

## **CURRICULUM VITAE**

**ROBERT G. SCHNEIDER, M.D., J.D.**

**SUMMARY:** Education: Yale University B.A., NYU School of Medicine M.D., Quinnipiac School of Law J.D. I am a physician licensed to practice in Connecticut, Board Certified in Internal Medicine, subspecialty in Cardiovascular Disease (CVD: clinical non-invasive cardiology). I also have a Law degree and CT Law license. My training post medical school included one year of Internship, three years of Internal Medicine Residency, and one year of Cardiovascular Disease Residency. This was followed by two years in the U.S. Air Force Medical Corps, three years of group practice providing medical care to an underserved population at Montefiore Hospital in the Bronx, NY, three years as Medical Director for Fairfield County CT of the Prudential Life Insurance Managed Care Program (Prucare), and decades of experience in the private practice of Internal Medicine and CVD.

I have a current DEA Registration and a current CT Controlled Drug Registration; and current Certification in BLS and ACLS (Basic Life Support and Advanced Cardiac Life Support). I complete a minimum of 25 hours per year of CME [Continuing Medical Education]. I am a Certified Federal, State, and Town First Responder. I also have interest and experience in the treatment of Drug Addiction, Taser induced cardiac injury, and Geriatrics/Nursing Home Care. I am familiar with Standard of Care issues in Personal Injury and Medical Malpractice and have reviewed hundreds of cases including issues of negligence, causation, injury, and damages. Recently completed three month Internal Medicine outpatient Locum Tenens.
