## Experience

### APR Staffing

President | Chief Operations Officer

October 2019 - Present (6 years)

Portland, Oregon

APR Staffing is proud to be one of the most respected, privately-owned, technical and professional staffing organizations in the Pacific Northwest. APR offers an unparalleled level of both service and value at a multitude of impressive clients large and small.

### Alliance Professional Resources

Board Member

October 2019 - Present (6 years)

Portland, Oregon, United States

Alliance Professional Resources is a holding company with an impressive and diverse set of staffing companies in its portfolio. Our primary objective is to build additional value for small- and medium-sized staffing companies through consolidation and shared services in order to minimize expenses, while allowing original ownership control. We can be found here: <https://allianceprofessionalresources.com/>.

### Professional Resource Group, LLC

President | Managing Partner

September 2009 - October 2019 (10 years 2 months)

West Linn, OR

Proud to be recognized as one of Oregon's fastest growing private companies (Portland Business Journal). Professional Resource Group is now APR Staffing.

Professional Resource Group was the parent company of Data Resource Group and Engineering Resource Group.

At Professional Resource Group, we offered one of the highest value positions of any staffing firm in the Northwest. We kept overhead to a bare minimum and leveraged the greatest efficiencies in front- and back-office systems to operate one of the most efficient staffing organizations in operation in it's day. That meant lower bill rates to our clients, higher pay rates to our employees, and some of the best terms available anywhere. It's the same set of core values and principles that we brought to APR Staffing and operate with today.
