

## **CURRICULUM VITAE**

7/15/2025

Theodore Hiroshi Teruya

### **CURRENT POSITIONS:**

7/2023 - Vascular Surgeon – Cedars Sinai

2023 to present - SCORE – Vascular Surgery Editorial Board – Associate Editor

2024 to present - Director – Huntington Health Vascular Lab

### **EDUCATION:**

9/1987-6/1991 – AB, Occidental College

9/1991-6/1995 – MD, University of Hawaii

7/1995-6/1996 – Internship, Baylor University Medical Center, Dallas, TX

7/1996-6/2000 – Residency – General Surgery – University of Hawaii, Honolulu, HI

7/2000-6/2001 – Fellowship – Vascular Surgery – Loma Linda University, Loma Linda, CA

### **LICENSURE:**

6/1/200-2/28/2026 California – A71912

9/17/1999-1/31/2026 Hawaii – MD 10795

4/11/2016 – 3/31/2026 Montana – 49189

4/2/2022 – 4/1/2026 Oklahoma – 37953

3/1/2022 – 2/28/2026 Minnesota – 68970

**BOARD CERTIFICATION:**

6/4/2002-13/31/2026 - Surgery

5/5/2003-12/31/2025 – Vascular Surgery

**PREVIOUS POSITIONS:**

7/2021-6/2023 – Professor, Loma Linda University, Loma Linda, CA

2/2007-6/2021 – Vascular Surgeon, Loma Linda Veterans Administration, Loma Linda, CA

11/2004-2/2007 – Vascular Surgeon, Surgical Associates, Honolulu, HI

7/2001-11/2004 – Assistant Professor, Loma Linda University, Loma Linda, CA

**PROFESSIONAL ACTIVITIES:**

**OTHER COMMITTEE SERVICES:**

Student curriculum committee Loma Linda University

7/1/2003-10/31/2004

Program Committee Chairman – Peripheral Vascular Surgery Society Spring Meeting 2005

Hawaii Medical Foundation – Board of Directors

June 2005-January 2007

Limb Salvage Committee – Loma Linda Veterans Administration Medical Center

2/10/2007-6/30/2021

Society of Vascular Surgery Veterans Administration Committee

2018-2021

Society of Vascular Surgery Government Relations Committee

2018-2021

Huntington Health Pulmonary Embolism Resuscitation Team 4/2024 to present

Huntington Health Extracorporeal Membrane Oxygenation 9/2024 to present

**Professional Associations/Society Memberships:**

Society of Vascular Surgery – Distinguished Fellow

American College of Surgeons – Fellow

Western Vascular Society

Pacific Coast Surgical Society

Southern California Vascular Surgery Society

**Mentoring:**

8/2021-Present Sally Schonefeld, MD, Cedars, Senior partner

7/2021-6/2023 James Anderson, MD, Loma Linda, Program Director

7/2018-6/2023 Maksim Gusev, MD, Loma Linda University, Advisor

**Editorial Services:**

5/2010-5/2014 Associate Editor, Annals of Vascular Surgery

**Consulting Activities:**

2014-Present Consultant, Medical Board of California

**HONORS AND SPECIAL AWARDS:**

2020 and 2022 Navy Commendation Medal x 2

2019 Navy and Marine Corps Achievement Medal

**INVITED LECTURES AND PRESENTATIONS:**

Multiple Applications of Endovascular Procedures – Silvestre 65<sup>th</sup> Anniversary Meeting

Rio De Janeiro, Brazil 11/22/2007

Arteriovenous access in patients with Central Venous Occlusions – CICE Cirurgia Endovascular, e Angiologia 4<sup>th</sup> Edicao

Sao Paulo, Brazil 4/1/2017

Lower extremity thromboembolism associated with prolonged air travel: Risk factors and prevention. Poster presentation. Health in Paradise Meeting on Prevention and Screening, 1998.

Symptomatic subclavian stenosis in hemodialysis patients with transvenous pacemakers. Poster presentation. San Francisco, CA Pacific Coast Surgical Association, 2000.

Bedside Insertion of IVC Filters Using Duplex Ultrasound -Hawaii Vascular Symposium  
Honolulu, HI 4/28/2006

Gore Hybrid Graft – Hawaii Vascular Society

Honolulu, HI 6/3/2011

Vascular Surgery – Government Service – Western Vascular Society

Kauai, Hawaii 9/17/2011

Stent-Graft Design: Can it make a difference in Challenging Abdominal Aortic Aneurysm Anatomy - Medical Center of Central Georgia, Macon, Georgia 8/30/2012

Advanced Hemodialysis Access – Society of Vascular Surgery San Francisco, CA 5/29/2013

Comparison of Non-penetrating Titanium Clips versus Continuous Polypropylene Suture in Dialysis Access Creation – Vascular and Endovascular Surgery Society Park City UT 2/1/2015

Introduction to Aorfix – Strandness Meeting Honolulu, HI 2/16/2015

Placement of Arteriovenous Access in Patients with Difficult Venous Outflow – Hawaii Vascular Symposium Honolulu, HI 8/13/2015

Surgical Care in Afghanistan – Loma Linda University Surgical Grand Rounds Loma Linda, CA 3/9/2021

Vascular Quality Improvement and the US Navy- Huntington Health Grand Rounds Pasadena, CA 1/5/2024

What's New in Vascular Surgery – Optum HIT CME Meeting Pasadena, CA 1/17/2025

Surgical Care for the Non-Surgeon – Operational Medicine Symposium, Camp Lejeune, NC 6/1/2025

### **TEACHING ACTIVITIES:**

#### **Clinical Teaching**

Start Date 2/2007-6/2023 Endovascular and open skills and techniques.

Met weekly with trainees and discussed vascular equipment and procedures for Loma Linda University.

Start Date 2/2007-6/2021 VAMC clinical teaching rounds

Formal teaching rounds will all housestaff and vascular fellows twice a week with patient presentations and discussion of complications and postoperative care

Start Date 2/2007-6/2021 VAMC Case planning conference

Formal case presentation with discussion on indications for procedures and planning for operative conduct and techniques at the Loma Linda VAMC.

Start Date 7-2021-6/2023 Loma Linda University medical student teaching conference

Met with medical students twice a month to discuss basic vascular disease processes and the care of vascular surgery patients.

Start Date 7/2021-6/2023 Loma Linda University case planning conference

Weekly case conference with formal presentations of all patients who were scheduled for surgery with a discussion of indications for surgery and alternative for treatment.

Start date 7/2021-6/2023 Loma Linda University teaching rounds

Formal teaching rounds with medical students, surgery residents, interventional radiology residents and vascular surgery residents and fellows with discussion of in hospital care and complications.

Start date 7/15/2023-Present

Formal teaching rounds with Huntington Health surgery residents including presentations, didactics and image review

Start date 10/01/2024-Present

Daily teaching rounds with Cedar Sinai Vascular Surgery fellows. Daily image review. Weekly diadactics. Preoperative case discussions

Start Date 7/1/2025-Present

Student teaching in the operating room, clinic and rounds – Charles Drew University Medical Students
