Work Address:

National Baromedical Services
Nine Richland Medical Park, Suite 440
Columbia, South Carolina, 29203 USA

Present Positions

January 1987
to present

President
National Baromedical Services, Inc.

August 1985
to present

Program Director
Hyperbaric Medicine Service and Wound Healing Center
Palmetto Health Richland Hospital

January 2009
to present

President
National Board of Diving & Hyperbaric Medical
Technology

Past Positions

January 1988
to December 2011

Director
The Baromedical Research Foundation

June 1983
to August 2010

Faculty
National Oceanographic & Atmospheric Administration
Diving Medical Officers Training Course

1976 to 1984

Diver-Medic; Diving Supervisor;
Saturation Diving Superintendent
Diver-Medic Instructor,
College of Oceaneering, and
Oceaneering International, Inc.

1971 to 1975

Assistant Director and Diving Safety Officer
Hydro-Lab Undersea Research Program

Conducted saturation dives in tropics and below ice,
investigating various biological, physiological and
oceanographic parameters
Perry Oceanographics, Inc. & NOAA

Operations Director, Project SCORE

Investigator/Subject, Ocean Systems Neon Oxygen
Deep Diving Experiments

Manager, Grand Bahama Recompression Chamber

Associate Editor, "The Hydro-Lab Journal"

1969 to 1971

Program Manager, Instructor and Underwater Photographer

International Underwater Explorers Society
Freeport, Bahamas
Received twenty-two International Underwater Photography Awards

1959 to 1969

Mechanical Engineer, Ships Diver, Underwater Expedition Leader

British Royal Navy

Memberships and Associations

Associate Member, Undersea and Hyperbaric Medical Society
1976-2012

Member, European Underwater & Baromedical Society

Board of Governors, International Underwater Explorers Society

Board of Directors and President, National Board of Diving and Hyperbaric Medical Technology;
1984-1995; 2008 to present

Life Member, International Congress on Hyperbaric Medicine

National Association of Underwater Instructors
Instructor #1373

Undersea and Hyperbaric Medicine Courses Written and Presented

Recognition and Management of Diving Accidents for Commercial Divers (20 hour program) - 1976

Diving Medical Section, EMT/Diver Program
University of Southern California/Commercial Diving Center - 1977

Orientation in Commercial Diving Practices and Procedures for Hyperbaric Physicians,
Dive-Med International - 1978

Diving Medical Training - 1979
Arctic Exploration Services (Canada)

Medical Aspects of Diving Accident Management, Baseline Standards for the Diving Supervisor - (40 hour program) - 1982

Primary Training in Hyperbaric Medicine (40 hour program), 1986. (Given 7-8 times annually at Palmetto Health Richland Hospital)

Physical and Physiological Aspects of
Multiplace Chamber Operations - 20 hour
Carraway Methodist Medical Center
Birmingham, Alabama - 1989

Author: Hyperbaric Technology Certification
Examination Study Guide – 1991

Author: Competency Workshop in Transcutaneous Oxygen
Testing – 1999

Author: Diver Medic Technician Certification Examination
- 2011

President

National Board of Diving and Hyperbaric
Medical Technology, 1990 – 1995 and 2009 to present

Chairman, Budget Committee

Undersea and Hyperbaric Medical Society
2000 - 2005

Chairman, Associates Committee

Undersea and Hyperbaric Medical Society
1989 – 1991

Member, Joint Advisory Committee for Clinical Hyperbaric Medicine (JACCHM)

U. S. Department of Defense
2003- 2010

Member, Education Committee

Undersea and Hyperbaric Medical Society
1996 - 2002

Member, Awards Committee

Undersea and Hyperbaric Medical Society
1995 - 2002

Member, Library Committee

Undersea and Hyperbaric Medical Society
2001 – 2010

Chairman, Public Relations Committee

Undersea and Hyperbaric Medical Society
1994-1996

Executive Director Search Committee Member

Undersea and Hyperbaric Medical Society
2000 and 2006

International Editorial Board

European Journal of Underwater and Hyperbaric Medicine
2000-present

Invited Referee

Undersea Biomedical Research Journal - 1990; 1991; 2007
External Referee, Cancer Research UK -2010

