coalition, ACCMA

2016-5/2021, (Adjunct) Faculty Member, Addiction Medicine Fellowship, Department of Psychiatry & Behavioral Sciences, Stanford University School of Medicine

2016-5/2020, (Adjunct) Faculty Member, Advanced Training in Medical Education Fellowship, Stanford University, Department of Anesthesiology, Perioperative and Pain Medicine

2015-2016, Member, MD Admissions Committee and Faculty Interviewer for Applicants

2015, Member, Clinical Research Working Group, Stanford University, Department of Anesthesiology, Perioperative and Pain Medicine

2014-2017, Member, AAPM Medical Student Education SIG

2014-2017, Member, AAPM Interdisciplinary Pain SIG

2013-2017, Member, Association of Pain Program Directors (APPD)

2013-2017, Pain Medicine Representative, Cross Fellowship Council, Stanford University

2013-2017, Pain Medicine Representative, Anesthesia Education Committee, Stanford University

2010-2011, Member, Anesthesia Resident Selection Committee, Massachusetts General Hospital

Clinical Teaching Responsibilities:

July 2017-September 2021. In collaboration with the AHS Medical Director for Anesthesia Education, operating room and pain clinic bedside and didactic teaching of UCSF rotating medical students, Kaiser-Oakland ENT surgery interns, AHS OMFS residents, AHS internal medicine residents, AHS emergency medicine residents, and Samuel Merritt SRNAs.

July 2017-Present. Perioperative Management Fellowship didactic lectures and mentorship. Stanford University.

May 2015-June 2017. ANES 304A: Chronic Pain Management Clerkship, Course Director. Stanford University.

May 2015- June 2017. MED 313A: Ambulatory Medicine Core Clerkship, Pain Clinic Course Director. Stanford University.

July 2016- June 2017. Addiction Medicine Fellowship Pain Management affiliated faculty member and supervisor. Stanford University

June 2016- June 2017. Advanced Training in Medical Education Fellowship affiliated faculty member and supervisor. Stanford University

May 2015-June 2017, Associate Division Chief for Education, Division of Pain Medicine, Stanford University. Responsible for all aspects of education (undergraduate, graduate and continuing medical education) within the pain division. This includes orientation, curriculum development, assessment, mentoring, and compliance with GME/CME metrics.

August 2013-June 2017, Associate Fellowship Director, Pain Medicine, Stanford University. Includes fellowship selection committee, development of a behavioral interviewing program, frequent pain medicine didactic lectures to pain medicine fellows and anesthesia residents. Other duties include curriculum and rotation development, mentoring and career counseling, recruitment of future fellows, etc...

2011-2012, Chief Pain Medicine Fellow: Procedure and ward teaching to anesthesia residents and medical students, Stanford University School of Medicine, Department of Anesthesia

Fall-Winter 2011, Anesthesia Attending: OR teaching to anesthesia residents and medical students, Elmhurst Hospital Center / Mt. Sinai School of Medicine, Department of Anesthesiology

2008-2011, Anesthesia Resident: Perioperative teaching to medical students, Harvard Medical School, Department of Anaesthesia

Other Teaching, Training & Educational Experiences:

Winter 2021. CITI Program certification for human subjects research protections, Stanford University School of Medicine.

Winter 2019-9/2021. AHS Leadership Academy for Organizational Learning and Effectiveness.

Fall 2019-9/2021. AHS Department of Anesthesiology retreat and team building activities for improved interdepartmental teamwork, collaboration and communication skills.

Fall 2016-Present. Institute for Healthcare Improvement (IHI) Open School. Self-directed modules and pod-casts surrounding leadership, quality improvement, education and patient safety.

Fall 2018. Emergency Management Institute Online Training Certificate. IS-100.C, Introduction to Command System & IS-200.C, Basic Incident Command System Initial Response. Federal Emergency Management Agency.

Fall 2018. AHS EPIC Super-User Training.

Winter 2013. Simulation Instructor Course. Center for Immersive and Simulation Based Learning (CISL), Stanford University School of Medicine

Summer 2013-June 2017. Collaborative case-based pain medicine teaching conferences between Stanford University and the University of California—Davis

Summer 2013-June 2017, “Libero” teaching sessions, small group teaching sessions on selected ABA ITE examination keyword topics. Department of Anesthesiology, Perioperative and Pain Medicine, Stanford University School of Medicine

Spring, 2013-June 2017, Formal and informal mock ABA oral board examination for anesthesia fellows and residents, Stanford University School of Medicine

Winter, 2013-June 2017, Small group learning session regarding perioperative delirium and pain, Practice of Medicine (POM) Course for Year 2 Medical Students (INDE-201), Stanford University School of Medicine

Winter 2010, In-situ Simulation: Local Anesthetic Systemic Toxicity, Post Anesthesia Care Unit, Department of Anesthesia, Critical Care and Pain Medicine, Massachusetts General Hospital

Summer 2010, Year-I Orientation: Introduction to the Profession & Vital Signs, Harvard Medical School

Spring 2010, Developed basic pharmacology simulations for medical and dental students, Gilbert Program in Simulation, Harvard Medical School

Winter 2009, Year-II Renal Pathophysiology, Gilbert Program in Simulation, Harvard Medical School

Winter 2009, Year-II Pulmonary Pathophysiology, Gilbert Program in Simulation, Harvard Medical School

Other Academic Projects and Activities:

Utilizing EPIC to analyze patient safety and quality of care as it related to opioid safety by utilizing a co-management, interdisciplinary team of pain medicine and addiction medicine physicians within Alameda Health System. 2018-Present.

Development and implementation of opioid prescribing related simulations and research surrounding use and analysis of learner performance at Stanford for teaching pain medicine to pain fellows and anesthesiology residents. 2012-Present.

Provide content and help develop educational and administrative content for the Association of Pain Program Directors (APPD) website. 2014-2017.

Utilization of Collaborative Health Outcomes Information Registry (CHOIR) for the ACGME Next Accreditation System and Clinical Learning Environment Pathways to Excellence. 2014-2017.

Stanford pain fellow learning milestones implementation. 2014-2016.

Stanford anesthesia resident learning milestones for three pain rotations: acute pain service, outpatient chronic pain clinic, outpatient pain procedures rotation. 2014-2016.

Development of a behavioral interviewing program for the Stanford pain medicine fellowship selection committee, 2013-2015.

CME learning modules. Stanford safe opioid prescribing and risk evaluation and mitigation strategies (REMS), 2013-2015.

Current Professional Societies:

2020-Present, Member, American Society of Anesthesiologists (ASA)

2011-Present, Member, American Academy of Pain Medicine (AAPM)

2020-Present, Member, American College of Healthcare Executives (ACHE)

Expert Witnessing and Depositions:

Shervin Lalezary, Shawn Lalezary, Mark Schenkman Lalezary Law Firm. Roseville, California. February 2022 (Defense / IMR).

Ford, Walker, Haggerty and Behar PPP. Pleasanton, California. August, 2021-Present (Defense)

Dumas Law Firm PC. Waco, Texas. December, 2021 (Plaintiff)

Kessenick Gamma & Free LLP. Oakland, California. January, 2018.

Levin | Sitcoff. Redwood City, California. March, 2017.
