Larry S. Wasser, MD, FCCP

National Pulmonary & Critical Care Medicine Expert Witness
Pulmonary, Critical Care & Ventilator Management

LWasserMD@gmail.com | (203) 240-0018

SUMMARY OF QUALIFICATIONS

Board-certified pulmonary and critical care physician with approximately 40 years of experience in pulmonary medicine, critical care medicine, intensive care medicine, and mechanical ventilation management. Board certified in Internal Medicine and Pulmonary Medicine by the American Board of Internal Medicine (ABIM), and board certified in Internal Medicine, Pulmonary Medicine, and Critical Care Medicine by the National Board of Physicians & Surgeons (NBPAS).

Founder and Managing Partner of a large pulmonary, critical care, and sleep medicine practice serving approximately 30,000 patients since inception. Former attending physician in Pulmonary and Critical Care Medicine at Danbury Hospital and within the Nuvance Health System through 2026.

Retained in more than 300 medical-legal matters nationwide involving pulmonary medicine, critical care medicine, ICU management, ventilator management, respiratory failure, pulmonary causation analysis, occupational lung disease, environmental exposure claims, toxic inhalational injury, and complex medical malpractice litigation. Extensive experience providing medical record review, expert medical opinions, affidavits, sworn deposition testimony, and trial testimony for both plaintiff and defense counsel.