Invited Reviewer

U.S. Navy Diving Manual, Revision 4, 1999

Anesthesiology Journal

Cancer Research, UK

Presentations (1986 to present)

December 1987

Invited Guest Speaker, Medical Staff Meeting
Role of Hyperbaric Oxygen Therapy in Modern Medical Practice
Modesto City Hospital, Modesto, California

January 1988

Invited Guest Speaker, Medical Staff Meeting
Role of Hyperbaric Oxygen Therapy in Modern Medical Practice
Medical Staff Meeting, Roper Hospital, Charleston, South Carolina

Consultant: January 1988 **Demand Analysis and Three Year Financial Projection for Hyperbaric Medicine**; Orangeburg Regional Medical Center, Orangeburg, South Carolina

Consultant: March 1988 **Demand Analysis and Three Year Financial Projection for Hyperbaric Medicine**; Charity Hospital, New Orleans, Louisiana

March 1988

Accident Management Under Pressure, Annual Meeting: Gulf Coast Chapter, Undersea and Hyperbaric Medical Society

March 1988

Oxygen Induced Transcutaneous Oxygen Changes as a Predictor of Wound Healing in Diabetic Wounds, Annual Meeting: Gulf Coast Chapter Undersea and Hyperbaric Medical Society

May 1988

Invited Guest Speaker, Medical Aspects of Commercial Oilfield Diving
International Society for Aquatic Medicine, Bonaire,
Dutch West Indies

January 1989

Invited Guest Speaker, Diving Medical Officer Training Program
NOAA/Undersea Medical Society, Seattle, Washington

February 1989

Fundamentals of Therapeutic Compression
International Underwater Explorers Society, Freeport, Bahamas

February 1989

Medical Aspects of Diving Accident Management
Consumers Gas, London, Ontario, Canada

February 1989

Invited Guest Speaker
Role of Hyperbaric Oxygen Therapy in Modern Medical Practice
Divisions of Head and Neck Surgery & Anesthesiology
Massachusetts General Hospital, Boston, Massachusetts

Consultant: March 1989 **Demand Analysis and Three Year Financial Projection for Hyperbaric Medicine**; Massachusetts Eye and Ear Infirmary, Boston, Massachusetts

March 1989

Medical Aspects of Diving Accident Management
Pembina Oilfield Diving Services
Pt. Colbourne, Ontario, Canada

April 1989

Invited Guest Speaker, Hyperbaric Medicine Training Program
St. Lukes Hospital, Milwaukee, Wisconsin

May 1989

Invited Guest Speaker, Hyperbaric Medicine Training Program
St. Lukes Hospital, Milwaukee, Wisconsin

July 1989

Invited Guest Speaker, Role of Hyperbaric Oxygen Therapy in Modern Medical Practice
Medical Staff Meeting, Cape Fear Memorial Hospital
Wilmington, North Carolina

September 1989

Prevention and Management of Decompression Accidents
Island Marine Institute
Victoria, BC, Canada

October 1989

Invited Guest Speaker, Hyperbaric Medicine Training Program
St. Lukes Hospital, Milwaukee, Wisconsin

October 1989

Invited Guest Speaker, Divers Day at Baptist Medical Center
Jacksonville, Florida

October 1989

Invited Guest Speaker, Respiratory Therapy Society of Ontario: Annual Conference

London, Ontario, Canada

October 1989

Invited Guest Speaker, Controversies in Obstetrics and Gynecology

Jacksonville, Florida

January 1990

Invited Discussant, Diving Accident Management Workshop

Duke University Medical Center, Durham, North Carolina

Consultant: March 1990 **Demand Analysis and Three Year Financial Projection for Hyperbaric Medicine**; Shawnee Mission Medical Center, Shawnee Mission, Kansas

