

## **CURRICULUM VITAE**

**ROBERT G. SCHNEIDER, M.D., J.D., ACLM**

**SUMMARY:** Education: Yale University B.A., NYU School of Medicine M.D., Quinnipiac School of Law J.D. I am a physician licensed to practice in Connecticut, Board Certified in Internal Medicine, subspecialty Cardiovascular Disease (CVD: clinical non-invasive cardiology). I also have a CT Law license. My training post medical school included one year of Internship, three years of Internal Medicine Residency, and one year of Cardiovascular Disease Residency.

I am familiar with Standard of Care issues in Personal Injury and Medical Malpractice and have reviewed hundreds of cases including issues of negligence, causation, injury, and damages.

I served two years in the U.S. Air Force Medical Corps and have decades of experience in the private practice of Internal Medicine and CVD. In addition to Internal Medicine and Cardiovascular Disease I have long interest and experience in Taser use and injury and published two articles on the subject in 2009. Other interest and experience: treatment of Drug Addiction, and Geriatrics/Nursing Home abuse.

I have a current DEA Registration and CT Controlled Drug Registration; and current Certification in BLS and ACLS (Basic Life Support and Advanced Cardiac Life Support). I complete a minimum of 25 hours per year of CME [Continuing Medical Education] and am a Certified Federal, State, and Town First Responder.
