UNITED STATES NAVAL OFFICER EXPERIENCE

- Naval Medical Center San Diego, San Diego, CA August 2014 to July 2015
Staff Dermatologist providing instruction to dermatology residents in medical and surgical dermatology. Managed departmental training and served as a member of the Clinical Competency Board.
- Naval Hospital Okinawa, Okinawa, Japan August 2012 to August 2014
Dermatology Department Head: The sole military dermatologist in Okinawa with a patient population of over 189,000. Responded to cases from naval vessels in the region and various military bases across the Western Pacific. Actively involved with the Japanese internship education and Special Forces medic training programs in providing exposure to common dermatologic conditions and surgical skills.

Naval Medical Center San Diego, San Diego, CA

July 2009 to June 2012

Dermatology Resident: Completed dermatology residency training and a tropical medicine subspecialization. Became proficient in medical dermatology and with the use of the 1064nm NdYag, PDL, Alexandrite, and fractionated CO2 lasers.

Expeditionary Health Services Atlantic, Norfolk, VA

August 2008 to June 2009

General Medical Officer: Managed Independent Duty Corpsman aboard 22 Naval ships assigned to Naval Base Norfolk. Ensured fleet medical readiness and conducted quarterly inspections of medical procedures as per BUMED requirements. On call as the Medical Officer for all emergent calls from ships at sea across the world.

USS Gunston Hall LSD-44, Virginia Beach, VA

August 2006 to August 2008

Senior Medical Officer: Provided medical care and deployment readiness for 400 sailors onboard the USS Gunston Hall and an additional 400 Marines while forward deployed to the Middle East in support of Operation Iraqi Freedom and anti-piracy operations off the coast of Eastern Africa.

National Naval Medical Center Bethesda, Bethesda, MD

July 2005 to June 2006

Internal Medicine Internship: Completed Internal Medicine Internship year with a focus in dermatology electives.