Consultant: April 1990 **Demand Analysis and Three Year Financial Projection for Hyperbaric Medicine**; Sarasota Memorial Hospital, Sarasota, Florida

April 1990

Faculty: 15th Diving and Hyperbaric Medicine Course

Divers' Alert Network/Duke University, Cayman Brac, British West Indies

Medical Aspects of Diving Accident Management:

Telesis Oil and Gas Exploration Company, London, Ontario, Canada

April 1991

Diving Accident Management Update, International Underwater Explorers Society, Freeport, Bahamas

May 1991

The Emergent Hyperbaric Medicine Referral: Guidelines for Interim Consultation and Case Management. A Two Day Seminar.

Orlando Regional Medical Center, Orlando, Florida

May 1991

Grand Rounds: The Role of Hyperbaric Oxygen Therapy in Modern Medical Practice.

Timken Mercy Medical Center, Canton, Ohio

June 1991

A Critical Assessment of Compressed Air Breathing in the Monoplace Chamber

UHMS Annual Scientific Meeting, San Diego, California

July 1991

The Emergent Hyperbaric Medicine Referral: Guidelines for Interim Consultation and Case Management. A Two Day Seminar.

Holmes Regional Medical Center, Melbourne, Florida

October 1991

Noon Medical Staff Conference: The Scientific Basis for Hyperbaric Medicine

St. Joseph Health Center, Kansas City, Missouri

October 1991

Department of Surgery Rounds: The Scientific Basis for Hyperbaric Medicine

University of Tennessee, Knoxville, Tennessee

November 1991

Invited Guest Speaker, Divers Day in Kansas City

Kansas City, Missouri

November 1991

Grand Rounds: The Scientific Basis for Hyperbaric Oxygen Therapy

Sarasota Memorial Hospital, Sarasota, Florida

November 1991

Noon Conference: Multidisciplinary Utilization of Hyperbaric Medicine

Department of Emergency Medicine, Carolinas Medical Center

Charlotte, North Carolina

January 1992

Program Director and Instructor, Diver Medic Recertification Course

National Underwater Research Center

Wilmington, North Carolina

January 1992

ACEP Day: Invited Guest Speaker, Scientific Basis for Hyperbaric Oxygen Therapy

Truman Medical Center, Kansas City, Missouri

February 1992

Hyperbaric Medicine 1992: An Advanced Training Seminar

Program Director and Faculty

Columbia, South Carolina

March 1992

Department of Surgery Grand Rounds, Surgical Procedures and Irradiated Tissue: A Reassessment of Risk Factors

Richland Memorial Hospital, Columbia, South Carolina

April 1992

Medical Staff Meeting, The Role of Hyperbaric Oxygen Therapy in Modern Medical Practice

Indian River Memorial Hospital, Vero Beach, Florida

Visiting Faculty: Critical Care '93, The Scientific Basis for Hyperbaric Medicine
Hamilton, Ontario, Canada

May 1993

Invited Guest Speaker, Hyperbaric Medicine Training Program
St. Luke's Hospital
Milwaukee, Wisconsin

May 1993

Invited Guest Speaker, Fourteenth Annual Respiratory Care Seminar
Cleveland, Ohio

Consultant: June 1993 Demand Analysis and Three Year Financial Projection for
Hyperbaric Medicine: Poudre Valley Hospital, Fort Collins, Colorado

August 1993

Visiting Faculty, National Oceanic and Atmospheric Administration
Diving Medical Officer's Course
-Medical Aspects of Commercial Oilfield Diving
-Decompression Sickness and the Monoplace Chamber
Seattle, Washington

September 1993

Invited Guest Speaker, First Annual Central Virginia Hyperbaric Medicine
Symposium
Scientific Advances in Hyperbaric Medicine
Metropolitan Hospital
Richmond, Virginia

October 1993

Invited Guest Speaker, Annual Meeting of the Ohio Respiratory Therapy Society
A Clinical and Technical Review of Hyperbaric Medicine
Columbus, Ohio

