

INVITED LECTURES/WRITINGS/MEETINGS. :

Aug 2018	vRAD Online Blog "Better Outcomes for Stroke Victims. With CT Perfusion, Time Is On Our Side"
June 2018	vRAD Online Blog "Dawn of a New Age for Stroke Imaging"
June 2018	vRAD Online Webinar, "Adapting Your Stroke Imaging Program For Success in the New DAWN Paradigm"
Feb 2018	Official Physician Host, "Practical Radiology Conference", Las Vegas
Nov 2017	vRAD Online CME Lecture Series, "Imaging of Testicular Torsion"
Sept 2017	vRAD Online CME Lecture Series, "Advanced Neuro Imaging: A Review of CT Perfusion and Cervicocerebral CTA"
May 2017	vRAD Online CME Lecture Series, "Medical Malpractice in Radiology"
April 2017	Panel Member and Presenter, "Neuroradiology from Dusk Until Dawn", Panel Symposium Discussion, American Society of Neuroradiology Annual Meeting
November 2016 Neuroradiology	vRAD Online CME Lecture Series, "Common Misses - 2016 Update"
August 2016 Radiology,	Yale University School of Medicine, Department of "Neuroradiology Missed Findings"
February 2016 Your	Wynn, Las Vegas, Emergency Radiology Topics, "This is Brain on Drugs"
February 2016	Wynn, Las Vegas, Emergency Radiology Topics, "Common Neuroradiology Misses – 2016 Update"
July 2015 Neuroradiology	vRAD Online CME Lecture Series, "Common Misses - 2015 update"
June 2014 Neuroradiology	vRAD Online CME Lecture Series, "Common Misses"
April 2014 "Interpreting	NYU School of Medicine, Department of Radiology, "MRI of the Lumbar Spine"
Mar 2014 and Brain	Wynn, Las Vegas, Emergency Radiology topics, "Sports Trauma" and "Neuroradiology Quality Control"
January 2014 Review	vRAD Online CME Lecture Series, "MRI Lumbar Spine: Terminology"
March 2013 Angiography	Wynn, Las Vegas, Emergency Radiology topics, "MR Artifacts"

January 2008	Department of Medicine, Lenox Hill Hospital, New York, "Neuroradiology for Medical Staff"
June 2007 University Angiography"	Radiology Conference, Department of Radiology, Yale School of Medicine, "Introduction to MR
December 2005	Resident Conference, Department of Radiology, Lenox Hill Hospital, "Signs in Neuroradiology"
October 2005	Resident Conference, Department of Radiology, Lenox Hill Hospital, "Fractures of the Calcaneus"
April 2003 Hospital,	Resident Seminar, Department of Radiology, Lenox Hill "Orbital Imaging"
May 2002	Resident Conference, Department of Radiology, Lenox Hill Hospital, "Metabolic Bone Diseases"
