EXPERT WITNESS

Kevin Jans

President, Skyway Acquisition · Former U.S. Air Force and USSOCOM Contracting Officer

Qualifications at a glance

- Nearly 30 years in federal procurement and acquisition strategy, including 16 years as a Department of Defense Contracting Officer with the U.S. Air Force and USSOCOM.
- Expert witness in federal court, state court, arbitration, and False Claims Act (Qui Tam) proceedings.
- Has passed Daubert challenges; expert reports and depositions have contributed to multiple successful settlements and case resolutions.
- Personally managed and reviewed contracting actions across the full acquisition lifecycle, from pre-RFP planning through source selection, award, and administration.
- Founder and president of Skyway Acquisition, advising both government and industry since 2011, and host of The Contracting Officer Podcast™.

Areas of expert opinion

Federal acquisition process and Contracting Officer decision-making under the FAR; acquisition strategy and source selection; small business set-asides and compliance; False Claims Act and procurement fraud matters; bid protests, contract changes, and disputes; the Procurement Integrity Act; contract types and structures; and post-award contract management.

Select engagements

- **Federal False Claims Act case, Tennessee:** deposed, multiple reports submitted
- **Arbitration, New York and Michigan:** drafted reports, testified, contributed to case resolution
- **Federal court case, California:** expert reports submitted, deposition provided
- **State court case, Colorado:** expert report submitted, case settled
