Branford, CT 06405

SUMMARY

Yale-trained nurse anesthetist leader in active clinical practice. Clinical experience includes both the operating room and non-operating room procedures. Lead CRNA for Quality and Safety at Yale New Haven Hospital – a 1,500+ bed level 1 trauma center. Has reviewed numerous adverse events for deviations from standard of care. Extensive public speaking experience.

EXPERIENCE

- | | |
|---|------------------------|
| Lead Certified Registered Nurse Anesthetist (CRNA) of Quality and Safety | 2020 – Present |
| Yale New Haven Hospital | New Haven, Connecticut |
| <ul style="list-style-type: none"> ▪ Investigate adverse event reports by analysis of patient care records for deviations from standards of care and interview providers to determine causative and contributing factors. ▪ Serve on multidisciplinary committees such as Peer Review, Perioperative Code, and Perioperative Patient Safety and Quality Committees. ▪ Develop and coordinate department level education and communication in support of quality and safety initiatives. ▪ Responsible for the department's continuing education program development, delivery, and compliance. ▪ Ensures regulatory compliance with record keeping of CRNA certifications, onboarding, and point-of-care laboratory access. ▪ Coordinate clinical rotations, objectives, and evaluations for the YNH Adult Critical Care Transport Team. ▪ Nursing Professional Governance Practice Excellence Committee Member (7/2020 – 6/2022) | |
| Certified Registered Nurse Anesthetist (CRNA) | 2013 – Present |
| YALE New Haven Hospital | New Haven, Connecticut |
| <ul style="list-style-type: none"> ▪ Perform pre-anesthesia evaluation and develop and implement anesthesia plan. ▪ Administer anesthetics, adjuvant drugs, and fluids necessary to manage the anesthetic, maintain the patient's physiologic homeostasis, and correct abnormal responses to the anesthesia or surgery. ▪ Select and inserted appropriate non-invasive and invasive monitoring modalities for interpreting physiological data. ▪ Manage airway and pulmonary status using endotracheal intubation, mechanical ventilation, pharmacological support, and/or respiratory therapy. ▪ Manage emergence and recovery from anesthesia by selecting and administering medications, fluids, or ventilatory support to maintain homeostasis, to provide relief from pain and anesthesia side effects, or to prevent and manage complications. ▪ Charge CRNA responsible for coordination of CRNA operational activities over 12-hour shift at multiple locations | |
| Certified Registered Nurse Anesthetist (CRNA) | 2015 - 2017 |
| Anesthesia Associates of Willimantic, P.C., River Valley Surgery Center | Norwich, Connecticut |
| Certified Registered Nurse Anesthetist (CRNA) | 2010 - 2015 |
| North American Partners in Anesthesia, Backus Hospital | Norwich, Connecticut |
| Certified Registered Nurse Anesthetist (CRNA) | 2004 - 2013 |
| Hartford Anesthesiology Associates | Hartford, Connecticut |

