PRACTICE INFORMATION

The name of my practice is North County Geriatrics. My Practice consists of taking care of geriatrics patients at nursing homes. Another part of my practice consists of outpatient mobile wound care for complex wounds.

I also run an online weight loss clinic. Name of the clinic is Younique Medical.

PERSONAL

I am a US citizen. I am fluent in two South Asian languages, Hindi and Punjabi. Hobbies include watching baseball, basketball, and football.

I also love to watch movies and enjoy traveling to other countries. I am currently married and have two beautiful children
