## Education

August 2016	<b>Hand, Upper Extremity and Microsurgery Fellowship Program (ACGME accredited)</b> University of Arizona College of Medicine and the Center for Orthopedic Research and Education (CORE Institute), Phoenix, AZ, USA
July 2015	<b>Plastic Surgery Residency Program – obtained RCPSC in Plastic Surgery</b> McMaster University Division of Plastic Surgery, Hamilton, ON, Canada
June 2009	<b>Doctor of Medicine</b> Schulich School of Medicine and Dentistry, University of Western Ontario, London, ON, Canada
2002-2005	<b>York University – BScHons Double Major in Kinesiology and Psychology</b> On Dean's Honour Roll for all 3 years
June 2002	<b>Ontario Secondary School Diploma</b> Earl Haig Secondary School, North York, ON

## Surgical Expertise & Licensure

Experienced in **all aspects** of plastic and reconstructive surgery and hand surgery, **board certified** in plastic surgery in Canada and in USA with additional **certificate of added qualification**/subspecialty certificate in hand surgery.

Fully licensed to independently practice plastic surgery in province of Ontario, Canada and in the states of Arizona and California, USA.

## Employment

February 2019 – present	<b>Private Practice</b>
October 2016 – February 2019	<b>University of California Irvine</b> Assistant Clinical Professor of Plastic Surgery Assistant Program Director of Residency Program in Plastic Surgery Co-Director of Hand Surgery (Plastic Surgery) Director of Medical Student Plastic Surgery Education Orange, CA

## University Affiliations and Teaching

<b>University of California, Irvine</b>	Assistant Professor of Plastic Surgery Department of Plastic Surgery University of California, Irvine 2016 – 2019
<b>Hoag Hospital, Newport Beach</b>	Faculty, Oncoplastic Reconstructive Breast Fellowship 2024 – ongoing

# WENDY K. Y. Ng, MD FRCSC

## Hospital Privileges

Orange County, California	<b>Plastic Surgeon</b> University of California Irvine Medical Center (UCIMC) October 2016 – May 2019
	<b>Plastic Surgeon</b> Children's Hospital of Orange County (CHOC) October 2016 – ongoing
	<b>Plastic Surgeon</b> St. Joseph's Hospital, Orange July 2018 – ongoing
	<b>Plastic Surgeon</b> Hoag Hospital, Newport Beach July 2018 – ongoing
Los Angeles County, California	<b>Plastic Surgeon</b> Orange Coast Memorial Hospital, Fountain Valley June 2020 – ongoing
	<b>Plastic Surgeon (part time)</b> Spinal Cord Injury, Tibor Rubin Long Beach Veterans Affairs Medical Center January 2018 – ongoing
	<b>Plastic Surgeon</b> Long Beach Memorial Medical Center July 2018 – ongoing

## Professional Affiliations

<b>RCPSC</b>	Royal College of Physicians and Surgeons of Canada – active certificant member
<b>CPSO</b>	College of Physicians and Surgeons of Ontario # 90525 – active member
<b>CMPA</b>	Canadian Medical Protective Association - membership on hold
<b>ABPS</b>	American Board of Plastic Surgery
<b>OCSPS</b>	Orange County Society of Plastic Surgery – active member
<b>CMA</b>	California Medical Association – active member
<b>MBC</b>	Medical Board of California – active member
<b>AMB</b>	Arizona Medical Board – active member
<b>ACS</b>	American College of Surgeons

## Electives & Medical Missions

September 2019	Plastic Surgery (medical mission)	1 week	Hebron Hospital N.G.O. Phnom Penh, Cambodia
March 2018	Microsurgery	1 week	Chang Gung Memorial Hospital Taoyuan, Taiwan
June 2016	Hand surgery	1 week	Salzkammergut-Klinikum Bad Ischl Supervised by Dr. Hildegunde Piza Hand surgeon Bad Ischl, Austria
June 2016	Hand Surgery	1 month	Unfallkrankenhaus Wien Lorenz Böhler Supervised by Dr. Martin Leixnering Hand surgeon Vienna, Austria