October 1993

Invited Guest Speaker, Divers Day in Kansas City
"Decompression Protocols and the Recreational Diver"
Kansas City, Kansas

November 1993

Invited Guest Speaker, Continuing Education Seminar in Hyperbaric Medicine
The Medical Center
Memphis, Tennessee

December 1993

Invited Guest Speaker, The Role of Hyperbaric in Modern Medical Practice
The Medical Center
Beaver, Pennsylvania

January 1994

Faculty, Winter Symposium on Baromedicine, Decompression Accidents and the

October 2000

Invited Guest Speaker, “HBO: Where We Are - An Evidence Based Approach to Hyperbaric Wound Healing”

8th Annual Harry Kapp Symposium
Miami, Florida

June 2001

Invited Faculty: “Hyperbaric Patient Safety Workshop”

- i. The Hyperbaric Incident Benchmarking Project.**
- ii. Literature Review on Ear Barotrauma**

San Antonio, Texas

June 2001

Invited Speaker: Hyperbaric Coding Workshop

UHMS Annual Scientific Meeting
San Antonio, Texas

October 2001

**E. C. Consensus Conference on Hyperbaric Medicine
Project HORTIS**

Lisbon, Portugal

October 2001

**Memorial Hospital Medical Staff Rounds
Evidence-based Approach to Hyperbaric Wound Healing**

Colorado Springs, Colorado

November 2001

Invited Speaker “Tissue Oxygen Measurements and Hyperbaric Oxygen Therapy”

Sentara Healthcare’s Advances in Wound Care Conference
Virginia Beach, Virginia

June 2002

Invited Speaker “Hyperbaric Medicine Literature Update”

Undersea and Hyperbaric Medical Society Annual Scientific Meeting
San Diego, California

July 2002

“Project HORTIS” - Hyperbaric Oxygen Radiation Tissue Injury Study

University Medical Center, Istanbul, Turkey
Departments of Urology and Radiation Oncology

September 2002

Invited Speaker, British Hyperbaric Association Annual Meeting

St. Catherine’s College, Oxford University, England

November 2002

Invited Dinner Speaker, “An Evidence-based Analysis of Hyperbaric Wound Healing”

Richard E. Clarke
Page 20

The Wound Healing Center of Morristown Memorial Hospital
Morristown, New Jersey

November 2002

“An Evidence-based Analysis of Hyperbaric Wound Healing”

Department of Surgery Grand Rounds
Morristown Memorial Hospital
Morristown, New Jersey

November 2002

Invited Dinner Speaker “ Hyperbaric Medicine, A Brief History of a Centuries-old Technology”

Reconstruction and Wound Healing Problems in Head and Neck Surgery
Harvard University Club
Boston, Massachusetts

February 2003

Invited Speaker, Hyperbaric Medicine Program

Duke University Medical Center, Durham, North Carolina

February 2003

“An Evidence-based Review of Hyperbaric Wound Healing”

USC Department of Surgery Grand Rounds
Columbia, South Carolina

April 2003

“Hyperbaric Literature Update”

HYPERBARIC MEDICINE 2003

Columbia, South Carolina

June 2003

Invited Faculty “Marketing Hyperbaric Medicine on its Scientific Merit”

Baromedical Nurses Association Pre-Course
Quebec City, Canada

June 2003

Invited Reviewer “Non-approved Indications: The Year in Review”

Undersea and Hyperbaric Medical Society Annual Scientific Meeting
Quebec City, Canada

August 2003

“An Evidence-based Review of Hyperbaric Wound Healing”

Internal Medicine Grand Rounds
Eastern Virginia Medical School
Norfolk, Virginia

September 2003

Invited Speaker: “A Hyperbaric Literature Review” and “Safe Diving Practices”

Undersea and Hyperbaric Medical Society Pacific Chapter Annual Scientific Meeting
Vancouver, Canada

