OBJECTIVE

I am a fourth-generation gem and jewelry professional, and a recognized expert in both civil and federal court. I own a dual-certified gemological laboratory and hold professional designations across multiple organizations focusing on diamonds, gemology, and jewelry appraisal methodology. My valuation services support a wide range of clients, including attorneys, estate planning professionals, retail jewelers, pawnshops, insurance companies, private clients, fellow appraisers, and federal law enforcement agencies. All Appraisal and Appraisal Review Reports are prepared in full compliance with the Uniform Standards of Professional Appraisal Practice (USPAP), ensuring accuracy, credibility, and defensibility. I am actively seeking complex appraisal assignments and expert witness opportunities.

EXPERIENCE

I have experience as an independent appraiser, review appraiser, gemologist, pawnbroker, jewelry buyer, consultant, conference presenter, and expert witness. In addition to providing appraisal services for private clients and industry professionals, I have been trusted to value jewelry and watches seized by federal law enforcement agencies, including the U.S. Secret Service (USSS), Internal Revenue Service (IRS), Department of Homeland Security (DHS), Customs and Border Protection (CBP), Immigration and Customs Enforcement (ICE), and the U.S. Coast Guard (USCG).