## Research Grants and Involvement

# WENDY K. Y. NG, MD FRCSC

February 2024 - ongoing	Surgeon Investigator for BreastQ Trial at Hoag Hospital Newport Beach
December 2022 - ongoing	Surgeon Investigator for CenExel ACT (Anaheim Clinical Trials), supported by Teikoku Pharma USA
June 2016	International Bone Research Association Scholarship for visiting hand fellowship at AUVA - Unfallkrankenhaus Wien Lorenz Böhler, Vienna, Austria
October 2015	Research grant support from Ethicon and Surgical Specialties Corporation for study, Histologic Responses to Barbed and Nonbarbed Sutures in Flexor Tendon Repair Flexor Tendon Repair: In Vivo Histologic Responses
September 2014	American Society for Surgery of the Hand Annual Meeting Scholarship
June 2013	First place poster presentation, McMaster University Department of Oncology Research Day for research on one stage vs. two stage breast reconstruction
February 2010	Scholarship to attend WPS (Women in Plastic Surgery) Forum: Leadership in Breast Reconstruction
June 2009	Martin J. Inwood Award for the Editor in Chief for contributions to the University of Western Ontario Medical Journal
July 2007	Institute of Medical Science Summer Studentship, working under Dr. Tom Waddell at Toronto General Hospital in Department of Thoracic Surgery
July 2006	CIHR (Canadian Institute of Health Research)/Pfizer Studentship in Musculoskeletal Research, working under Dr. Dimitri Anastakis at Toronto Western Hospital in Division of Plastic Surgery
July 2005	York International Mobility Award, awarded to 2 top undergraduate science students to attend and participate in the London International Youth Science Forum in London, England
July 2005	National Science and Engineering Research Council (NSERC) Scholarship, awarded for research project
June 2005	\$10,000 Killam Fellowship to study at Wellesley College, Wellesley, Massachusetts, USA ( <i>declined to enroll in medical school</i> )
2003 – 2005	School of Kinesiology and Health Science Honour Roll, awarded yearly for academic achievement
2003 – 2005	York University Dean's Honour Roll, awarded yearly for academic achievement
2003 – 2004	York University Continuing Student Scholarship, awarded yearly for academic achievement

## Publications

2024 (pending publication)	"Orbital Compartment Syndrome in a pediatric patient with Crohn's Disease" (the "Work"), by Dr. Anup J. Patel, Dr Wendy Ng et al pending publication in JPGN Reports
January/February 2021	Hu A, Ng, WKY. (2021). Orbital Osteomyelitis in the Pediatric Patient. Journal of Craniofacial Surgery. 32(1): 206-209.

## Clinical Research Experience

December 2008	<b>Dandelion Root Tea and Myeloplastic Leukemia</b> <ul style="list-style-type: none"><li>Examined the use of boiled dandelion root tea in the treatment of myelodysplastic syndromes such as chronic myelomonocytic leukemia, as well as the use of chemotherapy as a treatment for phyllodes tumour of the breast, wrote first manuscript draft</li><li><i>Under supervision of Dr. Caroline Hamm, Medical Oncologist at Windsor Regional Hospital</i></li></ul>
July 2007	<b>Traumatic Macular Retinoschisis in Infants and Children</b> <ul style="list-style-type: none"><li>Collected data for study and helped with manuscript preparation</li><li><i>Under supervision of Dr. Alex Levin, Ophthalmologist at the Hospital for Sick Children</i></li></ul>
August 2007	<b>Oral Prophylaxis and Ventilator Associated Pneumonia in Burn Patients</b> <ul style="list-style-type: none"><li>Helped write and submit protocol for study</li><li><i>Clinical research under supervision of Dr. Robert Cartotto, Plastic Surgeon at Ross Tilley Burn Centre, Sunnybrook Hospital</i></li></ul>
July 2005	<b>Quality of Life Outcomes after Peripheral Nerve Injury</b> <ul style="list-style-type: none"><li>Helped submit proposal, collected data and assisted with manuscript presentation</li><li><i>Clinical research under supervision of Dr. Dimitri Anastakis, Plastic Surgeon at Toronto Western Hospital</i></li></ul>
July 2005	<b>High Level Determinants of Brightness Perception</b> <ul style="list-style-type: none"><li>Designed pilot study, collected data, summarized findings into presentation</li><li><i>Psychology research, under supervision of Dr. James Elder, Faculty Member at Centre for Vision Research at York University</i></li></ul>
2003 – 2004	<b>Swallowing Outcomes after Myomectomy for Zenker's Diverticulum</b> <ul style="list-style-type: none"><li>Designed and administered the long-term follow-up questionnaire for mail-out study and collected data; researched and wrote manuscript draft</li><li><i>Clinical research, under supervision of Dr. Tom Waddell, Thoracic Surgeon at Toronto General Hospital</i></li></ul>

## Surgical Research Posters

June 25, 2014	"A Novel Use of the Radial Forearm Free Flap in Head and Neck Reconstruction", Group for the Advancement of Microsurgery Meeting, Montreal, Quebec, Canada
June 20, 2013	"Immediate Breast Reconstruction with One Stage Placement of Permanent Implant Compared to Two Stage Tissue Expander Reconstruction", McMaster University Department of Oncology Research Day, Hamilton, Ontario, Canada
June 18, 2010	"Tendon transfer or nerve transfer for elbow flexion. What is the evidence? A systematic review", Canadian Society of Plastic Surgeons, Halifax, Nova Scotia, Canada
June 17, 2009	"Juvenile fibroadenoma of the breast. Treatment and review of the literature from a plastic surgery perspective", Canadian Society of Plastic Surgeons, Kelowna, British Columbia, Canada

## Labs for My Residents & Medical Students

October 19, 2019	Surgery Saturday Suturing Workshop for UCI Medical Students
January 26, 2019	Organizer and Faculty Attending for Galderma Injectables Course for Residents
March 10, 2018	Organizer and Faculty Attending for Stryker Hand/Upper Extremity Saw Bones Lab
November 18, 2017	Organizer and Faculty Attending for Medartis Hand/Upper Extremity Saw Bones Lab
August 7-11, 2017	Co-director of Microsurgery Course for Plastic Surgery Residents & Hand Fellows
November 26-30, 2018	Director of Microsurgery Course for Plastic Surgery Residents & Hand Fellows