- Adjunct Teaching Faculty** 2023 – Present
 Doctor of Nurse Anesthesia Practice (DNAP) Program, Central Connecticut State University (CCSU) New Britain, CT
- Doctorate Scholarly Project course faculty member responsible for mentoring CRNA students in the completion and dissemination of Doctorate Scholarly work
 - Apply learning methods, provide thought provoking strategies, and evaluate project development over multiple semesters
 - Facilitate CRNA student integration of critical and reflective thinking for interprofessional and intraprofessional collaboration
- Legal Nurse Consultant/Principal** 2015 – Present
 Phoenix Legal Nurse Consulting, LLC Branford, CT
- Review medical records and offer opinions on adherence to standards of care for plaintiffs and defense counsel.
 - Electronic medical record audit trail analysis and interpretation.
- Certification Director of Flight and Ground Transport (CFRN/CTRN)** 2012 - 2016
 Allegro Reviews Scappose, OR
- Developed a comprehensive curriculum for specialty certification review courses in transport nursing.
 - Oversaw for maintaining curriculum to meet emerging standards of care.
 - Present course materials in an adult learning format over 16 hours.
- Flight Nurse** 2006 - 2012
 LIFE STAR, Hartford Hospital Hartford, Connecticut
- Team leader responsible for interfacing with pre-hospital emergency services and hospital systems. Meet the complex needs of patients who are critically ill by applying highly developed critical thinking, clinical judgment, and manipulative skills
 - Performed specialized interventions, care, and transport for critically ill and/or injured adult, pediatric and neonatal patients.
 - Precepted and mentored new nurses to flight nursing
- Practice and Research Coordinator** 2007-2009
- Led, directed, and coordinated research and publication activities
 - Chart review and analysis in the continuous quality improvement (CQI) program.
 - Project manager of the LIFE STAR Practice Standards. Ensure that written standards are current and incorporate research-based best practices
- Registered Nurse, Emergency Department** 2000 - 2004
 Hartford Hospital Hartford, Connecticut
- Collected and interpreted complex patient data to triage, plan, and implement care for the acutely injured and ill.
 - Precepted new Registered Nurses to the emergency department.
- Registered Nurse, Cardiac Intensive Care Unit** 1998 - 2000
 Baystate Medical Center Springfield, Massachusetts
- Collected and interpret complex patient data to plan, implement and evaluate clinical interventions for critically ill cardiac and multi-system failure patients.
 - Utilized techniques in complex hemodynamic monitoring, use of pulmonary artery and arterial lines, vasoactive IV medication titration, and management of cardiac arrest.
 - Managed mechanical ventilators, bi-ventricular assist devices, pacemakers, intra-aortic balloon pumps, and continuous venovenous hemofiltration dialysis.
- Student Nurse Assistant, Post Anesthesia Care Unit** 1995-1998
 Baystate Medical Center Springfield, Massachusetts
- Assisted with assessment, monitoring, and care for post-operative/anesthesia adult and pediatric patients.
- Lieutenant/Firefighter/Emergency Medical Technician** 1994-2000
 Avon Volunteer Fire Department Avon, Connecticut
- Supervisor of operations and leader of engine crew.

- Managed fire suppression, rescue, emergency medical care, hazardous material incident stabilization, fire prevention, and public education.
- Instructed fire/rescue, CPR, basic life support, and first aid courses.

Lieutenant/Firefighter/Emergency Medical Technician

Amherst Fire Department

1994-1998
Amherst, Massachusetts

- Supervisor of operations and leader of engine crew.
- Duties of fire suppression, rescue, fire apparatus driver, and pump operator.
- Emergency medical care and transport.

Director of Operations/Emergency Medical Technician

University of Massachusetts First Aid Services

1993-1997
Amherst, Massachusetts

- Maintained inventory of supplies and scheduled/supervised 35 personnel.
- Provided emergency first aid and fire prevention/safety inspections.
- CPR, basic life support, and first aid courses instructor.

EDUCATION

Doctorate of Nurse Anesthesia Practice

Central Connecticut State University & Yale New Haven Hospital School of Nurse Anesthesia

2018 - 2020
New Britain & New Haven, CT

Master of Business Administration

University of Hartford

2009-2014
Hartford, CT

Master of Biological Sciences

Central Connecticut State University & New Britain School of Nurse Anesthesia

2002-2004
New Britain CT

Bachelor of Science in Nursing, cum laude

University of Massachusetts

1993-1998
Amherst, MA

PROFESSIONAL ORGANIZATION ACTIVITIES

Editor, Transport Professional Advanced Trauma Course Provider Manual 6th Edition, Air and Surface Transport Nurses Association (ASTNA) - 2014
 Air and Surface Transport Nurses Association (ASTNA) Transport Nurse Advanced Trauma Course (TNATC) advisory committee member. - 2012 – 2017
 Air and Surface Transport Nurses Association (ASTNA) Transport Nurse Advanced Trauma Course (TNATC) of the Future sub-committee chair - 2013- 2015
 Air and Surface Transport Nurses Association (ASTNA) Transport Nurse Advanced Trauma Course (TNATC) instructor. - 2010-2017

