PROFESIONAL ENGAGEMENTS

- 2019
Publication: Journal of Implant and Advanced Clinical Dentistry
Surgical Planning Using 3D Printed Anatomical Models in a Complex Case of Dental Implants and Autogenous Block Grafting. (Submitted for publication)
- 2017
Published case: Textbook: Endodontic Prognosis ;
Clinical Guide for Optimal Treatment Outcome. Case Publication, Regenerative Therapies.
- 2016
Presenter: PDL: Pure Dental Learning Webinars
Current and Future Concepts in Implant Site Development, Precision Guided Planning and Implant Placement
- 2016
Presenter: California Dental Expo
Implant Site Development, Precision Guided Planning & Implant Placement
- 2015
Presenter: PDL: Pure Dental Learning Webinars
Webinar: Protocol and Techniques for Post-Extraction Socket Grafting & Ridge Preservation
- 2013
Presenter: Beverly Hills Academy
Dental Trauma Management: Unique Protocols for Successful Outcomes of Dental Trauma
- 2012
Presenter: Academy of Microscope Enhanced Dentistry (AMED)
Foundational Protocols & Secrets for True Endodontic Success: A Hands-On Experience
- 2012
Presenter: Southwest Dental Conference
The Endo-Implant Debate: Perception vs Reality
Presenter: *The Impact of High Resolution CBCT Imagng in Endodontic, Implant and Restorative Practice*
- 2011
Publication: Journal of the Texas Dental Association
Cone Beam CT in the Diagnosis of Dental Disease
- 2011
Presenter: Academy of Microscope Enhanced Dentistry (AMED)
On the Cutting Edge: Maximizing Endodontic Outcomes
- 2010
Presenter: Academy of Microscope Enhanced Dentistry (AMED)
Cone Beam CT: The Next Level in 3D Diagnosis and Treatment Planning
- 2010
Presenter: Beverly Hills Academy of Dentistry
A New Era for Endodontics: Breaking Mental Barriers and Misunderstandings About Diagnosis and Successful Outcome
- 2010
Publication: Journal of the California Dental Association
Cone Beam Computer Tomography in the Diagnosis of Dental Disease; January 2010
- 2008
Presenter: Academy of Microscope Enhanced Dentistry
The Endodontic - Implant Paradigm: Are We on the Right Track?
- 2008
Instructor: Academy of Microscope Enhanced Dentistry
Hands-On Training Course: Conventional Micro-Endodontics: A Hands-On Experience...

2008 Beverly Hills Advanced Treatment Planning Seminars
Presenter: *The Endodontic - Implant Paradigm: Are We on the Right Track?*

2007 Academy of Microscope Enhanced Dentistry
Presenter: *The Endodontic – Implant Paradigm Are We on the Right Track*

2007 AO International Congress
Presenter: *Endodontics — Current Concepts... Future Trends*

2006 University of Southern California: Alumni Congress
Presenter: *Complex Cases: What Determines Successful Outcomes*

2006 Academy of Microscope Enhanced Dentistry
Instructor: *Soft Tissue Management Microsurgery Hands-On Course*

2006 California Dental Association Annual Convention
Presenter: *Endodontics- A New Era of Biologic and Clinical Predictability*

2004 Southern California Academy of Endodontics
Presenter: *Enlightenment Beyond the Median of Endodontics*

2003 University of California Los Angeles Graduate Students
Presenter: *The Principles of Modern Day Endodontic Success*

2003 Alpha Omega Fraternity
Presenter: *Evolution in the Art and Science of Endodontics*