## Editorial Contributions

April 4, 2018 to present	Associate Editor for International Journal of Transplantation & Plastic Surgery
March 2017 to present	Reviewer for Hand journal

## Conferences Attended

September 30-Oct 1, 2023	Resensation: Restoring sensation in post mastectomy breast reconstruction, Nashville, TN, USA
February 3-6, 2022	The Women Plastic Surgeons Enrichment Retreat, Tucson, Arizona, USA
April 25, 2020	The Aesthetic Society Meeting 2020 (online), USA
January 10-12, 2020	Southern California Chapter of the American College of Surgeons Annual Scientific Meeting, Santa Barbara, California, USA
October 5-6, 2019	Remedy West: Medical Missions Conference, Riverside, California, USA
May 19-22, 2016	American Association of Plastic Surgery, New York, New York, USA
September 18-20, 2014	American Society for Surgery of the Hand, Boston, Massachusetts, USA (podium presentation)
June 24-28, 2014	Canadian Society of Plastic Surgery (CSPS) 68 <sup>th</sup> annual meeting, GAM (Group for the Advancement of Microsurgery), Montreal, Canada (podium presentation and poster presentation)
May 17-18, 2014	Operation Smile Leadership Conference, Virginia Beach, Virginia, USA
October 10-15, 2013	American Society of Plastic Surgery, San Diego, California, USA (podium presentation)
April 14-18, 2012	Canadian Conference on Medical Education, Banff, Alberta, Canada
March 3-5, 2012	Philadelphia Hand Symposium, Philadelphia, Pennsylvania
January 15-18, 2011	American Society of Reconstructive Microsurgery, Cancun, Mexico (podium presentation)
October 1-5, 2010	American Society of Plastic Surgery, Toronto, Ontario, Canada (podium presentation)
August 6-8, 2010	Women in Plastic Surgery (American Society of Plastic Surgery) Leadership in Breast Reconstruction Forum, Pacific Grove, California, USA
June 15-19, 2010	Canadian Society of Plastic Surgeons (CSPS) 64 <sup>th</sup> annual meeting, GAM (Group for the Advancement of Microsurgery), Educational Foundation of the CSPS, Halifax, Nova Scotia, Canada (poster presentation)
April 10-12, 2008	Canadian Geriatrics Society Annual Meeting, Montreal, Quebec, Canada
July 1-7, 2007	Geriatrics Summer Institute, Vancouver, British Columbia, Canada
March 31, 2006	History of Medicine Days Conference, University of Calgary, Calgary, Alberta, Canada (podium presentation)
July 25 to August 7, 2005	London International Youth Science Forum, London, England, United Kingdom (presentation)

## Illustrative and Editing Experience

2018 – present	Associate Editor: International Journal of Transplantation & Plastic Surgery (IJTPS)
2015 – present	Reviewer for journal: Hand
2005 – 2009	Edited and approved/rejected manuscripts for publication in North American journal <b>Managing Editor and Co-Editor in Chief for University of Western Ontario Medical Journal</b> Published 800 copies each of 60-page issues on: Family Medicine, Oncology, and Cardiovascular themes, distributed to students and staff in southwestern Ontario Worked out advertising contract to completely cover printing costs

# WENDY K. Y. NG, MD FRCSC

March 2007	<b>Infertility – from a Doctor Who Became a Patient</b> Illustrator for book by Dr. Debbie Penava, Obstetrician/Gynecologist at St. Joseph's Hospital, London, ON
------------	--

## Completed Courses and Workshops

August 2022	Qualified Medical Evaluator Report Writing Course, Orange, California, USA
July 2018	Comprehensive Review of Hand and Upper Extremity (ASSH), Chicago, Illinois, USA
July 2017	ASPS Coding Workshop, Chicago, Illinois, USA
October 2015	AAOS Wrist and Elbow Arthroscopy and Associated Procedures: Techniques and Innovations, Chicago, Illinois, USA
September 2014 & 2017	Stanford Plastic Surgery Review Course, Palo Alto, California, USA
June 2014	AONA Principles of Operative Treatment of Craniomaxillofacial Trauma & Reconstruction Course, Montreal, Quebec, Canada
August 2013	ASPS Oral and Written Board Preparation Course, Chicago, Illinois, USA
June 2012	Craniofacial Workshop, University of Toronto Surgical Skills Lab at Mt. Sinai Hospital, Toronto, Ontario, Canada
July 2011 to June 2012	Professional Association of Interns and Residents of Ontario (PAIRO) Physician Leadership Program, Toronto, Ontario, Canada

## Committees

September 2021 to October 2023	ASPS Young Plastic Surgeons Committee
September 2021 – ongoing	ASPS Continuing Education Committee
September 2021 – ongoing	ASPS Annual Meeting Education Program Committee