October 2003

Invited Guest Speaker: Diving and Hyperbaric Medicine Conference
“i. Radiotherapy complications and Project HORTIS
ii. Saturation diving and undersea living”

University Medical Center
Istanbul, Turkey

February 2004

Invited Academic Faculty, “Medicine in Diving Seminar”
Bonaire, Netherlands Antilles

April 2004

“Application of hyperbaric medicine for the treatment of late radiation tissue injury”

First International Oncology Conference
Mexico City, Mexico

May 2004

Invited Discussant: UHMS Workshop on Remote Decompression Illness
Sydney, Australia

May 2004

Invited Reviewer: Non-approved Uses of Hyperbaric Medicine
Undersea and Hyperbaric Medical Society Annual Scientific Meeting
Sydney, Australia

August 2004

Invited Speaker “Project HORTIS: A Randomized Clinical Trial”
Royal Hobart Hospital Medical Staff
Hobart, Australia

August 2004

Invited Speaker: “Hyperbaric Medicine Update”
The Wesley Medical Centre
Brisbane, Australia

August 2004

The International Diving Preferred Provider Network
DAN Recompression Chamber Assistance Program
Mercy Hospital
Miami, Florida

September 2004

“A Short History of Saturation Diving”

Richard E. Clarke
Page 22

Undersea and Hyperbaric Medical Society Pacific Chapter Annual Scientific Meeting
San Diego, California

September 2004

“Radiation Therapy-Radiation injury: Hyperbaric Medicine’s Past, Present and Potential

Surgical Grand Rounds
Memorial Sloan-Kettering Cancer Center
New York, New York

January 2005

Invited Faculty: “Hyperbaric Medicine: The State-of-the-Art”

Virginia Mason Medical Center
Seattle, Washington

January 2005

“A Short History of Saturation Diving”
“Research Trial Design for Optimal Compliance”

Winter Symposium on Baromedicine
Breckenridge, Colorado

February 2005

“A History of Saturation Diving”

Istanbul University Medical Center
Istanbul, Turkey

March 2005

Mercy Hospital Grand Rounds

The Science and Practice of Hyperbaric Medicine
Scranton, Pennsylvania

June 2005

‘A History of Saturation Diving’

Brazilian Navy Submarine and Diving Medicine Branch
Rio De Janerio, Brazil

June 2005

‘Non-Approved uses of Hyperbaric Medicine: The Year in Review’

Undersea and Hyperbaric Medical Society Annual Scientific Meeting
Las Vegas, Nevada

September 2005

‘Radiation Therapy-Radiation Injury: Hyperbaric Medicine’s Past, Present and Potential’

St. Joseph’s Hospital
Kansas City, Missouri

September 2005

‘Offshore Deep Saturation Diving’

Undersea and Hyperbaric Medical Society
Pacific Chapter Annual Meeting
Colorado Springs, Colorado

October 2005

‘Tissue Oximetry and the Hyperbaric Referral’

Undersea and Hyperbaric Medical Society
Midwest Chapter Annual Meeting
Toledo, Ohio

October 2005

‘Treatment of Saturation Exposure-Induced Decompression Sickness’

Symposium on Naval Medicine
Istanbul, Turkey

April 2006

‘Treatment of Radiation Proctitis with Hyperbaric Oxygen Therapy’

Invited Speaker
4th Karolinska Postgraduate Course: Clinical Hyperbaric Medicine
Stockholm, Sweden

May 2006

‘Unapproved uses of Hyperbaric Medicine’

Invited Speaker
Aerospace Medical Association Annual Meeting
Orlando, Florida

June 2006

Invited Plenary Session Speaker

‘Hyperbaric Medicine Literature: The Year in Review’

Undersea and Hyperbaric Medical Society Annual Scientific Meeting
Orlando, Florida

June 2006

‘Evidence Based Medicine’

UHMS Associates Meeting
Orlando, Florida

July 2006

‘The Science and Practice of Hyperbaric Medicine in Complex Wound Repair’

North Florida Regional Medical Center
Gainesville, Florida