CURRENT LICENSES

Advanced Practice Registered Nurse (#003212), State of Connecticut Department of Public Health
Registered Nurse (#R56996), State of Connecticut Department of Public Health

PREVIOUS LICENSES

Emergency Medical Technician – Paramedic (#001650), State of Connecticut Department of Public Health; expired 2023

CERTIFICATIONS

- Certified Registered Nurse Anesthetist (#071709), National Board of Certification and Recertification of Nurse Anesthetists; 2004 – present
- Critical Care Registered Nurse (CCRN), American Association of Critical Care Nurses (AACN); 2000 - present

- Advanced Cardiac Life Support (ACLS), American Heart Association (AHA); current
- Basic Cardiac Life Support (BLS), American Heart Association (AHA); current
- Certified Professional in Healthcare Quality (CPHQ), National Association of Healthcare Quality (NAHQ); (former)
- Pediatric Advanced Life Support (PALS), American Heart Association (AHA) (former)
- Neonatal Resuscitation Program (NRP), (former)
- Certified Flight Registered Nurse (CFRN), Emergency Nurses Association (ENA), (former)
- Certified Transport Registered Nurse (CTRN), Emergency Nurses Association (ENA), (former)
- Certified Flight Paramedic (CCP-C), Board for Critical Care Transport Paramedic Certification (BCCTPC), (former)
- Certified Critical Care Paramedic (FP-C), Board for Critical Care Transport Paramedic Certification (BCCTPC), (former)

HONORS AND AWARDS

- John Jordan Award for Excellence in Transport Medicine Journalism. 2016. Air and Surface Transport Nurses Association (ASTNA)

PROFESSIONAL ORGANIZATION AND SOCIETIES

- American Association of Nurse Anesthesiologists (AANA), member 2004 - present
- Connecticut Association of Nurse Anesthesiologists (CTANA), member 2004 - present
- Institute for Healthcare Improvement (IHI), member 2020 - present
- Anesthesia Patient Safety Foundation (APSF), Annual conference attendee 2021, 2022, 2023
- National Association of Healthcare Quality (NAHQ), member 2020 - 2023
- American Association of Legal Nurse Consultants (AALNC), member 2022 - present
- National Alliance of Certified Legal Nurse Consultants (NACLNC), member 2015 – 2018, 2022 - present
- Air and Surface Transport Nurses Association (ASTNA), member 2006 - 2018
- Emergency Nurses Association (ENA), member 2000 - 2011
- American Association of Critical Care Nurses (AACN), member 1998 – 2022

SPECIAL TRAINING

- Professional Certificate in Forensic Nursing, University of California, Riverside University Extension
- Audit Trail Analysis Training Program, Audit Trail Pro, LLC
- Certified Legal Nurse Consultant Program, CLNC Certification Institute/National Alliance of Certified Legal Nurse Consultants (NACLNC)
- Basic Certificate in Quality & Safety, Institute for Healthcare Improvement (IHI) Open School
- Norwalk Hospital Paramedic Program, Norwalk Hospital
- Critical Care Nursing Course (99 hours), American Association of Critical Care Nurses (AACN)
- Firefighter I & II, State of Connecticut Commission on Fire Prevention & Control
- Incident Command System for EMS, National Fire Academy
- Incident Command System, State of Connecticut Commission on Fire Prevention & Control
- Hazardous Materials First Responder-Operational Level, State of Connecticut Commission on Fire Prevention & Control
- Flammable Gas Firefighting, Massachusetts Firefighting Academy
- Incident Safety Officer, National Fire Academy
- Tactical Operations for the Company Officer, National Fire Academy
- Leadership I & II, National Fire Academy
- Rope Rescue I & II, State of Connecticut Commission on Fire Prevention & Control
