Medical Director

10/01/2022 to present

Litigation-related Consulting with Nevada Attorney General's Office

Nevada Department of Corrections

3955 West Russell Road

Las Vegas, NV 89118

725-216-6034

Supervisor: Charles Daniels, Director Nevada Department of Corrections

725-216-6000

As the Medical Director for the Nevada Department of Corrections, I worked closely with medical providers and nursing staff throughout the State to ensure reasonable accommodations for inmates with disabilities. As leader of the Utilization Review Panel, I oversaw the weekly review, including triage, analysis, deliberation, and evaluation of inmate patient medical requests for imaging, laboratory testing, specialty consultation and inpatient/outpatient treatment. In addition, I worked regularly with the Nevada Attorney General's Office to ensure that the Nevada Department of Corrections was compliant with Titles I, II and III of the Americans with Disabilities Act and Section 504 of the Rehabilitation Act. I recently become a Buprenorphine Waivered Practitioner to participate in the medication-assisted treatment of inmates impaired, disabled, or otherwise convalescing opioid use disorders.

Responsible for the medical care of approximately 11,000 inmates throughout the state of Nevada separated into seven major facilities. Lead supervisor for physicians, nurse practitioners, mental health providers, nurses, and dentists. Restructured medical services by revising/rewriting medical directives to reflect community standards of care. Acted in official capacity as Medical Director to provide expert opinions regarding strategic litigations represented by the Nevada Attorney General's Office. Represented the Nevada Department of Corrections before the Nevada legislative budget committee. COVID-19 Emergency Response Coordinator for the Nevada Department of Corrections. Enacted proactive measures to reduce the incidence of COVID-19 in the inmate population. Led recruitment efforts including the interviewing and hiring of medical and administrative staff.

After tenure ended as Medical Director, continued to participate in litigation-related activities specific to the Nevada Department of Corrections, including sitting for depositions, generating discovery responses, providing chart and case analysis, offering referrals, rendering expert opinions, and supplying miscellaneous consultation and guidance work-product to the Nevada Attorney General's Office.

2800 E. Saint Louis Avenue

Las Vegas, Nevada 89104

702-486-4292

Supervisor: Jennifer Nottingham, Manager of Operations

702-486-4292

Medical consultant for Nevada Bureau of Disability Adjudication. Part of a team of physician consultants who analyzed and evaluated medical and vocational data included in disability claims for the state of Nevada under the requirements of the Social Security Act. As a physician-consultant with the Bureau of Disability Adjudication for the State of Nevada, I evaluated medical evidence germane to claims for disability from the Social Security Administration. I collaborated with physicians from various disciplines such as Family Medicine, Psychiatry, Physical Medicine and Rehabilitation, and Internal Medicine to assist in decision-making for Social Security Disability claims. In addition, I contacted community treatment and consultative examination providers for additional evidence needed to generate an informed disability evaluation.
