WORK HISTORY

07/2022 to Current

Outpatient Psychiatrist

Naval Hospital Camp Pendleton – Camp Pendleton

- Improved patient outcomes by implementing evidence-based treatment plans including psychopharmacology and psychotherapy. Developed strong rapport with patients, fostering trust and open communication to better understand their needs and concerns.
- Managed distribution of psychiatry referrals in the clinic
- Evaluated disability evaluation referrals, limited duty recommendations, and military separation recommendations as Convening Authority
- Impaired Healthcare Provider Program Chair Committee Member who oversaw proper management of providers with mental or medical problems impacting their quality of life and/or patient care
- Mentored over 30 family medicine residents during their psychiatry rotation

06/2021 to 07/2022

Inpatient Psychiatrist

Naval Medical Center San Diego – San Diego

- Provided crisis intervention services to stabilize acutely ill patients, preventing self-harm or harm to others, on an inpatient setting of 24 patients.
- Managed caseloads efficiently while maintaining high-quality patient care standards by employing time management skills and prioritizing critical tasks effectively.

11/2020 to 06/2021

Division Officer

Naval Base San Diego Mental Health Clinic – San Diego

- Fostered a positive work environment with open lines of communication and proactive problem-solving approaches.
- Enhanced team performance by implementing effective communication strategies and promoting collaboration.

11/2020 to 06/2021 **Psychiatrist for Naval Special Warfare**

US Navy – Coronado, CA

- Provided diagnostic evaluation and pharmacologic intervention for servicemembers attached to Naval Special Warfare commands.

07/2020 to 11/2020 **Division Officer**

Liaison Oversight Division

- Ensured timely disposition of limited duty assessments to ensure operational readiness of Navy commands.

07/2019 to 11/2019 **Outpatient Psychiatrist Fleet Surgical Team – 9**

US Navy

- Provided psychiatric care to US Navy sailors on multiple ships in an operational environment.

04/2018 to 06/2019 **Chief Resident of the Psychiatric Transition Program**

US Navy

- Improved patient outcomes and delivery of care to patients with Severe Mental Illness by leading a multidisciplinary team of physicians, social workers, case managers, and behavioral health technicians.
